WMCTC

Dressler, Heine, Zasowski 1st Mon. 7:00 p.m.

Mrs. Zasowski reported that the Joint Operating Committee met on September 10, 2018 and that the start of the school year was going well. She advised that the Western Center will be hosting a Boy Scout merit badge college in offering over 17 different merit badges for scouts on October 20th. The Western Center will also be hosting their 3rd Annual Girls’ Night Out which helps market non-traditional programming to young women within the district’s that send students there. Mrs. Zasowski reported that there will be an Open House on December 5th and that this is a big recruitment event for WMCTC and the online application window opens on October 1st. Mrs. Zasowski advised that the Western Center just reached an agreement with Montgomery County Community College where students in certain classes can earn up to 25 college credits combining their NOCTI scores, industry certifications earned and dual enrollment credits. The details on the dual enrollment classes being offered at WMCTC are being ironed out. The Western Center received a donation of a forklift which will now be available to offer another industry credential to students. Mrs. Zasowski advised that there was also a donation of a tri-axle as well as a backhoe. She commented that after the first two weeks of school the enrollment is at 552 with 222 coming from Spring-Ford. Mrs. Zasowski stated that the focus is on moving from good to great and with this in mind they have implemented at the end of each quarter and at the end of each year a Gold Standard of Teaching Award which will be given out to the teachers that are really doing an excellent job.

A question was raised on how it is determined what programs are targeted as non-traditional programs for female students. Mrs. Zasowski did not know the percentages but indicated that she would ask Mr. Moritzen. Dr. Dressler added that the Girl’s Night Out highlights the non-traditional fields such as auto repair, carpentry and thing like that which have not attracted female students and the hope is to introduce them to the possibilities of careers in those fields.

PSBA Liaison

Dr. Edward Dressler

Dr. Dressler reported that PSBA is very much in favor of getting public behind Senate Bill 1095 which revised Pennsylvania’s one size fits all mandate to pass 3 Keystone Exams to receive a diploma. SB 1095 establishes multiple rigorous pathways to demonstrate college and career readiness. Dr. Dressler added that the bill has passed out of Senate and is now in the House Education Committee. Mrs. Melton informed that it had passed the House Education Committee this morning and is now onto the full House. Dr. Dressler commented that it now needs to pass the full House. Mrs. Melton stated that there was some language differences and preferences and PSBA as well as the MCIU Legislative Team have been involved with this. Mrs. Melton added that Senate Bill 1095 was a big issue. She commented that House Bill 2574 was being looked at by the House Education Committee and that this bill addresses dress codes for teachers and whether certain provisions in School Code disallowing some clothing with logos might be a violation of a teacher’s first amendment rights. House Bill 1228 regarding sun screen protection was being looked at and pertains to students being permitted to apply sun screen by themselves and a doctor’s note not being required. Mrs. Melton advised that they also discussed School Safety Grants- Part A which is open right now and all applications received will receive a minimum of $25,000.00 during this school year for safety and security. She added that Part B would be a more complex process with a rationale being required as well as a specific dollar
amount. She stated that all applications are due by October 12th. IX. BOARD COMMENT

Mr. DiBello spoke about Bill Racich and the tragic loss to district and the community. He spoke of how devastated everyone was upon hearing the news of Bill’s passing. Mr. DiBello asked for a moment of silence in remembrance of Bill Racich.

Mr. Dehnert spoke about the passing of Ginny Prevost and the impact she had on the district and community. He urged everyone to consider attending a beef and beverage fundraiser to benefit the Royersford Elementary Home and School Association as well as make a donation towards a scholarship in Ms. Prevost memory that will be presented to a student from Royersford Elementary.
Mr. Dehnert commented that we continually say we want to be the top school district in the state and he stated that if we are serious about that then we need to determine what the metrics are for that goal and then set ways to achieve that. Mr. Dehnert felt that they should work on this during the upcoming school year so that next year we will have the Superintendent/District objectives for reaching that goal. Mr. Dehnert also felt that he would like to see students educated in investing, loans and all aspects regarding this so that students have an understanding of this when they get out of high school.

