Photography Club

Mrs. Ferko

Join us for Photography Club once a month where we will have some introductory exploration of some of the techniques used in photography. The club will provide a chance for students to work creatively and have fun experimenting, sharing and talking about photography together! You may use any kind of camera. If you do not have access to a camera, please see Mrs. Ferko.

Where and When:

Meetings are held in room 153

After school until 4:00 on the following dates:

September 11	February 5
October 2	March 4
November 6	April 15
December 4	April 29
January 8	May 27

* You must have a ride pick you up in the back of the building at 4:00.

Listen to the morning announcements for more information.
