

## SFASD PRESENTS 2019 COOL SCHOOL

- The 2019 Cool School Summer Enrichment Program is sponsored by Spring-Ford Area School District.
- Classes are held at the 7th Grade tBuilding, 833 South Lewis Road, unless otherwise noted
- Classes will be held Monday through Thursday
- Classes will be offered during three, one-week sessions:
  - Week 1: June 24 – 27
  - Week 2: July 8 – 11
  - Week 3: July 15 – 18
- Two different time slots:
  - Time A: 8:30 -10:30 a.m.
  - Time B: 10:45 a.m.-12:45 p.m.
- When registering for a class, please note the session. Example: June 24-27, at 8:30 a.m. will be Session 1A.
- Supervision is provided between sessions. Students who are staying should bring a snack.
- Many courses have a \$5 materials fee.
- Cool School Courses are available for students completing grades K-6, depending on description.
- Grade levels are based on the grade completed in June 2019.
- Registrations will be accepted online or with a paper registration.

**COST PER COURSE: \$45 SFASD residents; \$55 non-residents.  
Course fee increases after May 4 to \$50 SFASD residents; \$60 non-residents.**

### SESSION 1A

#### ALL THINGS COMPUTERS, MARK KEHL

SESSION 1A, Grades 2-6

Get your brain thumping this summer! Choose your own adventure and have fun creating your own slideshows, code the computer, exercise your brain with chess, bring your drawings to life with Paint 3D, and even create your own posters with Publisher...PLUS many more options! If you enjoy being creative, playing and working on the computer, this is the class for you! Flex your brain power in this class!

#### COMIC BOOK CREATIONS, HEATHER GARDAN

SESSION 1A, Grades 1-3

Do you love to read about new characters and worlds, or want to learn to create your own? In this Action packed class we will create our own comic books starring you very own original character. This course will teacher you how to create a story, illustrate your own adventure and create a comic book or Zine (mini magazine). *Materials Charge: There is a \$5 charge for supplies.*

#### DODGEBALL, KEITH HEFFNER

SESSION 1A, Grades 3-6

Enjoy one full week of dodge ball games! Try your luck at Serengeti, Dr. Dodge Ball, Deer Hunter, Shoot Out, Freeze Dodge Ball, Super Dodge Ball, Berserker, and more. Prepare to duck, roll, run, and of course – DODGE!

#### EDIBLE CREATIONS, MARIA LENA COTTMAN

SESSION 1A, Grades k-2

If you love to cook as much as me, then we are going to have a sweet time! Learn to make delicious treats that you can share with your friends and family! \*\*Please note that some recipes may contain products processed in a nut factory. *Materials Charge: There is a \$5 charge for supplies.*

#### FRIENDLY COMPETITION, TAMI RIVERA & MEGAN REIDNAUER

SESSION 1A, Grades 1-4

Come join us for some funfilled games and activities such as relays, obstacles, and all of your favorite Olympic sports. *Materials Charge: There is a \$5 charge for supplies.*

### GAMING 101, KRIS BAUTSCH

SESSION 1A, Grades K-3

Do you own a tablet or iPhone? How about a DS, DSi, or 3DS? Well, this club is for you! Show off your Minecraft skills and your creations. Using the DS, we will play linkable games: Mario Cart, Metroid, Mario Hoops, Sonic Rush, DK Racing, Pokemon, and more. Test your skills against everyone else in the class. We will set up racing grids, play off brackets, and leader boards. You will need to bring your own electronic device to play!

### IT'S GREAT TO BE ME, JEN BASOM

SESSION 1A, Grades 1-3

Does your daughter need a positive confidence boost? We'll focus on building positivity and looking at what makes each of us special. We'll make our own unique posters with positive words that describe ourselves and will write encouraging notes to each other. We'll also have plenty of fun making new friends and building each other's confidence through partner and small group activities like jewelry making, slime making, and painting kindness rocks to hide in the community to encourage others! *Materials Charge: There is a \$5 charge for supplies.*

### JEWELRY MAKING, GEMMA BONETTI

SESSION 1A, Grades 1-2

Do you love wearing colorful and pretty jewelry? Do you enjoy decorating and doing crafts for fun? If so, this is the right class for you! We will make and decorate jewelry with pretty beads, colorful string, sparkling gems, and much more! We'll create beautiful accessories like bracelets, necklaces, rings, anklets, jeweled crowns, and fancy glitter wands! *Materials Charge: There is a \$5 charge for supplies.*