Mrs. Zasowski spoke about the Homecoming Parade this coming Saturday. She advised the Board that she has secured a trailer that will hold all Board Members. She asked the Board Members to let her know who will be coming and participating in the parade. She advised and invited the public to attend a SNAP Fundraiser that is sponsored by Caldwell Banker that will take place on October 13th at 7:00 PM in her barn with tickets available for purchase at the door for $25.

PUBLIC TO BE HEARD

Melissa Dougherty, Collegeville, expressed that she is here with a couple of friends and they have concerns over sending children to Pope John Paul (PJP) Catholic High School and the time the students are on the bus. She stated that she lives 2 miles from the school but her child is on the bus 50 minutes. Mrs. Dougherty commented that they pay tax dollars and felt that they should be allocated a direct bus to school.

Dr. Goodin replied that there was not just one PJP bus but that the morning run for students is for them to get on the bus with the Spring-Ford students and be taken to the high school where then 2 busses transport all of the PJP students to school. He stated that for the afternoon run there are 3 busses dedicated to go to PJP and pick up the students and run them home. Dr. Goodin advised that it was not efficient for the district to run every bus in the morning to directly take the PJP students to school. He stated that the district is trying to be as efficient as it can be.

Mrs. Dougherty felt that the afternoon runs should be run in the morning as well and added that the students were suffering with having to be on a bus for 50 minutes. She disagreed with Dr. Goodin’s comment about the bus schedule being efficient. He reported that the district strives to keep bus routes the same for all students not just PJP and that is to keep them under an hour. Mrs. Dougherty stated that she had a petition that 75 people had signed and she provided that petition to the Board Secretary.

Andreina Erwin, Linfield, asked if HR Bill 610 passes as we will be defunded and a lot of our teachers will have to leave because the money will be used for vouchers and for public school.

Mr. DiBello replied that the Board has talked about this for 3 years and they have asked the community to be involved and contact their legislators. Mrs. Erwin felt the Board was the district representatives. Mr. DiBello stated that they have gone to Harrisburg and talked about this but the public needs to get involved and contact their legislators. Mrs. Erwin did not feel that the legislators and Mr. DiBello said the Board has received the same lack of response.

Mrs. Melton advised that she viewed a presentation from the Bethlehem School District that indicated that when the Board passes a resolution the legislators chalk it up to it just being a school board but if the public gets involved then the legislators are more apt to listen.
Mrs. Erwin felt the Board should be doing more to get the public involved and the Board felt that they had tried and have urged the public to get involved. Both sides agreed that it must be a joint effort and that they need to get bills in place for the benefit of everyone.

Mrs. Erwin next asked how to make dual enrollment more attractive to parents and students. Mrs. Heine indicated that dual enrollment is talked about during the course selection process and during the parent/student course selection evening. Mrs. Heine stated that students are taking more advanced placement courses rather than dual enrollment courses. She spoke of the Global Studies Program the district embarked on with Arcadia University but that it is a struggle to get kids to start and stay in the program.

Nandini commented that the AP courses offer more variety and also they are held at the high school rather than have to travel off-site for a dual enrollment course.

Mrs. Erwin agreed that variety was at a minimum with dual enrollment courses. She did not feel the presentation was done well and that parents had to figure out how to jump through hoops to get their students

Mrs. Heine stated that she did not feel that Mrs. Erwin was talking about dual enrollment but rather independent study.

Mr. DiBello commented that he believed she was referring to students who have enough high school credits that they could start earning college credits. He said this is not dual enrollment but rather that the students can start going to college while still in high school. He felt that this was something the Curriculum Committee could look into in order to see if it would be possible to move closer to this goal.

Mrs. Erwin volunteered her time to help with this and Mr. DiBello invited her to come out to a Curriculum Committee meeting.

XI. ADJOURNMENT
Mr. Dehnert made a motion to adjourn and Mrs. Melton seconded it. The motion passed 8-0. The meeting adjourned at 8:32 p.m.

