

Books Build Strong Minds!

Dear Parents,

Our first R.I.F. book distribution will start on December 5th. Books build strong minds! Students will receive one FREE book!

To build our minds, we're challenging Brooke students to **read 15 min. each night** to reach a school-wide goal of **1,500 hours** of reading in November!

Parents, please initial your child's calendar each night that your child reads 15 minutes. Then, **please tear off that week's reading record and return it to your child's teacher on the following Monday.** The first reading record is due on Monday, November 7th!

Thank you,

Brooke Teachers