### PAINTING, SUSAN ALBRIGHT

SESSION 1A, Grades 2-6

Have you ever wanted to paint something for yourself or as a gift for someone else? In this class you will get a chance to paint some really cool items such as a rock, wood, and an item of your choice. We will paint with acrylic paint, tempura, and water color. Please bring an Art shirt, a rock to

paint, and 1 or 2 other items. Ideas of items brought in past years are: shirt, pillow case (include a piece of cardboard so the paint doesn't leak through), bag, scrap book cover, picture frame and wooden jewelry box. Be creative! We will supply some surprise items to paint. *Materials Charge: There is a \$5 charge for supplies.*

### **RAIN OR SHINE, LAUREN HENZIE**

SESSION 1A, Grades K-2

If it's a beautiful day, we'll go out and play! Obstacle course, water games, jump rope, kick ball, it's your call. If not, we'll do some indoor rainy day activities like Pie Face, Twister, Head Bandz, or Battleship. Or get creative and make slime, dioramas, do a science experiment, or other fun projects. Rain or shine, we'll have a good time! *Materials Charge: There is a \$5 charge for supplies.*

### **RECYCLED FUNKY ART, MARIA CARROLL**

SESSION 1A, Grades 3-6

Do you love to use your imagination and create new things? Recycled art is a creative way to give discarded materials another purpose. We'll discover the possibilities as we turn bottles, jars, crayons, cans, string, paper, stones and more into creative and functional pieces of art. Join us as wild and wonderful projects jump their way out of recycled bins and boxes. Art knows no boundaries and using recyclable materials to create art is a win-win! Please note, each week we will create new projects. No projects will be duplicated. *Materials Charge: There is a \$5 charge for supplies.*

### **SWEATSHIRTS TO SCRUBS, ELLEN LUCHETTE**

SESSION 1A, Grades 3-6

Do you enjoy experiments and hands on projects? Do you ever think about becoming a doctor or working in the healthcare field? Even if you just want to learn more about the human body and its systems, Sweatshirts to Scrubs is for you! Each day, we'll look forward to actively learning about a different body system through various labs and experiments. Be prepared to have a great week! *Materials Charge: There is a \$5 charge for supplies.*

### **TEAMWORK, LISA MICHENER**

SESSION 1A, Grades K-2

Do you want to spend time having fun and being part of a team? Join us for teambuilding activities, such as: obstacle courses, scavenger hunts, and water balloon challenges. We'll have a great time with you there! *Materials Charge: There is a \$5 charge for supplies.*

### **SESSION 1B**

#### **ALL THINGS COMPUTERS, MARK KEHL**

SESSION 1B, Grades 2-6

Get your brain thumping this summer! Choose your own adventure and have fun creating your own slideshows, code the computer, exercise your brain with chess, bring your drawings to life with Paint 3D, and even create your own posters with Publisher...PLUS many more options! If you enjoy being creative, playing and working on the computer, this is the class for you! Flex your brain power in this class!

#### **BLANKET MAKING, TAMI RIVERA**

SESSION 1B, Grades 2-6

Learn to make your own blanket to take home! That's right, the summer is a great time to have your own, handmade blanket to lay it out on the beach or by the pool, have a

picnic at the park or in your backyard, stay warm on those air conditioned car or plane rides, or snuggled up for movie night your blanket. Just bring 2 complementing pieces of fleece fabric measuring 48x60 inches each. Can't decide on a cool fabric pattern? Bring some smaller pieces for fun pillow making once we've finished our blankets. Your friends will be super eager to make their own and you can show them! *Materials Charge: There is a \$5 charge for supplies.*

### **COMIC BOOK CREATIONS, HEATHER GARDAN**

SESSION 1B, Grades 3-6

Do you love to read about new characters and worlds, or want to learn to create your own? In this Action packed class we will create our own comic books starring you very own original character. This course will teacher you how to create a story, illustrate your own adventure and create a comic book or Zine (mini magazine). *Materials Charge: There is a \$5 charge for supplies.*

### **EDIBLE CREATIONS, MARIA LENA COTTMAN**

SESSION 1B, Grades 3-6

If you love to cook as much as me, then we are going to have a sweet time! Learn to make delicious treats that you can share with your friends and family! \*\*Please note that some recipes may contain products processed in a nut factory. *Materials Charge: There is a \$5 charge for supplies.*

### **FOOTBALL KNOCKOUT KICKBALL AND DODGEBALL, KEITH HEFFNER**

SESSION 1B, Grades 3-6

Do you love playing football and knock-out at recess with your friends? Wish you could get your friends together and play during the summer? This is your chance. Each day we will spend time playing games and other indoor and outdoor games. Grab some friends and join the FUN!