II. BOARD AND COMMITTEE REPORTS

Property Committee Thomas J. DiBello 2nd Tues. 7:30 p.m.
Mr. DiBello reported on the Finance Committee meeting held on August 14, 2018. The minutes from this meeting will be posted on the district website once available and approved at the committee level.

Asst. Superintendent Rpt. Dr. Allyn J. Roche
Dr. Roche reported that he wanted to provide further explanation on a motion that is on the agenda. He spoke about the contract with the Montgomery County Regional Mental Health Services agency for training on Question, Persuade and Refer (QPR) for our entire 9th grade student body taking place in September. He explained that there is no cost for the trainers as this is either covered by the County and/or from volunteer presenters that are trained as QPR trainers. The only cost will be for the training materials that will be given to each student. Dr. Roche advised that additional QPR trainings will take place for faculty, staff and students during the school year and that there are two dates planned for parent and community trainings during the 2018-2019 school year; the first of which is Thursday September 27th. Dr. Roche reported that September is National Suicide Prevention Month and this training is only one part of a
multifaceted K-12 district-wide mental health and social-emotional support plans that are taking place at Spring-Ford. He advised that there will also be pro-social programs at our elementary and middle schools, Avidum student clubs at the middle and high school and training and that programming has taken place for many years at all of our schools on Resiliency. Dr. Roche next reported that they are finishing up a review of our curriculum to include mental health components vertically through our district, included in specific courses as well as be more direct with some of our assembly and speakers to our students. He added that also in 2018-19, the District will be a part of a consortium of schools working with the Chester County Intermediate Unit on looking to increase our supports and programming towards a stronger support system for students in the area of social and emotional learning; including trying to quantify and have data to support and describe the positive impact that this work has on our community. Dr. Roche commented that he has begun to work with many local contacts in the area including parents, community members, local agencies and just today a contact with the Mayor of Royersford. He stated that this is not just a Spring-Ford Area School District concern but it is an entire community issue.

**Solicitor’s Report**

Mr. Fitzgerald reported that he wanted to clarify an issue that came up today regarding PDE’s guidance on Act 55 of 2017. He stated that this was a change in the School Code requiring all newly elected and appointed school board officials and charter school trustees to complete a series of ongoing trainings. He added that there will be additional guidance regarding this issue. Mr. Fitzgerald advised that 8 of the 9 school board members would not have to do any training until such time that they would be re-elected. Mr. Fitzgerald added that with regards to the district’s one appointed Board Member, Mrs. Spletzer, his interpretation is that since her appointment occurred prior to July 1st she also will not have to go through the training until such time that she would be re-elected. He advised that all future board members would be required to complete the training.

XII. **PUBLIC TO BE HEARD**
Zachary Laurie, Limerick, reported that he is resident of Limerick but was here in his capacity as the President of the Spring-Ford Education Association. Mr. Laurie stated that he was here to read a statement from Kevin Bean and reminded everyone that he is
speaking on behalf of Mr. Bean so anywhere in the statement where he reads the word “I” it is Kevin speaking and not he, Zachary Laurie. Mr. Laurie read the following statement:

“Good evening. Thank you to the school board, administration, and Spring-Ford community for your ongoing efforts to support our students. Thank you, as well, to you the SFEA for speaking on my behalf.

I have had the honor and privilege of serving the Spring-Ford Area School District as a 6th grade teacher for 14 years. I have served my school by being a member of the Resiliency committee, being a “Faculty Friend” to students, supervising the Chess Club, and playing the drums for school concerts and assemblies. I’ve also had the honor of receiving the “Senior Impact Award” multiple times from former students.

Wrestling was a boyhood dream for me. During my time as a professional wrestler I have portrayed many characters, most recently I was cast as a “bad guy.”

The sensationalized character and person the media has accused me to be is misleading. I do not believe in or support the philosophies of anti-Semitism or hate groups in any way. The individuals who know me only through media coverage may believe this “bad guy” character represents me personally, and this is not the case. I am truly remorseful for the pain and discomfort it has brought to these people, as that was never my intent.

