

Royersford Elementary August 2021 Newsletter

Welcome Back RES Families!

I want to take a moment to welcome all our Royersford families to the 2021-2022 school year. We have spent a great deal of time preparing our building this summer and are ready and excited to open our doors on Monday August 30th for all students! It is my hope that this year we will have a solid and consistent year of instructional programming filled with fun learning activities without disruptions. We will of course continue to make safety our top priority and will follow both mask mandates and social distancing protocols initiated by our county and/or district.

We are here to create and sustain an atmosphere for each child where they can grow and learn to their best potential. Although we may face obstacles or challenges along our journey, I am confident that we will work together as parents and teachers to support each other and make this year filled with growth and opportunity.

Our school theme this year is “Catch the Wave of Learning at RES”. This year our entire school will be reading the book *Nim’s Island* and stay involved with all the learning and activities throughout the year as part of our annual One School, One Book Program. We thank our PTO and all of you for your fundraising efforts and helping us host programs such as One School, One Book.

Although we are starting our school year with caution and limiting volunteer help, we hope that things go well and that we will be able to host events and programs that allow volunteers to operate at full capacity as we move forward with our school year. Please join us at our PTO meetings to stay involved and connected!

We will continue to promote compassion and kindness each day across all aspects of our school community. Compassion Matters! Compassion is a vital element in society and has the power to increase coping, healing, and happiness. Compassion counteracts depression, increases self-confidence, reduces health related issues, and increases social connectedness. There are many ways in which we can all practice and promote compassion both at home and at school. Be grateful, avoid placing judgement on others, forgive, solve problems peacefully, and find the good in others each day.

I look forward to our partnership to ensure that our children have a fun, rewarding, and meaningful school year.

Sincerely,

Dr. Teresa M. Carboy

BACK-TO-SCHOOL UPDATES

Skyward Update

The Skyward system involves access for parents and students to attendance, assignments, grades, and food service information. Be sure to update all information in Skyward so that you can continue to access and receive information for your child.

It is extremely important that you make any changes to your information as it occurs. We rely on the information in Skyward provided by you in case of any emergency.

You can access Skyward on the Internet at our website: spring-ford.net

Simply click on "**For Parents**" then "**Skyward**" then "**Family Access Login.**" Please contact the school office at (610) 705-6005 should you need assistance with your Login and/or password.

First Day Verification

Whether this is your first year as a Spring-Ford parent, or your last, the transition to a new school year can be a bit overwhelming. To help with this process, the Spring-Ford Area School District will once again utilize online First Day Verification for the 2021-2022 school year. Parents/guardians may log into Skyward Family Access to complete the First Day Verification process. Families may complete the First Day Verification at a desktop or laptop computer, or tablet. You can access Skyward on the Internet at our website: spring-ford.net

Again, simply click on "**For Parents**" then "**Skyward**" then "**Family Access Login.**" Please contact the school office at (610) 705-6005 should you need assistance with your Login and/or password.

If you do not already have a Skyward password, please contact our office.

If you need assistance completing the online verification process, please use the link below to view the tutorial and help you complete the first day verification process.

Please note, teacher information, homerooms and schedules will not be available until your First Day Verification is complete.

Royersford Elementary Class Lists

On August 17, 2020, after 3:00 PM, you will be able to access your child's teacher assignment through Skyward. **In order to see your child's teacher assignment, you will first need to complete the district's first day verification.** Our class lists process is a multi-layer process that looks to balance the many academic, along with social and emotional needs across the building. This process was even more complicated this year as the added safety procedures that must be in place when we return to the building and the balance of hybrid groups based on transportation needed to be considered. For these many reasons, changes in student class assignments will not be able to be honored at this time.

Staff Update: New to RES!

Please join us in welcoming new faces to our RES Family:

- Welcome **Maura Kelly** who will be in for Angela Fitzgerald (Full time speech) while on maternity leave
- Welcome **Meghan Smith** who will be our new speech teacher shared with Oaks Elementary
- Welcome **Kristin Sokalski** our new school counselor, who will be joining Ms. Robyn Michael and will be shared with Oaks Elementary
- Welcome back **Mrs. Novia** to kindergarten after being out on maternity leave

Don't Miss the Bus: Bus Status App

Wondering if your child's bus is running late? Download the new Bus Status App for iOS and Android to receive bus notifications straight to your phone!

