August 17, 2010

Dear Parents and Guardians:

Tuesday, September 7th is Back to School Night for parents of students in grades 1 - 4 at Limerick Elementary School and we hope that you will join us for a very informative evening. This will be a wonderful opportunity for you to meet your child's teacher and to learn about the curriculum, grade level expectations, classroom procedures and routines, and tips for helping your child succeed in school. Representatives from Limerick's Home & School will be here to tell you about some of the exciting projects in place for this school year and ways that you can become involved in supporting these efforts.

The evening has been designed to give families with more than one child at Limerick the opportunity to attend two sessions and for parents with one child at Limerick to attend a 6:00PM **or** 7:10PM grade level presentation, as the same information will be shared at both sessions. The complete schedule for the evening is as follows:

6:00PM – 6:20PM – Session #1 – Grade Level Presentations

- First Grade – LGI
- Second Grade – Music Room
- Third Grade – Cafeteria
- Fourth Grade – Gym

6:25PM – 7:05PM – Classroom Visits

- Parents wishing to visit their child's classroom will have the opportunity for an informal visit during this time. Therefore, parents attending Session #1 can visit their child's classroom immediately following the 6:00PM grade level presentations, and parents attending Session #2 can visit their child's classroom prior to the 7:10PM grade level presentations. Parents with two children at Limerick can spend a few minutes in both classrooms during this informal visitation time. **There is not a formal program planned during this 40 minute visit; rather just an opportunity to walk around your child's classroom for a few minutes and introduce yourself to your child's teacher.**

<u>GRADE</u>	<u>TEACHER</u>	<u>CLASSROOM</u>
○ First Grade	Mrs. Albright	Room 311
○ First Grade	Mrs. Dolloff	Room 307
○ First Grade	Mrs. Kravitz	Room 310

Specialists will be available in the library and Special Education Teachers in their classrooms throughout the evening. Please stop by to say hello. Kindergarten teachers will not be available as their Back to School Night will be held on August 25th.

Any parents living within close proximity to the school are asked to consider walking as parking is limited. We look forward to seeing you on Tuesday, September 7th between the hours of 6:00PM and 7:30PM.

Sincerely,

Mitchel L. Edmunds
