

Library Information- Summer 2020

Even if the libraries are not able to open this summer you can still access electronic materials.

County Library Information

Montgomery County Library Web Site <http://www.mclinc.org/>

** Check out the Overdrive for audio and e-books.*

Once you have a Montgomery County card you can go to a Chester County library, like Phoenixville, and get a card for that library system.

You can set up an online account that can be used to track books and order titles from other libraries.

** Click on the e-materials tab for information about audio and e-books.*

You can sign up for a Chester County Library card on their web page.

Local Branch Information

Check these library branches for information about summer reading programs.

They usually have reading incentives that you can complete at home as well as activities at the library.