I would like to clarify three specific points:

- First, this character no longer exists, nor will the character return at any point in the future.
- Second, presently, I am not wrestling. I am focusing my energies on my growing family and a successful school year.
- Third, wrestling is not something I plan to discuss in the classroom or at any time in the school setting.

My personal values align with those of Spring-Ford Area School District.

I sincerely apologize to the members of Spring-Ford community. I extend my thanks to those who have shown support, and hope to regain the trust of those who I offended.”

has been a request that school boards support Senate Bill 1098 to install cameras on busses to record violators who do not stop when busses have their stop arm extended. Dr. Dressler reported that the installation of the cameras would supposedly be paid for by the fines assessed to those violators.

Board discussion took place on the cost until the fines caught up, how this would work for us since we outsource our bussing to Custer’s and how the violations would be processed through the legal system.

Legislative Committee    Christina Melton     3rd Weds. 7:30 p.m.
Mrs. Melton reported that the PA School Funding lawsuit is moving forward. She advised that Act 55 of 2017 made significant changes to the School Code one with regards to Section 1337 – School Food Program, which stated that students cannot be denied a meal and it must be the same meal that is offered to all other students. Mrs. Melton stated that clarification came out from PDE regarding school director training. Mrs. Melton spoke about additional changes to the School Code with regards to Act 39 and Act 44. She reported that fire and evacuation drills are required to be conducted one in the first 90 days of the school year. She added that there will also be a mandatory three hour online employee training every five years to address safety and security as well as situational awareness. Mrs. Melton advised that the approval and purchase of textbooks is no longer limited to a certain time of year and when there are opportunities to purchase a district is permitted to do so. Lastly, she reported that the use of Keystone Exams as a graduation requirement has been delayed until the 2020-2021 school year.

2. Policy #906 – COMMUNITY: Public Complaint Procedures (Attachment A5)

B. The Board appointed Thomas DiBello, Dr. Edward Dressler and Clinton Jackson to serve as the district’s 3 voting delegates for the 2018 Delegate Assembly. This year’s assembly will be held on Friday, October 19, 2018 in conjunction with the PASA-PSBA School Leadership Conference.

C. The Board gave approval for Yvonne O’Dea (High School Choir Director) and Joseph Perry (Middle School Choir Director) to take the High School Vocal Ensemble to perform at Carnegie Hall in New York City from April 10, 2019 through April 13, 2019. In addition, students will have the opportunity to attend workshops with professional clinicians. The High School Vocal Ensemble will be travelling by chartered bus and staying at a hotel in New York City. The cost of the trip shall not exceed $775.00 per person. The Spring-Ford Music Association and staff will conduct fundraising events to help defray the costs. Students will miss three days of school and will be responsible for making up any missed work. The total cost to the district is $1,152.00 for three days each of substitute coverage for Mrs. O’Dea and Mr. Perry.

D. The Board gave approval for all Fall Athletic Teams/Individuals that qualify for post-season play to be granted permission for overnight travel, when deemed necessary by the Athletic Department, and approved by the Superintendent or their Designee. The School Board will be notified of this travel and Board approval will be sought at the next scheduled Board meeting. Funding will be paid from the Athletic Budget.

X. BOARD COMMENT

Mr. Dehnert stated that with the appointment of the new safety and security person he would like to have a goal added for the district for this school year to include a presentation in executive session addressing the security assessment we had from the outside firm. He added that he would like to see a review of what our vulnerabilities and risks are and how we are planning on addressing them going forward.

Mr. DiBello agreed and asked Dr. Goodin to let the Board know when a presentation can be made to the Board during an executive session. He suggested that a five-year security plan be laid out in the presentation.

Mr. DiBello addressed the public present tonight saying they moved quickly through the agenda but wanted to assure everyone that many of the motions on the agenda are reviewed and discussed at the committee meetings. He advised that the minutes from the committee meetings are available online. He also asked those members of the public looking to speak tonight to keep their comments to a three minute maximum and reminded them that they must live in the district in order to speak.

