ARMED SERVICE TEST

Dear Students and Parents:

The Armed Services Vocational Aptitude Battery (ASVAB) is being offered at Spring-Ford on **Friday, February 21, 2019 in the Hurda Learning Center starting at 7:40 am.** The ASVAB is a paper and pencil test provided at no cost to you by the Armed Services. Please note that taking the ASVAB does not commit you to the armed forces in any way.

The ASVAB provides you with:

Career Exploration Scores- The Career Exploration Scores are based on your verbal, math, and science/technical skills. Unlike other career tests, the ASVAB results provide career information based on your current skills and abilities. You can use these scores to investigate occupations in OCCU-Find. When scores are returned, students will have the opportunity to sign up to have their scores interpreted for career potential.

ASVAB Subtest Scores- Students will receive subtest scores in the areas of general science, arithmetic reasoning, word knowledge, paragraph comprehension, mathematics knowledge, electronics information, auto and shop information, and mechanical comprehension.

Military Entrance Score (AFQT)- Each branch of the military will have its own ASVAB score requirements for enlistment. You must also achieve qualifying scores for different jobs within the military.

Get more information at: ASVABprogram.com **Study for the ASVAB at:** March2Success.com

If you are interested in taking the ASVAB, you must complete the bottom portion of this paper and return it to the FPC by 3:00 pm on Thursday, February 14, 2019.

I wish to take the ASVAB Test on **Thursday, February 21, 2019.**

_____ has my permission to take the ASVAB test.
