

COOL SCHOOL

SFASD SUMMER COURSES

SUMMER 2017

Cool School offers courses for students completing grades K-6, focusing on enrichment, arts and sports. Check out this years courses taught by some of your favorite Spring-Ford teachers!

Grades indicated are for students who will complete the grade in the current 2016-2017 school year.

SFASD PRESENTS 2017 COOL SCHOOL

- The 2017 Cool School Summer Enrichment Program is sponsored by Spring-Ford Area School District.
- Classes are held at the 5/6 Building, 833 South Lewis Road, unless otherwise noted
- Classes will be held Monday through Thursday
- Classes will be offered during three, one-week sessions:
 - Week 1: June 19 – 22
 - Week 2: June 26 – 29
 - Week 3: July 10 – 13
- Two different time slots:
 - Time A: 8:30 -10:30 a.m.
 - Time B: 10:45 a.m.-12:45 p.m.
- When registering for a class, please note the session.
 - Example: June 19 - 22, from 8:30-10:30 a.m. will be Session 1A.
- Unless otherwise noted, all classes are held at the 5/6 Building
833 South Lewis Road, Royersford
- Supervision is provided between sessions. Students who are staying should bring a snack.
- Many courses have a \$5 materials fee.
- Cool School Courses are available for students completing grades K-6, depending on description.
- Grade levels are based on the grade completed in June 2017.
- Registrations will be accepted online or with a paper registration.

Enrichment

**COST PER COURSE: \$45 SFASD residents; \$55 non-residents.
Course fee increases after May 1 to \$50 SFASD residents; \$60 non-residents.**

SUMMER CONCERT BAND - NEW!

James Westlake

Session 2B; Grades 4-6

Did you have a great time at your band concert this year? Do you wish you could keep playing with a large group? This is the course for you. This is for CURRENT students in grades 4 through 6 who are NOW playing a band instrument. Students will be involved in learning how to play better as a large group of different instruments. Students must be currently enrolled in a band program (grades 4-6), have their own instrument and music stand. All music used will be provided.

PAINTING

Susan Albright

Session(s) 1A, 1B, 2A and 2B; Grades 1-6

Have you ever wanted to paint something for yourself or as a gift for someone else? In this class you will get a chance to paint really cool items such as a rock, wood, and an item of your choice. We will paint with acrylic paint, tempura, and water color. Please bring an art shirt, a rock to paint, and 1 or 2 other items. Ideas of items brought in past years include: shirt, pillow case (include a piece of cardboard so the paint doesn't leak through), bag, scrap book cover, picture frame and wooden jewelry box. Be creative! We will supply some surprise items to paint. Students must have completed 1st grade or above to take part in this class! *Materials Charge: There will be a \$5 charge for supplies.*

Cool School is fun, but even more fun with friends!
Organize your Cool School sessions with your best friend,
or make new ones!

Cost per course: \$45 SFASD residents; \$55 non-residents
when you register before May 1, 2017.

SONGWRITING

Kait Morrison

Session(s) 2A and 2B; Grades 1-4

Have you ever wanted to write your own song? In this class, we'll write our own lyrics and sing our own songs together! *Materials Charge: There will be a \$5 charge for supplies.*

FOOTBALL, DODGEBALL, KNOCK OUT, AND OTHER GAMES

Keith Heffner and Dave Susek

Session(s) 1A and 3A; Grades 3-6

Do you love playing football and knock-out at recess with your friends? Do you wish you could get your friends together to play during the summer? This is your chance. Each day we will spend time playing each game and other indoor and outdoor games. So grab some friends and join the FUN!

MINDFUL KIDS

Brian Aikens

Session 1A; Grades 3-6

Session 1B; Grades K-2

This fun, play based week is filled with movement, games, and other "chill skills" you can use to help yourself when you are feeling frustrated or anxious. We will learn how to relax, refocus, and be happier through the use of our breath! Through the practice of mindfulness and yoga you can learn how your thoughts and action affect your brain. This week is rooted in brain science and is designed to increase children's capacity for attention, empathy, impulse control, emotional regulation, and resiliency. New games added for this year! *Materials Charge: There will be a \$5 charge for supplies.*

 **AMERICAN GIRL**

Christine Higgins

Session(s) 1A and 2A; Grades 1-3

This class is for our "all American girls!" Together we will spend the week learning about the American Girl series and making memories with our American Girl dolls. You can expect a week of stories, crafts and activities. On the last day, we will have a Movie/PJ day. Let's use this week to get inspired to learn what it takes to be an American Girl. *Materials Charge: There will be a \$5 charge for supplies.*