Mrs. Melton commented that she loved seeing all of the student back to school pictures that have been posted on the District’s Facebook page.
XI. PUBLIC TO BE HEARD

Zachary Laurie, Limerick, reported that he is resident of Limerick but was here in his capacity as the President of the Spring-Ford Education Association. Mr. Laurie read a statement written by Mr. Kevin Bean.

Nettie Wolfe-Silva – Limerick Township
Korlu Ezike – Upper Providence Township
Karisma Gilmore – Upper Providence Township
Lyndse Olenoski – Upper Providence Township
Nancy Quain – Limerick Township
Sal Addalli, Upper Providence Township, spoke about his support for having teachers armed with guns in the classroom. He did not feel that throwing objects at an intruder or hiding in a classroom were the best options. Mr. Addalli also expressed that he felt that putting cameras on busses was a waste of money and that it would not deter drivers from travelling past busses that were stopped for loading or unloading students.

Dr. Goodin thanked everyone who came out and spoke at the meeting. He addressed the diversity comments saying that this is something that the district and the Human Resource Department are actively working on through staff training and in our hiring practices. He also added that he works with a committee on anti-bullying and that no student or family should fear or have a concern about retaliation if they report an incident. He promised that the district will continue to have dialogue and work on these issues in order to best meet the needs of all of our students.

Mr. DiBello commented that there are many programs already in place and that the district will do our best to try to meet all student needs. He advised that the district takes this very seriously. He encouraged parent involvement and for them to continue to come out to the board meetings as our goal is to be the top district in Pennsylvania. Mr. DiBello stated that if a bullying situation occurs then it needs to be addressed immediately. He urged parents that if they were not getting results by dealing with the building administration that they should contact the Superintendent’s Office as this is taken very seriously. He added that the issues cannot be addressed if administration is not made aware of it. Mr. DiBello advised everyone that all comments are always welcome.

XII. ADJOURNMENT
Mrs. Melton made a motion to adjourn and Mr. Jackson seconded it. The motion passed 9-0. The meeting adjourned at 9:22 p.m.

Respectfully submitted,

Diane M. Fern
School Board Secretary

104. NONDISCRIMINATION IN EMPLOYMENT PRACTICES

1. Authority
The Board declares it to be the policy of this district to provide to all persons equal access to all categories of employment in this district, regardless of race, color, age, creed, religion, sex, sexual orientation, ancestry, national origin, marital status, genetic information, pregnancy or handicap/disability. The district shall make reasonable accommodations for identified physical and mental impairments that constitute disabilities, consistent with the requirements of federal and state laws and regulations.[1][2][3][4][5][6][7][8][9][10][11][12][13]

The Board encourages employees and third parties who believe they or others have been subject to discrimination to promptly report such incidents to designated employees.

The Board directs that verbal and written complaints of discrimination shall be investigated promptly, and appropriate corrective action be taken when allegations are substantiated. The Board directs that any complaint of discrimination brought pursuant to this policy shall also be reviewed for conduct which may not be proven discriminatory under this policy but merits review and possible action under other Board policies.

Confidentiality
Confidentiality of all parties, witnesses, the allegations, the filing of a complaint, and the investigation shall be handled in accordance with this policy and the district's legal and investigative obligations.

Retaliation
The Board prohibits retaliation against any person for making a report of discrimination or participating in a related investigation or hearing, or opposing practices the person reasonably believes to be discriminatory. A complaint of retaliation shall be handled in the same manner as a complaint of discrimination.
2. Definitions

**Discriminatory Harassment**

Harassment by students, employees or third parties on the basis of race, color, age, creed, religion, sex, sexual orientation, ancestry, national origin, marital status, genetic information, pregnancy or handicap/disability is a form of discrimination and is subject to this policy. A person who is not necessarily an intended victim or target of such harassment but is adversely affected by the offensive conduct may file a report of discrimination on his/her own behalf.[8][15][16][17][18][19]

