140. CHARTER SCHOOLS

1. Purpose
   SC 1702-A
   In order to provide students, parents and community members an opportunity to
   establish and maintain schools that operate independently from this school district,
   the Board shall evaluate applications submitted for charter schools located within the
   district, in accordance with the requirements of Act 22 of 1997 and those established
   by the Board.

   The Board shall work cooperatively with individuals and groups submitting
   proposals and applications for charter schools.

2. Definitions
   SC 1703-A, 1715-A, 1717-A
   Charter School means an independent, non-sectarian public school established and
   operated under a charter from the local Board of School Directors and in which
   students are enrolled or attend. A charter school must be organized as a public, non-
   profit corporation; and charters may not be granted to any for-profit entity nor to
   support home schooling programs.

   SC 1703-A
   Local Board of Directors (Board) means the Board of Directors of the school
   district in which a proposed or approved charter school is located.

   SC 1703-A, 1718-A
   Regional Charter School means an independent public school established and
   operated under a charter from more than one local Board of School Directors and
   approved by an affirmative vote of a majority of all Board members of each of the
   school districts involved.

   Appeal Board means the State Charter School Appeal Board established by the
   Charter School Law.

   SC 1715-A
   The Board of Trustees of a charter school shall be classified as public officials.

3. Authority
   Title 22
   Sec. 4.4, 4.12, 4.13
   The Board shall ensure that each charter school application provides appropriate
   assurances of compliance with the requirements of the Charter School Law, State
   Board Regulations, and any additional requirements established by the Board.

</table>
The Board affirms that the Board of Trustees and the charter school shall be solely liable for any and all damages and costs of any kind resulting from any legal challenges involving the operation of a charter school. The local Board of Directors shall not be held liable for any activity or operation related to the program of a charter school.

A charter school shall execute a "hold harmless" agreement indemnifying and insuring/agreeing to defend the school district in any and all kinds of liability areas so that the school district and School Board is protected in any litigation related to the operation of a charter school.

Applications for charter schools shall be submitted to the Superintendent or designee, who shall be responsible for communicating and cooperating with all applicants.

The Superintendent or designee shall be responsible to assist applicants with plans for technical assistance and contracted services that may be provided by the school district.

A charter school shall be subject to all federal and State laws and regulations prohibiting discrimination in admissions, employment and operation on the basis of disability, race, creed, color, gender, sexual orientation, national origin, religion, ancestry or need for special education services.

A charter school shall submit monthly enrollment figures and other required reports to the district, as stated in the charter.

The District shall provide transportation for resident students to charter schools located within the district. Nonresident students shall be provided transportation in accordance with law.
### Applications

Applications for charter schools must contain all the information specified in the Charter Schools Law and any additional information required by the Board.

Applications for charter schools shall be submitted to the Board by November 15 of the school year preceding the school year in which the school will be established.

Within forty-five (45) days of receipt, the Board shall hold at least one (1) public hearing on the charter application, in accordance with the Sunshine Act.

At least forty-five (45) days must pass between the first public hearing and the final decision of the Board. No later than seventy-five (75) days after the first public hearing, the Board shall grant or deny the application.

### Insurance/Risk Management

The charter school shall adequately protect against liability and risk through an active risk management program approved by the Board. The program shall include proof of purchase of insurance coverages as required by the Board.

Types of coverage, minimum coverages and levels of appropriate coverages shall be established in the charter.

A charter school shall operate in a manner that minimizes the risk of injury and harm to students, employees and others.