 **SUMMER WITH SEUSS - NEW!**

Gillian Cedrone

Session(s) 1B and 3B; Grades K-3

Join us for an exciting week filled with Dr. Seuss stories and art projects! Get ready to explore the imaginative world of Dr. Seuss and draw, paint, and create seuss-tastic masterpieces! Oh, the fun you'll have! *Materials Charge: There will be a \$5 charge for supplies.*

 **PRINCESS PARTIES**

Lauren O'Brien

Session(s) 1B and 2B; Grades K-2

Princess Party will be a total princess day! Who's your favorite Disney princess? We will act like princesses and you can even dress up like your favorite princess for Cool School! We will make beautiful crowns and jewelry, play princess games and make princess arts and crafts. *Materials Charge: There will be a \$5 charge for supplies.*

 **SCRAPBOOKING**

Lauren O'Brien

Session(s) 1A and 2A; Grades 2-6

Join our super scrapbooking sessions! Scrapbooking is a fun way to be creative and save memories. You will create a way to proudly display photos, artwork, awards, and other keepsakes. Just bring your photographs, and you will learn the rest! *Materials Charge: There will be a \$5 charge for supplies.*

 **TAKING OFF WITH FLIGHT**

Mark Kehl

Session 1B; Grades 3-6

Do you enjoy making paper airplanes and other flying objects?! Gear up and get ready to take off on fun learning adventure. We will learn to make different paper flying objects. At the end of the week, we will launch air powered rockets that soar to over 100 feet in the air. You will get to take home what you make! 3-2-1 Blast off!!! *Materials Charge: There will be a \$5 charge for supplies.*

 **SOCCER CAMP**

Dave Susek

Session 3B; Grades K-6

Didn't have time to register for soccer camp this summer? That's okay! Play your favorite sport with your favorite friends instead! We'll begin each day with some fun stretching exercises, we'll warm up with some easy drills and we'll finish each day with a few friendly games!

 **BLANKET MAKING**

Mark Kehl

Session 1A; Grades 3-6

Learn to make your own blanket that you get to take home! Get ready for summer by creating a cozy blanket. That's right, the summer is a great time to have your own, handmade blanket. Think of the possibilities, lay it out on the beach or by the pool. Have a picnic on it at the park or in your backyard. Stay warm on those air conditioned car and plane rides or snuggled up for movie night with the blanket you made. Your friends will be super eager to make their own and you can show them! *Materials Charge: There will be a \$5 charge for supplies.*

 **DOODLE TO PAINT - NEW!**

Mark Kehl

Session(s) 2B and 3A; Grades 3-6

Do you enjoy doodling, drawing and computers? Learn to draw images and pictures on paper. Then, we will recreate those images on Microsoft Paint! We will explore the different tools and features that MS Paint has to offer... all while learning to draw at the same time! Let's create!

 **FAIRY FUN**

Emily Beiter

Session 3A; Grades K-2

If you like painting, coloring, crafts, and fairies, this is the class for you! Join me in making your own fairy wings, fairy dreamland, and so much more! You will explore the world of fairies and have so much fun doing it! *Materials Charge: There will be a \$5 charge for supplies.*

 **CODING AND POWERPOINT - NEW!**

Mark Kehl

Session 2A; Grades 3-6

Become the next Steve Jobs or Bill Gates. Learn to code a computer and games. We will also explore the fun and interactive features of Microsoft PowerPoint. Let's get techy!

 **MOVIE LUNCH**

Mark Kehl

Session 3B; Grades 3-6

Watch your favorite movies while eating lunch! In this class, we will watch movies on a 10 foot screen. Anyone is welcome to see The Chronicles of Narnia (PG), Where the Red Fern Grows (PG), Percy Jackson and the Olympians (PG), The Lightning Thief (PG), and Night At The Museum (PG). Bring a packed lunch to eat with your friends while taking in a cool movie. Popcorn will be provided.

Make the most of your summer at Cool School! Sign up for classes in each session, and maximize the fun!

See pages 6-7 for terms/conditions and cancellation information.

CAPTURE THE FLAG

Dave Susek and Keith Heffner

Session 1B; Grades 3-6

Do games of strategy, skill, and competition interest you? Do you enjoy spending your summer with old friends and making new ones too? If you answered YES to either of those questions, than this is the course for you! Capture the Flag is a thrilling game for all kids! Two teams will compete for each other's flag, while trying to escape going to their opponent's jail.

BE BEAUTIFUL: JEWELRY MAKING FUN!