### **JEWELRY MAKING, GEMMA BONETTI**

SESSION 1B, Grades 3-6

Do you love jewelry? Would you like to know how to make your own unique jewelry pieces? You'll create beautiful accessories like bracelets, necklaces, rings, and anklets. You'll get to try wrapping, embellishing, beading, stringing, knotting, braiding, and more! You can create jewelry for yourself and others. Your friends will all want to know how you made your jewelry and you will be able to show them how! *Materials Charge: There is a \$5 charge for supplies.*

### **PAINTING, SUSAN ALBRIGHT**

SESSION 1B, Grades 2-6

Have you ever wanted to paint something for yourself or as a gift for someone else? You will get a chance to paint some cool items such as a rock, wood, and an item of your choice. We will paint with acrylic paint, tempura, and water color. Please bring an Art shirt, a rock to paint, and 1 or 2 other items such as: shirt, pillow case (include a piece of cardboard so the paint doesn't leak through), bag, scrap book cover, picture frame and wooden jewelry box. Be creative! We will supply some surprise items to paint. *Materials Charge: There is a \$5 charge for supplies.*

### **PAPER MACHE PINATA PARTY, MEGAN REIDNAUER**

SESSION 1B, Grades 2-6

What is more fun than smashing open a pinata and grabbing lots of candy? Making the pinata first! Join the party as we use our imaginations to design and make our

very own pinatas using paper mache. Things will get a little messy, so be sure to wear old clothes or bring a smock. Once our masterpieces are complete, we will fill them with candy and send them home to be enjoyed by family and friends. Please bring in old newspapers. *Materials Charge: There is a \$5 charge for supplies.*

### **PASSPORTS PLEASE, JEN BASOM**

SESSION 1B, Grades 1-3

We'll travel to different countries eating their food, playing games, making crafts, and learning about their cultures. We'll eat Fairy Bread in Australia and chocolate in Switzerland, build Eiffel towers out of toothpicks and marshmallows while in France, and make maracas in Mexico. Travelers will have their own suitcases with boarding passes to turn in each day and will get a passport stamped at each country! *Materials Charge: There is a \$5 charge for supplies.*

### **PRINCESS PARTIES, LAUREN HENZIE**

SESSION 1B, Grades K-3

Princess Party will be a total princess day! Who's your favorite Disney® princess? We will act like princesses and you can even dress up like your favorite princess for Cool School! We will make beautiful crowns and jewelry, play princess games and make princess arts and crafts. *Materials Charge: There is a \$5 charge for supplies.*

### **RECYCLED FUNKY ART, MARIA CARROLL**

SESSION 1B, Grades K-2

Do you love to use your imagination and create new things? Recycled art is a creative way to give discarded materials another purpose. We'll discover the possibilities as we turn bottles, jars, crayons, cans, string, paper, stones and more into creative and functional pieces of art. Join us as wild and wonderful projects jump their way out of recycled bins and boxes. Art knows no boundaries and using recyclable materials to create art is a win-win! Please note, each week we will create new projects. No projects will be duplicated. *Materials Charge: There is a \$5 charge for supplies.*

### **STAR WARS, KRIS BAUTSCH**

SESSION 1B, Grades K-2

Come enjoy the wonders of the Star Wars universe. During our time together, we will make crafts, explore the games and toys that you bring, and watch some cartoons and movies that came from the mind of George Lucas. May the Force be with you! *Materials Charge: There is a \$5 charge for supplies.*

### **TEAMWORK, LISA MICHENER**

SESSION 1B, Grades 4-6

Do you want to spend time having fun and being part of a team? Join us for teambuilding activities, such as: obstacle courses, scavenger hunts, and water balloon challenges. We'll have a great time with you there! *Materials Charge: There is a \$5 charge for supplies.*

### **SESSION 2A**

#### **ALL AMERICAN GIRL, AMELIA SMITH**

SESSION 2A, Grades K-2

This class is for our "all American girls!" Together we will spend the week learning about the AG series and making memories with our AG dolls. You can expect a week of crafts and activities, games for team building, and a movie/pajama day our last day. Let's use this week to get inspired

about what it takes to be an American girl! *Materials Charge: There is a \$5 charge for supplies.*

### **BOARD GAMES, LAUREN HENZIE**

SESSION 2A, Grades 2-4

Do you love playing board games? This week will be filled with playing board games and learning about other friends board games. We'll learn to be good sports and have fun! Please bring your favorite board game with you each day!

