

DAILY COVID CHECKLIST

Has your child had close contact (within 6' for at least 15 minutes with or without a mask) in the last 14 days with someone diagnosed with COVID-19, or has any health department been in contact with you advising you to quarantine?

YES Your child(ren) should not attend school. Your child(ren) can return 14 days after the last time they had close contact with someone with COVID-19, and are symptom free.

NO Your child(ren) can attend school, as long as they are symptom-free. Please check the symptom list below.

Does your child have ONE of the symptoms below:

- Fever of 100.4 or higher
- Shortness of breath
- Cough
- Difficult breathing
- New loss of taste or smell

YES If your child(ren) has ONE of these symptoms, they should stay home, isolate from other people, and you should contact your healthcare provider.

NO Your child(ren) can attend school, as long as they are symptom-free.

Does your child have TWO of the symptoms below:

- Chills
- Fatigue
- Diarrhea
- Congestion
- Vomiting
- Headache
- Nausea
- Sore throat
- Muscle Aches

YES If your child(ren) has TWO of these symptoms, they should stay home, isolate from other people, and you should contact your healthcare provider.

NO Your child(ren) can attend school, as long as they are symptom-free.

The PA Department of Health has issued a recommendation that any person who has traveled to, or will travel to, certain states self-quarantine for 14 days following their return to PA. Has your family traveled to a "hot-spot" state in the past 14 days?

YES It is recommended that your family quarantines for 14 days upon return.

NO Your child(ren) can attend school, as long as they are symptom-free.

X If you answered YES to any question, it is recommended that your family quarantines.

✓ If you answered NO, your child(ren) can attend school, as long as they are symptom-free.

If you have any questions or are unsure if your child should be in school, please don't hesitate to call your school's nurse.
QUARANTINED AND ILL: if a student is out of school with any illness – COVID, standard flu, sinus infections, etc. – their parent/guardian should call the school's Attendance Line to report their student absent.
QUARANTINED/SELF QUARANTINED AND NOT ILL: if a student is quarantined or self quarantined, but the student is not ill, they should complete their school work from home