Amy Reinert

Session 1A; Grades K-2

Session(s) 1B and 3A; Grades 3-6

Do you love wearing jewelry? Do you like crafts and making fun things to wear? Well, you will love this course! We will make jewelry with beads, string, jewels, and lots more! You will make beautiful new jewelry to wear and show your friends! *Materials Charge: There will be a \$5 charge for supplies.*

LEGO CREATIONS

Amy Reinert and Russ Landis

Session 1A; Grades 3-6 with Russ Landis

Session 2A; Grades K-2 with Russ Landis

Session 3B; Grades K-2 with Amy Reinert

In LEGO Creations, we will have challenges to build the best creations using LEGOS. We will create cars, build room interiors, make spaceships, and more. Use your imagination! LEGO books and playsets will be available!

IN A GALAXY, FAR, FAR AWAY

Joshua Lang

Session(s) 1A and 2A; Grades K-2

Do you like the Star Wars universe? Join us for a few hours making crafts, building LEGOs, playing games, and watching the movies and cartoon that came from the mind of George Lucas. *Materials Charge: There will be a \$5 charge for supplies.*

FRENCH CAMP - NEW!

Leanne Stolpe

Session 1A; Grades K-2

French Camp will be an exciting mix of songs, crafts, and activities as an introduction to the French language and culture! *Materials Charge: There will be a \$5 charge for supplies.*

RAIN OR SHINE - NEW!

Shannon Hetrick

Session 1A; Grades K-2

Session 1B; Grades 3-5

If it's a beautiful day, we'll go out and play! Obstacle course, water games, jump rope, kick ball, it's your call. If not, we'll do some indoor rainy day activities. Maybe play Pie Face, Twister, Head Bandz, or Battleship. Or get creative and make dioramas, do a science experiment, or other fun projects. Rain or shine, we'll have a good time! *Materials Charge: There will be a \$5 charge for supplies.*

LEGO WEDO WORKSHOP - NEW!

Matt Bergey

Session(s) 1A and 2A; Grades 3-6

Session(s) 1B and 2B; Grades 2-4

Join us for the LEGO WeDo Workshop! Our groups will use LEGOs and iPads to design, build, and eventually code some simple machines. Our work will focus on the basic engineering and design process used by scientists, inventors, and engineers around the world.

WORLD OF SUPERHEROES

Kris Bautsch

Session 1B; Grades K-2

Session(s) 2B and 3A; Grades 3-6

Are you a fan of Wonder Woman, Batman, Iron Man, Superman or Captain America? We'll get a chance to read, watch or play with these heroes and more. Bring your comic books, graphic novels, action figures, movies and join in the fun!

CREATIVE DRAWING

Kris Bautsch

Session(s) 1A and 2A; Grades 3-6

Session 3B; Grades K-2

Do you like to doodle? Do you find yourself writing your name over and over for fun? This is the class for you! We will have a great time making fun pictures, discovering drawing tips and letting your imagination run wild! *Materials Charge: There will be a \$5 charge for supplies.*

TEAMWORK MAKES THE DREAM WORK

Joshua Lang

Session(s) 1B and 3B; Grades 3-6

Do you want to spend time making new friends. Join us for teambuilding activities, such as obstacle course, scavenger hunts, and water balloon challenges. We'll have a great time and look forward to seeing you there! *Materials Charge: There will be a \$5 charge for supplies.*

CHESS AND THE COMPUTER! - NEW!

Ellen Luchette

Session(s) 1A, 1B, 2A and 2B; Grades 3-6

Do you love chess? Or have you always wanted to learn? Well, here's your chance to learn chess in a fun way! Chesskid.com is a fun, engaging, and hilarious way to learn whether you are a complete beginner or already a champ. Come to Cool School and to learn, play, and challenge yourself. You can access your account at your home as well so you can challenge your friends, and Mrs. Luchette, all day! You will be amazed at how fun chess can be! Don't miss out! *Materials Charge: There will be a \$5 charge for supplies.*

WALL ART - NEW!

Dacia Williams

Session 3B; Grades 4-6

Design 2 canvas art creations for any room in your house. We will use paints, punches, small embellishments for your hanging art. *Materials Charge: There will be a \$5 charge for supplies.*

ENGINEERING CHALLENGE: BUILDING WITH EVERYDAY MATERIALS - NEW!