### **CAPTURE THE FLAG, KEITH HEFFNER AND DAVE SUSEK**

SESSION 2A, Grades 4-6

Do games of strategy, skill, and competition interest you? Do you enjoy spending your summer with old ones and making new ones too? If you answered "yes" to either of those questions, than this is the course for you. Capture the Flag is a thrilling game for all kids! Two teams are competing for each other's flag, while trying to escape going to their opponent's jail.

### **CREATIVE DRAWING, KRIS BAUTSCH**

SESSION 2A, Grades 3-5

Are you a doodler, or a master of drawing? Either way, if you like art, this is the class for you. We will use pencils, chalk, crayons, markers and colored pencils to create whatever you want. Come let your creative side flow and show! *Materials Charge: There is a \$5 charge for supplies.*

### **DISNEY, JEN BASOM**

SESSION 2A, Grades K-2

Do you want to take a trip to Disney World this summer?! We might not be able to travel to Florida, but we will bring Disney to Cool School! In this class, we'll make lots of crafts using characters from your favorite Disney movies and will even make some Disney themed snacks to enjoy! We will learn fun facts about Disney World, Disneyland, and Walt Disney as a boy! We'll even watch some Disney movies! If you love all things Disney, this class is for you! *Materials Charge: There is a \$5 charge for supplies.*

### **HOW DOES YOUR GARDEN GROW, MARIA LENA**

SESSION 2A, Grades 2-4

Do you love being outdoors and gardening? In this course, we will learn all about how plants grow, and you will even get to grow a plant of your own! *Materials Charge: There is a \$5 charge for supplies.*

### **OOEY GOOEY, DANIELLE TIMBARIO**

SESSION 2A, Grades K-3

Are you ready to have a mess of fun? The Ooey Gooley Course offers just that with many activities to get those hands dirty! You will have a chance to make sand slime, foam paint, tie dye and so much more! You don't want to miss out on a week's worth of Ooey Gooley Fun! *Materials Charge: There is a \$5 charge for supplies.*

### **POTTERY, DAN MOUNTZ**

SESSION 2A, Grades 3-6

Do you like making things with your hands, and getting a little messy? Well, we have got the place for you! We will get your creative juices flowing while working with clay. You'll design boxes, bowls, animals and more! *Materials Charge: There is a \$5 charge for supplies.*

### **PREBAND CLASS: WOODWINDS, JAMES WESTLAKE**

#### SESSION 2A, Grades 3-5

Is your child interested in playing a woodwind instrument (Flute, Clarinet, Alto Saxophone) for the 2019-2020 school year? Learn the basics of playing. You must provide an instrument.

#### **RECYCLED FUNKY ART, MARIA CARROLL**

##### SESSION 2A, Grades K-2

Do you love to use your imagination and create new things? Recycled art is a creative way to give discarded materials another purpose. We'll discover the possibilities as we turn bottles, jars, crayons, cans, string, paper, stones and more into creative and functional pieces of art. Join us as wild and wonderful projects jump their way out of recycled bins and boxes. Art knows no boundaries and using recyclable materials to create art is a win-win! Please note, each week we will create new projects. No projects will be duplicated. *Materials Charge: There is a \$5 charge for supplies.*

#### **TEAMWORK, LISA MICHENER**

##### SESSION 2A, Grades 2-4

Do you want to spend time having fun and being part of a team? Join us for teambuilding activities, such as: obstacle courses, scavenger hunts, and water balloon challenges. We'll have a great time with you there! *Materials Charge: There is a \$5 charge for supplies.*

#### **THE ART OF WEAVING, GEMMA BONETTI**

##### SESSION 2A, Grades 3-6

Are you interested in trying the art of weaving or would you like to learn some new weaving techniques? Learn how to create different kinds of art weavings, such as a circular weaving. We will use yarn and other materials that you will be able to add onto your woven designs, such as colorful beads, rafia, ribbon, sequins, charms, keys, and/or other decorative ornaments. Feel free to bring in pieces that you would like to attach! The weavings can become unique coasters, pot holders, decorative wall hangings, and can be worn! *Materials Charge: There is a \$5 charge for supplies.*