For purposes of this policy, harassment shall consist of unwelcome conduct such as graphic, written, electronic, verbal or nonverbal acts including offensive jokes, slurs, epithets and name-calling, ridicule or mockery, insults or put-downs, offensive objects or pictures, physical assaults or threats, intimidation, or other conduct that may be harmful or humiliating or interfere with a person’s work performance and which relates to an individual's or group’s race, color, age, creed, religion, sex, sexual orientation, ancestry, national origin, marital status, genetic information, pregnancy or handicap/disability when such conduct is:

1. Sufficiently severe, persistent or pervasive; and

2. A reasonable person in the complainant’s position would find that it creates an intimidating, threatening or abusive work environment such that it deprives or adversely interferes with or limits an individual or group of the ability to participate in or benefit from the services, activities or opportunities offered by a school.

**Sexual Harassment**

Sexual Harassment is a form of discrimination on the basis of sex and is subject to this policy.

For purposes of this policy, sexual harassment shall consist of unwelcome sexual advances; requests for sexual favors; and other inappropriate verbal, nonverbal, written, electronic, graphic or physical conduct of a sexual nature when:

1. Submission to such conduct is made explicitly or implicitly a term or condition of an employee’s status; or

2. Submission to or rejection of such conduct is used as the basis for employment-related decisions affecting an employee; or

3. Such conduct is sufficiently severe, persistent or pervasive that a reasonable person in the complainant’s position would find that it unreasonably interferes with the complainant’s performance at work or otherwise creates an intimidating, hostile, or offensive working environment such that it alters the complainant’s working conditions.
### 3. Delegation of Responsibility

In order to maintain a program of nondiscrimination practices that is in compliance with applicable laws and regulations, the Board designates the Human Resources Director as the district's Compliance Officer. All nondiscrimination notices or information shall include the position, office address, telephone number and email address of the Compliance Officer.

The Compliance Officer shall publish and disseminate this policy and complaint procedure at least annually to students, parents/guardians, employees and the public to notify them of where and how to initiate complaints under this policy.

The Compliance Officer shall be responsible to ensure adequate nondiscrimination procedures are in place, to recommend new procedures or modifications to procedures and to monitor the implementation of nondiscrimination procedures in the following areas:

1. Review - Review of personnel practices and actions for discriminatory bias and compliance with laws against discrimination to include monitoring and recommending corrective measures when appropriate to written position qualifications, job descriptions and essential job functions; recruitment materials and practices; procedures for screening applicants; application and interviewing practices for hiring and promotions; district designed performance evaluations; review of planned employee demotions, non-renewal of contracts, and proposed employee disciplinary actions up to and including termination.

2. Training - Provision of training for supervisors and staff to prevent, identify and alleviate problems of employment discrimination.

3. Resources - Maintain and provide information to staff on resources available to alleged victims in addition to the school complaint procedure such as making reports to the police, available assistance from domestic violence or rape crisis programs, and community health resources including counseling resources.

4. Complaints - Monitor and provide technical assistance to building principals or designees in processing complaints.

5. Following the completion of any applicable investigations and appeals as noted in the below Appeals Procedures, the Compliance Officer shall promptly report to the school board any credible violations that may lead to criminal charges and/or legal action against the school district. Any information provided by the Compliance Officer to the school board must done in a manner which will preserve the individual(s) rights to due process.
The building principal or supervisor shall be responsible to promptly complete the following duties upon receipt of a report of discrimination or retaliation from employees or third parties:

1. If the building principal or supervisor is the subject of the complaint, refer the complainant to the Compliance Officer to carry out these responsibilities.

2. Inform the employee or third party about this policy including the right to an investigation of both verbal and written complaints of discrimination.

3. Provide relevant information on resources available in addition to the school complaint procedure such as making reports to the police, available assistance from domestic violence and rape crisis programs, and community health resources including counseling resources.

4. Immediately notify the Compliance Officer of the complaint. The Compliance Officer shall assess whether the investigation should be conducted by the building principal, another employee, the Compliance Officer or an attorney and shall promptly assign the investigation to that individual.

5. After consideration of the allegations and in consultation with the Compliance Officer and other appropriate individuals, promptly implement interim measures as appropriate to protect the complainant and others.

