I. PUBLIC TO BE HEARD ON AGENDA ITEMS ONLY
There were no questions or comments from the public. Mr. DiBello announced that before the meeting tonight the Board met in an Executive Session to discuss personnel items.
II. PRESENTATION
Ms. Shelly reported that she was one of two teachers who was fortunate enough to be a part of the Limerick Exchange Program. Ms. Shelly stated that this was one of the best experiences she has had thus far in her teaching career. Mr. Shelly spoke about all of her experiences while in Ireland. She stated that she had no idea that this experience would be such a life altering experience for everyone involved both students and teachers.

Andrew Wilson thanked everyone on behalf of his colleagues and himself for their voyage to the Emerald Island this past March. Andrew stated that although they shared a relatively similar experience traveling to Ireland, he could not stress enough how individualistic and authentic each of their experiences truly were. Andrew shared his experiences during the two weeks he was in Ireland and provided a PowerPoint along with pictures of his visit. Andrew stated that he has made brothers, sisters, friends, best friends, comrades, companions, and family for a lifetime. He added that going into this exchange program one year ago he could honestly say that he didn’t think that the 14 Irish lads and lassies could affect him so much, but now looking back on everything he does not think he could picture his life without each and every one of them. Andrew concluded by saying with every positive connotation of friendship, these students will forever be his soul mates.

Elizabeth Brady stated that she will be presenting on her own personal experience on the Irish Exchange Program. Elizabeth commented that it was an amazing experience and she is very glad that Spring-Ford has this program for all of them to participate in. Elizabeth said she has made many memories and hopes to go back to Ireland again in the future. Elizabeth spoke about the host family she stayed with and the experiences she had while staying with them. Elizabeth reported that saying goodbye to everyone was one of the hardest things she ever had to do and she stated that there were a lot of tears and hugs at departure.

Billie Landis commented that a week ago Ms. Shelly asked the students who participated in the Irish Exchange Program for two words that would describe the program and he said he believes he speaks for everyone involved when he says that there are not two words in the English language that could truly grasp what the exchange program meant for each and every member on it. Billie spoke about his experience of going to a professional soccer game and how he will always hold that memory in his heart. Billie added that no matter how fantastic their individual experiences were it was always so much better when they all had a chance to be together. Billie spoke about his experience in learning about the history of Ireland. Billie reported that upon his arrival back to the United States people have asked what his he has been asked to talk about his favorite moment while in Ireland was and he stated that to be completely honest there is not one specific moment that was better than the rest. Billie said he is so grateful for the Irish experience and he hopes to be able to go back again very soon to revisit his family over there.

Mr. Ciresi thanked them for their report and stated that he thinks back to how this little idea in his kitchen came about and how it has come to change so many lives. Mr. Ciresi commented that he could have never imagined where this has gone and he credited Angela Larkins for her help with the initial thought and conversation. Mr. Ciresi stated that when some of the Board visited Ireland they shared some of the same feelings in
visiting the same places that the students visited. Mr. Ciresi asked if they could sum up in one word what the experience was worth to them and the students indicated that was a tough question, Ms. Shelly replied relationships…..relationships created between the students, the families and the teachers. Ms. Shelly added that she knows there are some students who will be traveling here over the summer and she also has plans to meet up with some of the teachers who will come here in the summer.

Mr. DiBello commented that over the past several months the Board has been questioned over the importance of this Limerick to Limerick Exchange Program and it has been said that it is a waste of time and money. Mr. DiBello asked the students from their perspective if the program was worth it or not as they plan on trying to extend the program to other countries. Elizabeth Brady replied that she would definitely say the program was worth it and as she has heard the Board has said several times it is a global society and global economy. Elizabeth added that they need to be able to associate with the rest of the world, understand that things differ in other countries, be accepting of other cultures and that is what this program did for them. Elizabeth stated that eventhough they speak English they are completely different from us this was a great experience for everyone involved.

