

NAME: _____

AP Psychology Summer 2017 Assignment Instructions

The following packet is designed to give you an overview of some of the topics we will be covering in AP Psychology class. You will be expected to complete a portion of the beginning of the year activities on your own. Be sure to read all of the assigned textbook pages and watch all of the videos and/or PowerPoint assignments thoroughly. You will be tested on the information during the first week of school. In addition, you will be graded on the attached assignments. This packet is due the first day of class as you enter my room.

Late packets WILL NOT be accepted!!

Please join the AP Psychology Google Classroom by using the following code:
r65dgk

Have a wonderful summer – I look forward to having you in my class next year!

~ Mrs. Miscavage

Here is a list of items you will need for class next year. Please purchase them before the first day of school. You will need some items to complete this summer assignment.

1. 1-2 inch three ring binder or folder with clips solely dedicated to AP Psychology
2. Spiral notebook for class lecture notes/reading notes
3. Blue and/or black pens
4. #2 pencils
5. Highlighter (choose your favorite color)
6. Barron's AP Psychology Prep Book (This is optional but former students highly recommend purchasing one to supplement our text. If you are planning on taking the exam in May it is an amazing study tool that I highly recommend!)
7. Barron's AP Psychology Flash Cards (This is optional but former students highly recommend purchasing one to supplement our text. If you are planning on taking the exam in May it is an amazing study tool that I highly recommend!)
8. Earbuds/Headphones – we are part of the modernized learning program and you will need them to watch videos, etc. in class on the laptops.

NAME: _____

2017 Summer Assignment Checklist

Use this list to make sure you have everything you need for the first day of school. Failure to do so not only makes a bad impression, it will also affect your first marking period grade!

1. Summer Assignment Packet is complete and ready to turn in on the first day of school.
 - Student Information Assignment
 - Chapter One Vocabulary
 - Crash Course Video Assignment

2. Unit one assignments are complete.
 - Classroom Rules & Guidelines: signed by you and your parents
 - Due first day of school
 - Chapter One Reading Notes: either in your class lecture/reading notes notebook or your printed study guide from the summer assignment Google Classroom
 - Due during first week of school (possibly day one – don't procrastinate!)
 - History of Psychology Lecture Notes: take these in your class lecture/reading notes notebook
 - Due during first week of school (possibly day one – don't procrastinate!)

3. Flat Freud Assignment
 - Pictures with captions are printed out **in color**. (No excuses please – my printer didn't work, etc.)
 - You can put them all on the same page or on multiple pages. It's up to you!
 - Due first day of school

NAME: _____

Student Information Assignment:

In order to help me learn about you and your interests, I would appreciate it if you would take a few minutes and let me know a little about yourself.

The name you would like me to call you: _____

Your birthday: _____

Who makes up your family? (mom, dad, guardians, siblings) Did I have your brother/sister in class?

Favorite school subject: _____

Least Favorite: _____

Last year's teacher and grade average in social studies class (if applicable):

Teacher: _____ Grade Average: _____

What do you want to be when you grow up?

What are your strengths as a student?

What gives you the most trouble in social studies class, if anything?

What are your hobbies/interests outside of school?

NAME: _____

Do you have a job? If yes, where do you work?

What is something you would really like to do in psychology class this year?

What are some of your concerns about AP Psychology class?

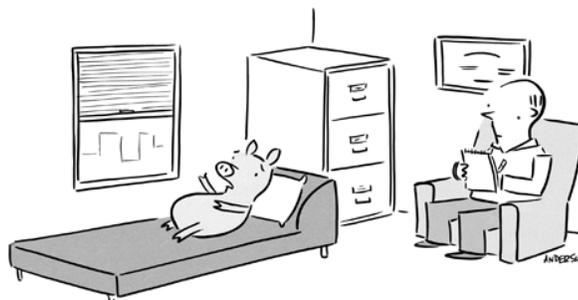

Unit One Assignments

We need to get a head start on unit one before school starts. Therefore, I need you to complete the following assignments before the first day of school. I will send you the link to the video lectures via email. Please make sure you receive them before the end of the 2016-2017 school year. If you do not hear from me it means I do not have a correct email address for you – please email me and I will send them to you.

1. Classroom Rules and Guidelines: Please read the attached rules and guidelines and watch the video lecture of my explanation about them. (The video lecture link will be sent to you via email and posted in the Google Classroom.) In addition, have your parents read the rules and their letter. Your signed portion of the rules and your signed parent letter are due the first day of class. We will have a quiz about the rules on the first day of class.
2. Chapter One Vocabulary: Use your textbook to complete this assignment. (see following pages for assignment) *If you signed up over the summer for the course and do not have a textbook, the glossary and chapter one are available on the summer assignment Google Classroom.*
3. Read and note chapter one of the textbook. You may use the chapter one study guide posted in the summer assignment Google Classroom or take your own notes. *If you signed up over the summer for the course and do not have a textbook, the glossary and chapter one are available in the summer assignment Google Classroom.*
4. History of Psychology Lecture: Listen to this lecture and take your own notes. (The video lecture link will be sent to you via email and posted in the Google Classroom.) These will be checked the first week of school.

"So I'm walking home and for no reason I just start crying uncontrollably. Wee! Wee! Wee!"

NAME: _____

Crash Course Video Assignment

Step One: Go to YouTube and watch the video titled “Intro to Psychology – Crash Course Psychology #1.”

Step Two: After watching the video, please answer the following questions.

1. How is the new definition of psychology different from the old definition of psychology?
2. What question are you most interested in answering this year in AP Psychology class?
3. Define the following perspectives and identify an important person associated with them.

<u>Perspective</u>	<u>Definition</u>	<u>Person/People</u>
Structuralism		
Functionalism		
Psychoanalysis		

4. How do the pictures in the background relate to the topics in the video?
5. What do the behaviorists study? Who is associated with this approach? How does it differ from the psychoanalytic perspective?

NAME: _____

“Flat Freud” Assignment

Sigmund Freud is your travel companion this summer! Take him with you when you do anything fun this summer and take pictures. Here are some guidelines to help you complete this portion of the summer assignment.

1. Cut out Flat Freud from the page provided to you. (Coloring him is optional.)
2. Take Flat Freud with you on vacation, day trips to the beach, work, or whenever you do interesting stuff this summer.
3. Take a picture with “Flat Freud” at a **minimum** of three locations. You may take more if you would like to earn extra credit for your summer assignment exam. (A maximum of five extra credit points will be awarded.)
4. Write a caption explaining your adventure. Add how the experience affected you (and Flat Freud) psychologically. Be creative - - making me laugh gets you a better grade. 😊
5. If you have a Twitter account, please use #FlatFreud and tag me @SFsmisc.
6. Print your pictures with captions (in color please) and bring them with you on the first day of school.

Example:

Flat Freud and I fed some donkeys. He commented about the one’s impulsive id (a personality term) after it “goosed” me while trying to feed the other one!