The Bus Status app displays up to date bus information for schools and school districts. The app sends out push notifications for cancelled, delayed, or early buses, keeping parents and students updated throughout the day. Select your bus route as a favorite to receive notifications for special announcements and late bus information.

Q: Does Bus Status App track my child's bus?

A: No, Bus Status App does not have GPS tracking.

Q: Does Bus Status App keep private information like my address or name?

A: No, Bus Status App does not hold any private information. It does not hold names, street addresses or bus routes. The app simply pushes notifications based on the information you've requested.

Q: When will I see my child's bus?

A: Bus schedules will be uploaded to Bus Status App after August 17, 2021.

Open House Grades 1 – 4 More information to follow

ARRIVAL AND DISMISSALS

Please do your best to ensure consistency with your child's mode of transportation each day. The consistency in schedule helps to ensure safety to and from school and minimizes confusion for both student and teacher.

Traffic can become congested in the morning, so we ask that you please consider having your child ride the bus if bus transportation is offered in your area. Students that ride the bus will follow all mask mandates and social distancing protocols.

Please be patient and cautious in the morning during parent drop off if you plan on driving your child to school. Our doors open at 8:45 am where students enter through the front main entrance on 4th avenue and can go right to their homeroom.

Students Grade 1-4 9:00 AM- 3:40 PM

TO AND FROM SCHOOL

Walkers + Crossing Guards

If your child walks to school unescorted by a parent or another adult, please be certain to emphasize that they practice safety when crossing streets and walkways. Walkers will be dismissed through our Front Main Entrance. Students will only be escorted to 4th Street at the end of our school driveway or to the top steps on the 5th street side of our school.

Since many of our students walk to and from school, adult crossing guards, employed by the Borough of Royersford, are posted at key intersections within the borough. Work with your child to establish the safest and most direct route to and from school. Also, please encourage your child to listen to and respect the crossing guards.

Fourth grade student safety patrol members are assigned to our buses, to provide another set of eyes and ears for the driver.

Spring Street Traffic Circle

The circle around the flagpole on Spring Street at the front of the building is intended for use by parents in cars who are dropping off or picking up students.

In the morning at arrival time there is absolutely no parking in the traffic circle. When you arrive in the circle, please pull around as far as you can go to leave room for cars entering behind you. When your child has exited your

vehicle, please exit the traffic circle immediately to keep the flow of traffic moving. You may NOT park or leave your vehicle for any reason in the morning

ALWAYS ENSURE THAT YOUR CHILD EXITS THE VEHICLE ON THE PASSENGER SIDE OF THE CAR WHEN UTILIZING THE TRAFFIC CIRCLE FOR DROP-OFF.

Bicycles

Only students in fourth grade are permitted to ride bicycles to school. However, permission must be obtained from the building principal. Helmets, as required by law, must be worn by all students who ride bicycles to and from school. A bicycle lock is also a must.

It is best for students to walk their bikes on school property at both arrival and dismissal times, as there are many walkers during these times. Students who fail to follow proper bike-riding procedures will have their riding privileges revoked.

Bus Stops

It is recommended that students be at their bus stops five minutes prior to their assigned time on the first few days of school. Please remember that school bus safety begins at the bus stop. It is recommended that an adult accompany students to the bus stop if possible.

FOR PARENTS

Royersford Contact Information

The school's main phone number is 610-705-6005. Please save this number in your contact list. This number provides "one stop shopping" for contacting the school as well as the Absentee Phone Line. In addition, by calling this number you can access the voice mail for all school staff. When you phone the school, your call will be answered by the automated system. Listen for options and instructions. If you need the main office, simply press "0". The school's fax number is 610-705-6250.

You can access school information on the Internet at our website, spring-ford.net. Simply click on "Our Schools" then "Royersford Elementary" on the drop-down menu.