Jessica Rusinski

Session 1A; Grades K-2

Session 1B; Grades 3-5

Do you like building? Do you like a challenge? If you said yes, then Engineering Challenge is the class for you! You will be given a challenge/problem to solve that will require you to build a solution with everyday materials. You will also work in teams to solve the challenge! *Materials Charge: There will be a \$5 charge for supplies.*

CROSSING THE BRIDGE

Joshua Lang

Session(s) 2B and 3A; Kindergarten going into 1st

Crossing the bridge from Kindergarten to 1st grade can become an easy transition with this class. This class is designed to maintain the skills learned in kindergarten and acquire readiness skills for 1st grade. Each class will be based upon a theme that will allow children to make discoveries while building their academic skills. Hands-on activities will refresh your child's knowledge of letters, sounds, beginning words, writing, and literature, while building on 1st grade readiness skills. Together, all of these activities will make "crossing the bridge" from kindergarten to 1st grade a smooth transition. *Materials Charge: There will be a \$5 charge for supplies.*

COOL SCHOOL STRING ENSEMBLE - NEW!

Kristen Katzianer, Ashley Baisch and Emily McGranahan

Session(s) 3A and 3B; Grades 4-6

Cool School String Ensemble 2017 is forming! This group is for students who play string orchestra instruments (violin, viola, cello, bass) and are in grades 4 through 6. Students must have one school year of playing experience. The Spring-Ford string teachers (Ms. Baisch, Mrs. McGranahan, Mrs. Katzianer) will be leading group rehearsals, with a concert at the end of the week!

FUTURE ENGINEERS UNITE! - NEW!

Tricia Flynn

Session(s) 1A and 1B; Grades 4-6

Are you fascinated by technology? Did you ever wonder how to make a video game? Have you ever thought about building a robot? If you answered yes to these questions, Future Engineers Unite is for you! Under the guidance of leaders from Spring-Ford High School's Tech Club, you will get to explore different fields of engineering through fun and interactive hands-on activities involving balloon rockets, robotics, roller coasters, computer programming, and more. And remember, it's not about knowing the answers... it's about solving the problems! *Materials Charge: There will be a \$5 charge for supplies.*

KIDFIT - NEW!

Eric Hetrick

Session 3A; Grades 3-4

KidFit is a fun, interactive way to get your child moving while working on the key areas of fitness- cardio, agility, coordination, stamina, power, speed strength, stability and balance. Please bring a water bottle with you!

GIRL POWER

Erin Hughes

Session(s) 2B; Grades 1-3

During Girl Power, girls will have the opportunity to participate in a wide variety of activities to enhance self-esteem, as well as physical activities like sports, running, and more! We will do crafts, games and listen to stories. Girls will also engage in discussions and activities geared towards being an overall healthy, confident, and happy girl! Girls will need to wear appropriate clothing/footwear and bring water and a healthy snack. *Materials Charge: There will be a \$5 charge for supplies.*

FABRIC YOYO CRAFTS - NEW!

Dacia Williams

Session 1A; Grades 5-6

Session(s) 2B and 3A; Grades 5-6

We will make fabric yoyo pins, flowers, bracelets, hair bands, and animals. If you can make one, you can create many other fun things. Develop your sewing skills to make fabric yoyos. *Materials Charge: There will be a \$5 charge for supplies.*

CRAFTY KID'S CARDS - NEW!

Dacia Williams

Session(s) 1B and 2A; Grades 3-6

Create special occasion and holiday greeting cards using stamp, ribbon, buttons, popsicle sticks, punches glitter, and embossing tools. You will come away with as many cards as you can create with envelopes. *Materials Charge: There will be a \$5 charge for supplies.*

POTTERY

Russ Landis

Session 1B and 2B; Grades 1-6

Do you like making things with your hands, and getting a little messy? Well, we have got the place for you! We will get your creative juices flowing while working with clay. You'll design boxes, bowls, animals and more! *Materials Charge: There will be a \$5 charge for supplies.*

GAMING 101

Russ Landis

Session 3A; Grades 1-3

Session 3B; Grades 4-6

Do you own a tablet or iPhone? How about a DS, DSi, or 3DS? Well, this club is for you! Show off your Minecraft skills and your creations. Using the DS, we will play linkable games: Mario Kart, Metroid, Mario Hoops, Sonic Rush, DK Racing, Pokemon, and more. Test your skills against everyone else in the class. We will set up racing grids, play off brackets, and leader boards. You will need to bring your own electronic device to play!

HOW DOES YOUR GARDEN GROW?