Dr. Goodin thanked Ms. Castellano, Mr. Tier, Ms. Shelly and all of the chaperones who took the time to accompany our students over there.

Mrs. Mullin stated that she does the yearbook at Evans Elementary and every year since this has started the visitors from Ireland have visited Evans Elementary and the students really look forward to the visit. Mrs. Mullin commented that this is an experience that your average fourth grader does not get somewhere else. She added that besides the impact on the elementary school kids she wants people to remember, when others are complaining that too much time was wasted on the trip, that there are not many nights they sit at the Board table and hear words such as relationships, gracious, thankful and life-changing. Mrs. Mullin encouraged anyone hearing someone complain about the decisions that are made by the Board to please talk to a student who went or a staff member who went on this trip all without a dime from the taxpayers.

Mr. DiBello clarified that the investment the district does make to the program is the funding of the chaperones to accompany the students. Mr. DiBello added that all in all the few dollars that are spent to send the teachers are priceless.

Mrs. Mullin replied that money was well spent. Mrs. Mullin stated that there were Board Members who worked very hard to raise money to help fund this trip.

A. Elizabeth Brady, Student Representative to the School Board, William Landis and Andrew Wilson, 12th Grade Students, and Ms. Janell Shelly, British Literature Teacher, to present on the “Limerick-2-Limerick Exchange 2013”.

Mr. DiBello stated that unfortunately good things always come to an end and tonight a very good thing is coming to an end but on the flip side we have something new starting. He reported that after two years of listening to Elizabeth provide us with awesome student representative reports, value with her student input with her very astute way of putting things we have to say goodbye. Mr. DiBello said tonight will be Elizabeth’s last evening as the Student Representative to the School Board and tonight will be her final report. Mr. DiBello welcomed Taylor Auman and stated the he will be taking over for
Elizabeth and he is sure that Taylor’s reports will be just as awesome. Mr. DiBello presented Elizabeth with a gift on behalf of the Board.

Elizabeth stated that it is hard to believe that after spending the last two years as the student board representative, she is now leaving the position. She recalled her first board meeting when she was accepting the position and the Board was saying goodbye to the representative who came before her, Taylor Daily. The Board had wished Taylor well with graduation and starting college and Elizabeth recalled thinking that it sounded like it was worlds away. She stated that she now sits here in the same position that Taylor was and cannot believe how quickly it all went by. Elizabeth commented that she started on this board as a sophomore and now here she is as a senior a little less than two months away from graduating. Elizabeth stated that she has spent half of her time in high school as the student representative and is thankful for the memories and the knowledge that she gained in doing so. Elizabeth commented that she learned fairly quickly what the term “pending litigation” meant. She said she wanted to thank each one of the Board for always making her feel as though she was their equal, and she said she can honestly say that this experience has helped her mature and grow as a person. Elizabeth reported that she comes from a long line of educators: teachers, superintendents, school board members, and principals so she is proud to carry on the legacy. Elizabeth stated that she is also proud to have represented Spring-Ford. She said that she cannot imagine what it would have been like to go to any other school as the staff here have been truly amazing as well as the student body. Elizabeth added that this school has so much to offer to its students so to have been a part of that is truly amazing. Elizabeth commented that she cannot leave out Mrs. Fern as she has always been an incredible aid to her. She said that whenever she had a question Mrs. Fern always made sure she had an answer. Elizabeth concluded by saying thank you to the Board for all of the unselfish time and effort they put into making the district one of the best. Elizabeth stated that she would not trade this experience for the world and she will miss spending her Monday nights with everyone.

Mr. Ciresi commented that Elizabeth will be missed and he looks forward to seeing her in the future and wishes her luck in everything she does. Mr. Ciresi stated that he feels they must also thank Elizabeth’s mom who has not missed a meeting in almost two years. Mr. Ciresi thanked Mrs. Brady for her commitment to Elizabeth’s education and her time with the Board. Mr. Ciresi stated that all of this attests to the type of woman Elizabeth has turned out to be and he thanked Mrs. Brady for her time and energy with them and for allowing them to take Elizabeth for the past two years to serve here.