4. Guidelines

Complaint Procedure – Employee/Third Party

Step 1 – Reporting

An employee or third party who believes s/he has been subject to conduct by any student, employee or third party that constitutes a violation of this policy is encouraged to immediately report the matter to the building principal or supervisor. Any person with knowledge of conduct which may violate this policy, is encouraged to immediately report the matter to the building principal or supervisor.

If the building principal or supervisor is the subject of a complaint, the employee or third party shall report the incident directly to the Compliance Officer. The complainant or reporting employee may be encouraged to use the district’s report form, available from the building principal, supervisor or Compliance Officer, or to put the complaint in writing; however, oral complaints shall be accepted, documented and the procedures of this policy implemented. The person accepting the verbal or written complaint may provide factual information on the complaint and the investigative process, the impact of choosing to seek confidentiality and the right to file criminal charges. In all other respects, the person accepting the complaint shall handle the report objectively, neutrally and professionally, setting
aside personal biases that might favor or disfavor the complainant or those accused of a violation of this policy.

**Step 2 – Investigation**

Where an attorney is not used to conduct an investigation into a discrimination complaint, only individuals who have received basic training on the applicable law, this policy and how to conduct a discrimination investigation shall be authorized to conduct an investigation of a complaint made pursuant to this policy.

The investigator shall work with the Compliance Officer to assess the anticipated scope of the investigation, who needs to be interviewed and what records may be relevant to the investigation.

The investigator shall conduct an adequate, reliable and impartial investigation. The complainant and the accused shall be provided the opportunity to present witnesses and other evidence during the course of the investigation. When the initial complaint involves allegations relating to conduct which took place outside of school or school-sponsored activities, the investigation may include inquiries related to these allegations to determine whether they resulted in continuing effects such as harassment in school settings.

The investigation may consist of individual interviews with the complainant, the accused, and others with knowledge relative to the allegations. The investigator may also evaluate any other information and materials relevant to the investigation. The person reporting the alleged discrimination, parties, parents/guardians and witnesses shall be informed of the prohibition against retaliation for anyone’s participation in the process and that conduct believed to be retaliatory should be reported. All individuals providing statements or other information or participating in the investigation shall be instructed to keep the matter confidential and to report any concerns about confidentiality to the investigator.

If the investigation reveals that the conduct being investigated may involve a violation of criminal law, the investigator shall promptly notify the Compliance Officer, who shall promptly inform law enforcement authorities about the allegations.

The obligation to conduct this investigation shall not be negated by the fact that a criminal or child protective services investigation of the allegations is pending or has been concluded. The investigator should coordinate with any other ongoing investigations of the allegations, including agreeing to requests for a short delay in fulfilling the district’s investigative responsibilities during the fact-finding portion of a criminal or child protective services investigation. Such delays shall not extend beyond the time necessary to prevent interference with or disruption of the criminal or child protective services investigation.
Step 3 – Investigative Report

The investigator shall prepare and submit a written report to the Compliance Officer within twenty (20) days of the initial report of alleged discrimination, unless the nature of the allegations, anticipated extent of the investigation or the availability of witnesses requires the investigator and the Compliance Officer to establish a different due date. The parties shall be notified of the anticipated date the investigative report will be completed and of any changes to the anticipated due date during the course of the investigation.

The report shall include a summary of the investigation, a determination of whether the complaint has been substantiated as factual, the information and evaluation that formed the basis for this determination, whether the conduct violated this policy and any other violation of law or Board policy which may warrant further district action, and a recommended disposition of the complaint. An investigation into discriminatory harassment or sexual harassment shall consider the record as a whole and the totality of circumstances in determining whether a violation of this policy has occurred, recognizing that persistent and pervasive conduct, when taken together, may be a violation even when the separate incidents are not severe.

The complainant and the accused shall be informed of the outcome of the investigation, including the recommended disposition within a reasonable time of the submission of the written report. The accused shall not be notified of the individual remedies offered or provided to the complainant.