Maria Lena Cottman

Session 3A; Grades 2-6

Do you love being outdoors and gardening? In this course, we will learn all about how plants grow, and you will even get to grow a plant of your own! You won't want to miss this fun week! *Materials Charge: There will be a \$5 charge for supplies.*

EDIBLE CREATIONS

Maria Lena Cottman

Session 2A; Grades K-2

Session 3B; Grades 3-6

If you love to cook as much as me, then we are going to have a sweet time! Learn to make delicious treats that you can share with your friends and family! **Please note that some recipes may contain products processed in a nut factory. *Materials Charge: There will be a \$5 charge for supplies.*

MAD SCIENTISTS

John Hughes and Dan Mountz

Session 1A; Grades 1-3

Session 1B; Grades 4-6

Have you ever dreamed of becoming a mad scientist who gets to do the most wild and crazy experiments? If you answered YES, then we need your help! Our science lab has been put under a curse and all of our potions have gone wacky. Join this secret club and help us break the spell! *Materials Charge: There will be a \$5 charge for supplies.*

ACTIVE INDOOR GAMES

Dan Mountz and Brian Aikens

Session(s) 2A and 2B; Grades 3-6

Play knee hockey, knockout (basketball), Ping-Pong, indoor miniature golf, box hockey, volleyball, pool, indoor baseball, foosball and more, on a smaller indoor scale. We will also play yard games like quoits, corn-hole, and ladder ball. It is like indoor recess with all the best active games.

CREATIVE WRITING

John Hughes

Session 2B; Grades 3-6

Have some great ideas floating around in your head? Let's work on getting them down on paper! We'll explore different writing genres while letting our creativity flow freely. Each day we will practice different writing conventions such as character development, setting a tone, and developing a plot. We will have time designated for collaborating and letting our ideas grow.

HUMAN BODY LAB - NEW!

Rachael Schauder

Session 2B; Grades 3-4

Kids will learn about the major systems of the human body through experiments, crafts, games, and multimedia taught by one of Spring-Ford's school nurses. Students will get to use actual medical tools as they learn how their bodies work and how to keep them healthy! This hands-on lab is designed to be interactive, fun, and great for any kid this is curious about the workings of the human body. *Materials Charge: There will be a \$5 charge for supplies.*

Unless otherwise noted, all courses are held at the 5/6 Building, 833 South Lewis Road, Royersford.

COOL SCHOOL TERMS AND CONDITIONS

Cool School is designed to be an enjoyable learning environment where each student is valued and respected. Disrespect or negative behavior that interferes with the positive experiences of others attending may result in dismissal.

There will be a \$25 fee for returned checks. Returned checks cancel your child's registration.

No telephone registrations will be accepted. Printable forms for paper registration are available in the office of your child's school or online at www.spring-ford.net. Online registration is also available.

Enrollment is automatic upon receipt of your registration and payment. Online registrants will receive a confirmation e-mail. No other notification is provided unless there is a problem with your registration. All registrations are accepted on a first come, first served basis until the course maximum is reached. Registrants in excess of the maximum will be offered the option of registering for another course or a refund. Cool School reserves the right to cancel any course that fails to meet the minimum enrollment. Resident fees (\$45 per student per class) apply to those who live in Royersford or Spring City Boroughs, Limerick or Upper Providence Townships, or those who attend a school within the boundaries of Spring-Ford Area School District. All others must pay the nonresident fee (\$55 per student per class). Some classes may charge a \$5 materials fee. All class fees increase \$5 after May 1, 2017.

For more information, call 610-705-6210.

REFUND POLICY: Courses canceled by Cool School are subject to a full refund.

Attendee initiated withdrawal: Requests for withdrawal and a refund must be submitted at least seven days prior to the start of any course/session. A full refund minus a \$5 handling fee will be issued. A request for a refund must be made to CoolSchool@spring-ford.net, even for registrations that are canceled online. No refunds will be issued for withdrawal requests made less than seven days prior to the start of a course, or after the course starts. No refunds are given for missed classes or courses.

CANCELLATIONS: If it is necessary to close the school due to inclement weather or other reasons, any Cool School classes being held are also canceled. Reasonable attempts will be made to reschedule such classes.

I understand the nature and scope of the activity chosen and that there are risks and dangers associated with the activity. I understand that the safety of participants with respect to this activity is not guaranteed by the Spring-Ford Area School District, its respective representatives, board members, officers, employees, agents, instructors or volunteers. I understand that each participant has a responsibility to exercise due care in the performance of the activity for the safety of him/herself and other participants. I understand that it is the responsibility of the participant to provide him/herself with accident or medical insurance.

In the consideration of the participant being permitted to enroll in this activity, I hereby release, indemnify and hold harmless the Spring-Ford Area School District and all their respective representatives, officers, employees, agents, instructors and volunteers from any and all claims, demands, costs, charges and expenses for harm, injury, damage or loss to persons or property which may be sustained by the participant(s) as a result of relating to or arising out of participation in this activity.

In witness thereof, and intending to be legally bound hereby, I have indicated my approval of this Liability Release on my own free action.