Please continue to stay informed by visiting our webpage frequently. We will post a monthly Newsletter in the on the Royersford Elementary website.

Volunteer Policy

The Office of Human Resources has begun accepting Volunteer applications for the 2021-202 school year. The volunteer process will be automated through Raptor's Volunteer Management. Please visit the [Spring-Ford Volunteer Page](#) for more information on volunteering!

All volunteers and visitors must be scanned into our Raptor Security System and need to have their license accessible during your visit to school. We recently had upgrades made to Raptor, however we were not able to retain previously scanned drivers' licenses.

The school district provides us a nurse at R.E.S. which is **Mrs. Rachael Schauder**. Mrs. Schauder will carry out state-mandated health services. This includes vision and hearing screenings, height and weight measurements, and emergency first aid. Frequently, parents send sick children or children, who have expressed a physical complaint at home, to the school nurse.

Please be aware that the services that we are equipped to provide only address emergencies or students who become ill while at school. If your child is sick, or if you suspect that your child may be sick, please do not send him/her to school. Instead have your child attended to by a doctor or other health care professional.

All medication that your child must take during the day is to be accompanied by a Medication Request Form (available from the school nurse or on our school's website). School nurses store and administer ALL medicine. This includes over-the-counter medications.

School Wide Theme

Our year-long theme for 2021-2022 is **Catch the Wave of Learning at RES**

This theme will be evident in many activities and events throughout the school year. Stay tuned for our new logo to match our new theme for the 2021-2022 school year created by one of our students.

End of Day Dismissal Forms

Be sure to complete the **END OF DAY DISMISSAL FORM** so that we can ensure your child is dismissed from school accordingly (form can be downloaded from our school webpage).

Please do not document your child as a walker if they are truly not a walker. If you are picking your child up from school in a car they are to be documented as a parent pick-up and signed out by a parent at the cafeteria door.

We encourage all families to utilize bus transportation if busing is provided in your area.

Student Absences and Adult-Sponsored Trips

If it becomes necessary for you to take your child out of school before dismissal time, you must report to the office and sign your child out using the building's log. No child may be taken from the school premises without following this procedure, and you may be asked to show identification. Please schedule non-emergency doctor, dentist, and other appointments after school hours.

Whenever a child is absent, an excuse card or parent note is required. Please provide the reason for absence as well as the date or dates your child was absent from school before signing the excuse card or note. If an excuse card is not received within three days of a student's absence from school, the absence will become "unlawful".

Current district policy provides for limited absences related to a family trip or vacation. The request form for this type of absence must be completed at least five days prior to the start of the trip. Please consult the elementary handbook for additional information regarding adult-sponsored trips. Trips for 3rd and 4th graders will NOT be approved during PSSA state-wide testing. Keep in mind that after 10 total absences including trips, a doctor note will be required for the absence to be considered excused.

Absence Reporting

To effectively address the safety of our students, the Absentee Phone Line is a mandatory district program that operates daily.

Whenever your child is absent, a call must be made to 610-705-6005 to report the absence. Select option "4" when you hear the main greeting. Absences must be reported before 9:00 a.m. By doing so, the school knows that parents are aware of the absence. If your child does not report to school and you have not called the Absence Reporting Voice Mail Box, emergency contact numbers provided by you on Skyward will be used to contact parents. In this way, both the school and parents can be assured that all students have either arrived safely at school or are absent with parents' knowledge. Calls can be made to the Absence Reporting Voice Mail Box 24 hours a day.

Visits to the School During the Day

To preserve instructional time and maximize the safety and security of our students and staff, as well as minimizing disruptions during the school day, we have implemented a "forgotten items" table that is located inside the vestibule of our school. We ask that you label the item with your student's name and teacher, and we will have a 4th grade student deliver the forgotten item(s) around 11:00am. Thank you for your cooperation with this new process.

We do have many opportunities for parents to get involved but we ask that you help us preserve our instructional school day by reducing interruptions. This means ensuring that your child has everything they need before they come to school so that we do not need to disrupt teachers and students during the day. Be sure to call the school office prior to any visit.