Student Rep. Report

Elizabeth Brady

Elizabeth reported that as school is starting to wrap up there are a lot of activities coming up. She reminded seniors to be sure to turn in their graduation forms by April 30th for commencement, which will take place on Thursday, June 13th with a rain date of Friday, June 14th. Elizabeth also reminded all seniors that are taking part in commencement that they will need to participate in graduation practice, and most importantly be on time for practice. She announced that all students who are registered to take an AP exam in May will need to turn in the rest of their exam fees by the beginning of May. Elizabeth reported that this Saturday, the 27th of April, Prom will take place at Drexelbrook for the second year and SNAP’s post-prom will take place at the high school shortly after with a “Back to the Future” theme. She stated that students have had the past two weeks at their lunches to purchase tickets and turn in their post-prom registration. Elizabeth commented that they came dangerously close to selling out of tickets, but luckily did not. She also shared that this past Friday, the Senior High School held its first ever SAT Boot Camp in the Hurda Learning Canter and many students attended. Elizabeth reported that from what she heard a lot of students had a good time and did benefit from having the experience. She announced that the 9th Grade Center is currently holding a fundraiser for the Class of 2016 by selling t-shirts, sweatshirts, etc. Dr. Weidenbaugh reported to her that the 9th grade students were preparing for their keystone exams which will take place in May.

Mr. DiBello asked if Taylor had anything he would like to add. Taylor stated that he is grateful for the opportunity he has been given and looks forward to working with the Board. He thanked everyone involved in the selection process. Mr. DiBello welcomed him aboard.

Superintendent’s Report

Dr. David R. Goodin

Dr. Goodin reported that he would like to congratulate Mr. Josh Matthews who is the new 2013 Mr. Spring-Ford. Dr. Goodin stated that the contest was held last Friday evening and there were nine candidates. Dr. Goodin said he was one of the judges involved in scoring the candidates on things such as group dance, entrance talent, video and of course the swimwear category. Dr. Goodin reported that it was a great event with a packed house and this is one of the events that is a highlight of his year. Dr. Goodin stated that the proceeds from this event go towards the Conor McKenna Foundation, SNAP and SADD. Dr. Goodin reminded everyone that this Wednesday evening is an
Ice for Autism event taking place at Rita’s Water Ice in Royersford and Collegeville. He invited everyone to come out and support a good cause. Dr. Goodin announced that Spring-Ford’s Vocal Ensemble were involved in a juried event down at the Kennedy Center and received the highest score so they were featured in the evening encore concert. Dr. Goodin congratulated them and stated that this is a great group and hopefully we can get them out next month so that they can sign for us and we can recognize them for the great program they have. Dr. Goodin announced that on April 30th there will be an evening workshop designed to educate parents about athletic scholarships and the college recruiting process. Dr. Goodin stated that also on April 30th at 7PM at Brooke Elementary School they will be dedicating their homemade ceramic mosaic that was crafted through the Artist in Residence Program. Dr. Goodin advised the Board and the public that each year the Pittsburgh Business Times comes out with a ranking of school districts within Pennsylvania and Spring-Ford moved up from 34 last year to 29 this year. Dr. Goodin stated that the ranking is based solely on a three year rolling average of PSSA scores which tells him that the band at the top of the chart is very tight because our district has very good PSSA scores.

Mr. Pettit asked how many school districts there are in the state and Dr. Goodin replied 500.

Mr. DiBello stated that it has been mentioned several times that this Board has been really focused on continually raising that bar in education and over the last two years we just see the progression moving forward and us moving up in the rankings. Mr. DiBello said he hopes that we see that forward movement continue and a lot of the hard work is from the administration and the staff. Mr. DiBello stated that this is great news.