#### **WATERCOLOR WONDERS & EXPERIMENTS, HEATHER GARDAN**

##### SESSION 2A, Grades 1-3

Do you love to paint and get messy? In this watercolor class we combine the beauty of watercolors and the magic of science to create unique, beautiful creations. This course will explore watercolor resists, salt absorption, shaving cream marbled paper, and other crazy techniques to create your own masterpieces! *Materials Charge: There is a \$5 charge for supplies.*

#### **SESSION 2B**

#### **AMAZING STRING ART, GEMMA BONETTI**

##### SESSION 2B, Grades 3-6

How fun would it be to create art using hammers, wood, nails, and colorful string? You'll create an amazing piece of string art displaying a significant image or symbol, animal or character silhouette, stylized letters, name, number, or a combination that you choose. Everyone will be so impressed with your hammering and stringing skills and they'll all want to know how you did it! So invite your friends and let's get this art party started! "It's hammer time!" *Materials Charge: There is a \$5 charge for supplies.*

#### **CROSSING THE BRIDGE, AMELIA SMITH**

#### SESSION 2B, Grades K-1

Crossing the bridge from kindergarten to 1st grade can become an easy transition with this class. This class is designed to maintain the skills learned in kindergarten and acquire readiness skills for 1st grade. Each class will be based upon a theme that will allow children to make discoveries while building their academic skills. Hands-on activities will refresh your child's knowledge of letters, sounds, beginning words, writing, and literature, while building on 1st grade readiness skills. Together, all of these activities will make "crossing the bridge" from kindergarten to 1st grade a smooth transition. *Materials Charge: There is a \$5 charge for supplies.*

#### **DODGEBALL, DAVID SUSEK AND KEITH HEFFNER**

##### SESSION 2B, Grades 3-6

Enjoy one full week of dodge ball games! Try your luck at Serengeti, Dr. Dodge Ball, Deer Hunter, Shoot Out, Freeze Dodge Ball, Super Dodge Ball, Berserker, and more. Prepare to duck, roll, run, and of course – DODGE!

#### **GAMING 101, KRIS BAUTSCH**

##### SESSION 2B, Grades K-3

Do you own a tablet or iPhone? How about a DS, DSi, or 3DS? Well, this club is for you! Show off your Minecraft skills and your creations. Using the DS, we will play linkable games: Mario Kart, Metroid, Mario Hoops, Sonic Rush, DK Racing, Pokemon, and more. Test your skills against everyone else in the class. We will set up racing grids, play off brackets, and leader boards. You will need to bring your own electronic device to play!

#### **HUMAN BODY LAB, SCHAUDER RACHAEL**

##### SESSION 2B, Grades 3-6

Kids will learn about the major systems of the human body through experiments, crafts, games and multimedia, taught by one of Spring-ford's school nurses. Students will get to use actual medical tools as they learn how their bodies work and how to keep them healthy! This hands-on "lab" is designed to be interactive, fun and great for any kiddo that is curious about the workings of the human body. *Materials Charge: There is a \$5 charge for supplies.*

#### **IT'S GREAT TO BE ME, JEN BASOM**

##### SESSION 2B, Grades 1-3

Does your daughter need a positive confidence boost? We'll focus on building positivity and looking at what makes each of us special. We'll make our own unique posters with positive words that describe ourselves and will write encouraging notes to each other. We'll also have plenty of fun making new friends and building each other's confidence through partner and small group activities like jewelry making, slime making, and painting kindness rocks to hide in the community to encourage others! *Materials Charge: There is a \$5 charge for supplies.*

#### **OOEY GOOEY, DANIELLE TIMBARIO**

##### SESSION 2B, Grades 3-5

Are you ready to have a mess of fun? The Ooey Gooley Course offers just that with many activities to get those hands dirty! You will have a chance to make sand slime, foam paint, tie dye and so much more! You don't want to miss out on a week's worth of Ooey Gooley Fun! *Materials Charge: There is a \$5 charge for supplies.*

#### **POTTERY, DAN MOUNTZ**

#### SESSION 2B, Grades K-2

Do you like making things with your hands, and getting a little messy? Well, we have got the place for you! We will get your creative juices flowing while working with clay. You'll design boxes, bowls, animals and more! *Materials Charge: There is a \$5 charge for supplies.*

#### **PRE BAND CLASS: BRASS, JIM WESTLAKE**

##### SESSION 2B, Grades 3-5

Is your child interested in playing a brass instrument (Trumpet or Trombone) for the 2019-2020 school year? Learn the basics of playing. You must provide an instrument.