Birthday Celebrations

As a reminder the observance of a child's birthday can be celebrated with non-food items (pencils, stickers, book of choice for teacher to read, erasers) due to the number of students with severe allergies and to focus more on making healthy choices. We do not allow whole class food treats for a child's birthday. Exceptions to this rule will only be made for District recognized celebrations such as Valentine's Day, Halloween, and Winter Holidays. Parents are permitted to join their child for lunch in the cafeteria or near the date of their child's birthday. Adult lunches must be ordered in advance. Due to the Healthy Choice Initiative, we ask that you do not bring in food from fast food restaurants.

Invitations for parties may not be distributed at school.

Emergency School Closings

Should school have to be closed because of weather conditions or a building-related problem, it will be closed only by official notification from the district superintendent. A recorded announcement will be made via the Skylert System. **Please do not call the school office.**

Please note: If school is delayed for two hours, there will be a revised schedule and doors will open at 10:45 a.m.

There is also a modified schedule for kindergarten in case of a 2-hr. delay:

AM kindergarten will operate from 11:00 a.m. - 12:45 p.m.; and PM kindergarten will operate from 1:55 p.m. - 3:40 p.m. This will enable both sessions of kindergarten to be held on days when there is a two-hour delay. If schools close early there will be no afternoon kindergarten classes.

If schools close early due to weather conditions, it may be necessary to dismiss students early without advance warning. Now is the time for parents to make prior arrangements concerning where their children should go if no one is home. This information should be shared with your child. Parents should make certain that their children understand what they are to do in the event of an early dismissal.

Inclement Weather

As winter weather increases in its intensity, it will be necessary that our students, many of whom are walkers, are dressed properly for the weather. Please be certain to check with your child to make sure that he/she is dressed appropriately for the weather. On almost all days, our students spend some time outside for exercise and recess. On days when the weather is inclement, students will usually be admitted to the building at 8:35 AM. Please note: This is the earliest time that students should be on the school grounds.

If snow and ice impact road conditions and the accessibility to the building, please use common sense in delivering and picking up students. It is highly recommended that parents who drive their children to schoolwork out carpooling arrangements to lessen the number of vehicles during peak arrival and dismissal times.

ABOUT THE RES SCHOOL DAY

Six Day Cycle

Special subjects, (Art, Music, Library, Physical Education and Ram QUEST), operate on a six-day rotational schedule instead of a Monday through Friday schedule. This schedule is in place for all grades.

A six-day schedule designates the first day of school as "Day 1." The next day will be "Day 2," and so on, through "Day 6." The rotation will continue for all school days. "Day 1" will always follow "Day 6." Snow days, in-service days, vacation days, etc. will not interrupt the rotation. In this way all classes will receive an equal number of special subject classes.

Clothing Considerations

Shorts are permitted to be worn by students at our school. Our building policy is as follows: When the high temperature forecasted for the day is at least 70 degrees, students may wear shorts. Royersford Elementary is air conditioned. An effort is made to be certain that rooms are not so cool as to be uncomfortable for students in shorts.

For safety reasons, sandals, flip-flops, open-toed footwear, open-backed or clog-type shoes/sneakers may not be worn to school. Clothing that distracts from learning, such as tube tops, tank tops and tops that leave the midriff exposed, as well as clothing with inappropriate slogans or symbols may also not be worn to school. Sneakers or athletic shoes must be worn on our playground. Open-backed or clog-type sneakers are not permitted on the playground.

Field Trips

Educational trips are taken by each grade during the school year. Information regarding each trip will be sent home to parents by classroom teachers. Funding for field trips comes from the Parent-Teacher Organization (PTO). Additional charges to students may be necessary. If you are experiencing financial difficulty and are unable to pay for your child to attend a field trip, please contact your child's teacher or the principal. It is our desire that all students attend to benefit from the field trip experience.

School district guidelines specify the maximum number of chaperones permitted. Unfortunately, this does not permit all parents who wish to serve as a chaperone to serve in this capacity. Keep in mind that field trips are not intended to be family trips but educational experiences.
