

Connect 4

You can use sight words or decoding words for this game.

Materials:

Connect 4 game board

word cards (One practice word on each card.)

Chips or markers – each player needs a different color or kind of marker

Procedure:

The player draws a word card and reads the word.

If the word is not covered on the board, the player puts a chip in the box.

The next player draws a card and does the same.

The first player to connect four boxes is the winner.