Step 4 – District Action

If the investigation results in a finding that some or all of the allegations of the complaint are established and constitute a violation of this policy, the district shall take prompt, corrective action designed to ensure that such conduct ceases and that no retaliation occurs. The district shall promptly take appropriate steps to prevent the recurrence of the prohibited conduct and to address the discriminatory effect the prohibited conduct had on the complainant and the school or school program environment. District staff shall document the corrective action taken and, where not prohibited by law, inform the complainant. The Compliance Officer shall follow up by assessing the effectiveness of the corrective action at reasonable intervals.

If an investigation results in a finding that a different law or Board policy was violated separately from or in addition to violations of this policy, or that there are circumstances warranting further action, such matters shall be addressed at the conclusion of this investigation or through disciplinary or other appropriate referrals where further evaluation or investigation is necessary.

Disciplinary actions shall be consistent with Board policies and administrative
regulations, district procedures, applicable collective bargaining agreements, and state and federal laws.

**Appeal Procedure**

1. If the complainant or the accused is not satisfied with a finding made pursuant to the policy or with recommended corrective action, s/he may submit a written appeal to the Compliance Officer within fifteen (15) days. If the Compliance Officer investigated the complaint, such appeal shall be made to the Superintendent.

2. The individual receiving the appeal shall review the investigation and the investigative report and may also conduct or designate another person to conduct a reasonable supplemental investigation to assess the sufficiency and propriety of the prior investigation.

3. The person handling the appeal shall prepare a written response to the appeal within twenty (20) days. Copies of the response shall be provided to the complainant, the accused and the investigator who conducted the initial investigation.

**Reporting Procedures**

School employees, independent contractors or volunteers who suspect child abuse shall immediately make a written report of suspected child abuse using electronic technologies ([www.compass.state.pa.us/cwis](http://www.compass.state.pa.us/cwis)) or an oral report via the statewide toll-free telephone number (1-800-932-0313). A person making an initial oral report of suspected child abuse must also submit a written...
electronic report within forty-eight (48) hours after the oral report. Upon receipt of an electronic report, the electronic reporting system will automatically respond with a confirmation, providing the district with a written record of the report.

A school employee, independent contractor or volunteer who makes a report of suspected child abuse shall immediately, after making the initial report, notify the school principal and if the initial report was made electronically, also provide the principal with a copy of the report confirmation. The school principal shall then immediately notify the Superintendent or designee that a child abuse report has been made and if the initial report was made electronically, also provide a copy of the report confirmation.

When a report of suspected child abuse is made by a school employee, independent contractor or volunteer as required by law, the school district is not required to make more than one (1) report. An individual otherwise required to make a report who is aware that an initial report has already been made by a school employee, independent contractor or volunteer is not required to make an additional report. The person making an initial oral report is responsible for making the follow-up written electronic report within forty-eight (48) hours, and shall provide the school principal with a copy of the report confirmation promptly after the written electronic report has been filed. The principal shall in turn provide a copy of the report confirmation to the Superintendent or designee.

When necessary to preserve potential evidence of suspected child abuse, a school employee may, after the initial report is made, take or cause to be taken photographs of the child who is the subject of the report. Any such photographs shall be sent to the county agency at the time the written report is sent or within forty-eight (48) hours after a report is made by electronic technologies or as soon thereafter as possible. The school principal shall be notified whenever such photographs are taken.

If the Superintendent or designee reasonably suspects that conduct being reported involves an incident required to be reported under the Safe Schools Act, the Superintendent or designee shall inform local law enforcement, in accordance with applicable law, regulations and Board policy.

Investigation

The school principal shall facilitate the cooperation with the Department of Human Services of the Commonwealth or the county agency investigating a report of suspected child abuse, including permitting authorized personnel to interview the child while in attendance at school.
Upon notification that an investigation involves suspected child abuse by a school employee, the principal shall immediately implement a plan of supervision or alternative arrangement that has been approved by the Superintendent for the school employee under investigation. The plan of supervision or alternative arrangement shall be submitted to the county agency for approval.