#### **PRINCESS PARTIES, LAUREN HENZIE**

##### SESSION 2B, Grades K-3

Princess Party will be a total princess day! Who's your favorite Disney® princess? We will act like princesses and you can even dress up like your favorite princess for Cool School! We will make beautiful crowns and jewelry, play princess games and make princess arts and crafts. *Materials Charge: There is a \$5 charge for supplies.*

#### **RECYCLED FUNKY ART, MARIA CARROLL**

##### SESSION 2B, Grades 3-6

Do you love to use your imagination and create new things? Recycled art is a creative way to give discarded materials another purpose. We'll discover the possibilities as we turn bottles, jars, crayons, cans, string, paper, stones and more into creative and functional pieces of art. Join us as wild and wonderful projects jump their way out of recycled bins and boxes. Art knows no boundaries and using recyclable materials to create art is a win-win! Please note, each week we will create new projects. No projects will be duplicated. *Materials Charge: There is a \$5 charge for supplies.*

#### **TEAMWORK, LISA MICHENER**

##### SESSION 2B, Grades 4-6

Do you want to spend time having fun and being part of a team? Join us for teambuilding activities, such as: obstacle courses, scavenger hunts, and water balloon challenges. We'll have a great time with you there! *Materials Charge: There is a \$5 charge for supplies.*

#### **VIVE LE FRANÇAIS, KRISTIN ROUYER**

##### SESSION 2B, Grades 3-6

Join us to explore the French language and culture through songs, games, stories, and more!

#### **WATERCOLOR WONDERS & EXPERIMENTS, HEATHER GARDAN**

##### SESSION 2B, Grades 3-6

Do you love to paint and get messy? In this watercolor class we combine the beauty of watercolors and the magic of science to create unique, beautiful creations. This course will explore watercolor resists, salt absorption, shaving cream marbled paper, and other crazy techniques to create your own masterpieces! *Materials Charge: There is a \$5 charge for supplies.*

#### **SESSION 3A**

#### **BOOK AND COOK, DANIELLE TIMBARIO**

##### SESSION 3A, Grades K-3

Do you like to bake? Or do you want to learn about baking? Then this is the right class for you! We will be reading a short story and then learning how to bake based on that story! Learn how to cook to your favorite book! Come join the

delicious fun! Example: If you give a mouse a cookie- we will be decorating cookies! *Materials Charge: There is a \$5 charge for supplies.*

#### **CAPTURE THE FLAG, KEITH HEFFNER**

##### SESSION 3A, Grades 4-6

Do games of strategy, skill, and competition interest you? Do you enjoy spending your summer with old ones and making new ones too? If you answered "yes" to either of those questions, then this is the course for you. Capture the Flag is a thrilling game for all kids! Two teams are competing for each other's flag, while trying to escape going to their opponent's jail.

#### **CROSSING THE BRIDGE, AMELIA SMITH**

##### SESSION 3A, Grades K-1

Crossing the bridge from kindergarten to 1st grade can become an easy transition with this class. This class is designed to maintain the skills learned in kindergarten and acquire readiness skills for 1st grade. Each class will be based upon a theme that will allow children to make discoveries while building their academic skills. Hands-on activities will refresh your child's knowledge of letters, sounds, beginning words, writing, and literature, while building on 1st grade readiness skills. Together, all of these activities will make "crossing the bridge" from kindergarten to 1st grade a smooth transition. *Materials Charge: There is a \$5 charge for supplies.*

#### **CSI SPRING-FORD, KRIS BAUTSCH**

##### SESSION 3A, Grades 3-5

Want to solve a crime? Interested in science? Join us for a week of fun and games as we solve mysteries, trail suspects and perform fun experiments in and out of the classroom. *Materials Charge: There is a \$5 charge for supplies.*

#### **EDIBLE CREATIONS, MARIA LENA COTTMAN**

##### SESSION 3A, Grades 3-6

If you love to cook as much as me, then we are going to have a sweet time! Learn to make delicious treats that you can share with your friends and family! \*\*Please note that some recipes may contain products processed in a nut factory. *Materials Charge: There is a \$5 charge for supplies.*

