## Spring-Ford Seventh Grade Center's Homework Club

Dear Parents and Guardians,

This letter is to inform you that our after school homework club begins On Monday, September 16th. It will run every Monday and Wednesday in computer lab E264 from the second run bell until 4:00 PM unless otherwise announced. The main objective of our program is to provide a quiet place to complete homework and/or have a teacher available should your child have questions related to homework, studying for tests, or completing projects. We hope this time on Monday and Wednesday will help your child develop the skills and habits required to be successful in their academics. This is a quiet place for them to complete assignments as well as receive assistance from a teacher if they need help, clarification, time on a computer, or assistance. The program will be offered every Monday and Wednesday from the conclusion of the school day until 4:00. All students that participate in our after school homework club **must have made prior arrangements to be transported home**. Please complete the form outside of 252 and return to Miss West at least a day before your child would begin. In order to maintain the quiet setting, we do ask that students have work to be completed when they come to Homework Club. **If they have nothing on which to work – They should not come to club.**

If you have any questions, please feel free to contact us.

Sincerely,

Cheryl West

Tara Bologna

Club Advisors

Email: cwest@spring-ford.net; tbolo@spring-ford.net

I agree to attend Homework Club with enough work to keep me occupied for the complete time, and to follow the rules set by the Homework Club instructors.