#### **FUN WITH PASTELS, GEMMA BONETTI**

##### SESSION 3A, Grades 3-6

Do you like to draw or want to improve upon your drawing skills? We will explore how to use oil and chalk pastels, while creating beautiful and expressive drawings. Drawing techniques will be discussed, while rendering from observation and pictures. Elements of your imagination will also be incorporated into your artistic pieces. Bring in a few items and eye-catching photographs that you would like to use for your drawings and get ready to have a blast! *Materials Charge: There is a \$5 charge for supplies.*

#### **LEGO MANIA, RUSS LANDIS**

##### SESSION 3A, Grades K-3

In LEGO Mania, we will have challenges to build the best creations using LEGOS. We will create cars, build room interiors, make spaceships, and more. Use your imagination! LEGO books and playsets will be available!

#### **MINECRAFT MANIA, ERIC HETRICK**

##### SESSION 3A, Grades 1-6

Come and play your favorite game, Minecraft, as we explore this fan favorite. Minecraft engages kids in STEM

fields such as coding, level design, video game design and development. Please bring your OWN electronic device (ipad/tablet) and charging cord. You MUST have Minecraft downloaded on your device prior to cool school. *Materials Charge: There is a \$5 charge for supplies.*

### **POTTERY, DAN MOUNTZ**

SESSION 3A, Grades 3-6

Do you like making things with your hands, and getting a little messy? Well, we have got the place for you! We will get your creative juices flowing while working with clay. You'll design boxes, bowls, animals and more! *Materials Charge: There is a \$5 charge for supplies.*

### **RECYCLED FUNKY ART, MARIA CAROLL**

SESSION 3A, Grades 3-6

Do you love to use your imagination and create new things? Recycled art is a creative way to give discarded materials another purpose. We'll discover the possibilities as we turn bottles, jars, crayons, cans, string, paper, stones and more into creative and functional pieces of art. Join us as wild and wonderful projects jump their way out of recycled bins and boxes. Art knows no boundaries and using recyclable materials to create art is a win-win! Please note, each week we will create new projects. No projects will be duplicated. *Materials Charge: There is a \$5 charge for supplies.*

### **SF COOL SCIENCE, PROCARIO GABRIELLE**

SESSION 3A, Grades K-3

Have you ever dreamed of doing fun science experiments? If you answered YES, then we need your help!! We will be doing some fun and exciting hands-on science activities and experiments. Bring your imagination – we are going on a science journey. *Materials Charge: There is a \$5 charge for supplies.*

### **SESSION 3B**

#### **ALL AMERICAN GIRL, AMELIA SMITH**

SESSION 3B, Grades K-2

This class is for our "all American girls!" Together we will spend the week learning about the American Girl® series and making memories with our American Girl® dolls. You can expect a week of crafts and activities, games for team building, and a movie/pajama day our last day. Let's use this week to get inspired about what it takes to be an American girl! *Materials Charge: There is a \$5 charge for supplies.*

#### **BOOK AND COOK, DANIELLE TIMBARIO**

SESSION 3B, Grades 3-5

Do you like to bake? Or do you want to learn about baking? Then this is the right class for you! We will be reading a short story and then learning how to bake based on that story! Learn how to cook to your favorite book! Come join the delicious fun! Example: If you give a mouse a cookie- we will be decorating cookies! *Materials Charge: There is a \$5 charge for supplies.*

#### **CREATIVE DRAWING, KRIS BAUTSCH**

SESSION 3B, Grades K-3

Do you like to draw or color or just use your imagination to create crazy things? We will doodle, sketch, color, draw

and most importantly, we will have fun! *Materials Charge: There is a \$5 charge for supplies.*

### **DODGEBALL, DAVID SUSEK AND KEITH HEFFNER**

SESSION 3B, Grades 3-6

Enjoy one full week of dodge ball games! Try your luck at Serengeti, Dr. Dodge Ball, Deer Hunter, Shoot Out, Freeze Dodge Ball, Super Dodge Ball, Berserker, and more. Prepare to duck, roll, run, and of course – DODGE!

### **EDIBLE CREATIONS, MARIA LENA COTTMAN**

SESSION 3B, Grades 3-6

If you love to cook as much as me, then we are going to have a sweet time! Learn to make delicious treats that you can share with your friends and family! \*\*Please note that some recipes may contain products processed in a nut factory. *Materials Charge: There is a \$5 charge for supplies.*

### **LEGO MANIA, RUSS LANDIS**

SESSION 3B, Grades K-3

In LEGO Mania, we will have challenges to build the best creations using LEGOS. We will create cars, build room interiors, make spaceships, and more. Use your imagination! LEGO books and playsets will be available!

### **MAGICAL WORLD OF CREATURES, GEMMA BONETTI**

SESSION 3B, Grades 3-6

Do you like to use your imagination? Do you like to build and paint things? In this class, you will get to design and build a magical creature sculpture using recycled objects, paper mache, acrylics, and decorative pieces. Similar to Pokemon or mythological creatures, our creatures will have names, unique characteristics, and remarkable powers. Come join and help to create a magical world of creatures in 3D! *Materials Charge: There is a \$5 charge for supplies.*

### **RECYCLED FUNKY ART, MARIA CAROLL**

SESSION 3B, Grades K-2

Do you love to use your imagination and create new things? Recycled art is a creative way to give discarded materials another purpose. We'll discover the possibilities as we turn bottles, jars, crayons, cans, string, paper, stones and more into creative and functional pieces of art. Join us as wild and wonderful projects jump their way out of recycled bins and boxes. Art knows no boundaries and using recyclable materials to create art is a win-win! Please note, each week we will create new projects. No projects will be duplicated. *Materials Charge: There is a \$5 charge for supplies.*

### **SF COOL SCIENCE, PROCARIO GABRIELLE**

SESSION 3B, Grades 4-6

Have you ever dreamed of doing fun science experiments? If you answered YES, then we need your help!! We will be doing some fun and exciting hands-on science activities and experiments. Bring your imagination – we are going on a science journey. *Materials Charge: There is a \$5 charge for supplies.*

## COOL SCHOOL TERMS AND CONDITIONS

Cool School is designed to be an enjoyable learning environment where each student is valued and respected. Disrespect or negative behavior that interferes with the positive experiences of others attending may result in dismissal.

There will be a \$25 fee for returned checks. Returned checks cancel your child's registration.

No telephone registrations will be accepted. Printable forms for paper registration are available in the office of your child's school or online at [www.spring-ford.net](http://www.spring-ford.net). Online registration is also available.

Enrollment is automatic upon receipt of your registration and payment. Online registrants will receive a confirmation e-mail. No other notification is provided unless there is a problem with your registration. All registrations are accepted on a first come, first served basis until the course maximum is reached. Registrants in excess of the maximum will be offered the option of registering for another course or a refund. Cool School reserves the right to cancel any course that fails to meet the minimum enrollment. Resident fees (\$45 per student per class) apply to those who live in Royersford or Spring City Boroughs, Limerick or Upper Providence Townships, or those who attend a school within the boundaries of Spring-Ford Area School District. All others must pay the nonresident fee (\$55 per student per class). Some classes may charge a \$5 materials fee. All class fees increase \$5 after May 1, 2019.

For more information, call 610-705-6210.

**REFUND POLICY:** Courses canceled by Cool School are subject to a full refund.

Attendee initiated withdrawal: Requests for withdrawal and a refund must be submitted at least seven days prior to the start of any course/session. A full refund minus a \$5 handling fee will be issued. A request for a refund must be made to [CoolSchool@spring-ford.net](mailto:CoolSchool@spring-ford.net), even for registrations that are canceled online. No refunds will be issued for withdrawal requests made less than seven days prior to the start of a course, or after the course starts. No refunds are given for missed classes or courses.

**CANCELLATIONS:** If it is necessary to close the school due to inclement weather or other reasons, any Cool School classes being held are also canceled. Reasonable attempts will be made to reschedule such classes.

I understand the nature and scope of the activity chosen and that there are risks and dangers associated with the activity. I understand that the safety of participants with respect to this activity is not guaranteed by the Spring-Ford Area School District, its respective representatives, board members, officers, employees, agents, instructors or volunteers. I understand that each participant has a responsibility to exercise due care in the performance of the activity for the safety of him/herself and other participants. I understand that it is the responsibility of the participant to provide him/herself with accident or medical insurance.

In the consideration of the participant being permitted to enroll in this activity, I hereby release, indemnify and hold harmless the Spring-Ford Area School District and all their respective representatives, officers, employees, agents, instructors and volunteers from any and all claims, demands, costs, charges and expenses for harm, injury, damage or loss to persons or property which may be sustained by the participant(s) as a result of relating to or arising out of participation in this activity.

In witness thereof, and intending to be legally bound hereby, I have indicated my approval of this Liability Release on my own free action.
