Dr. Siggins thanked the Board for the opportunity to come out tonight and make this presentation on the special area classes at the 8th Grade Center. He also expressed his appreciation to the 8th grade students who volunteered to do this and put in the necessary time to prepare to be here this evening. Dr. Siggins thanked the parents for coming out and bringing the students to tonight's meeting and Dr. Moyer for leading the students through the presentation.

Dr. Moyer expressed his thanks to everyone for allowing them to come out this evening and especially the students from the Class of 2022. He stated that tonight they brought 12 members from this class to talk about their experiences in the series of classes that are run on a daily basis at the 8th Grade Center. Dr. Moyer stated that the classes are called the special area classes and consist of Technology Education, Family and Consumer Science, Art Education and Music Education. He provided an overview of how student's schedules work with regards to the special area classes. Dr. Moyer commented that there were 4 groups of students present tonight to speak about their experiences in the special classes during the first marking period of this year.

Students representing each special area class came forward and spoke of their experience in the class and explained what they liked most about the class and the benefits they received from participating in the class.

Dr. Moyer commented that they have very talented students in the 8th Grade Class of 2022 and stated that the future for Spring-Ford High School is very bright. Dr. Moyer expressed that he and Dr. Siggins are very proud of this group of students and are excited for what they are going to accomplish at the high school.

Dr. Goodin thanked everyone for coming out to the meeting this evening. He expressed how impressed he was with the students commended them on coming to a public meeting and speaking in front of a crowd.

Mr. DiBello stated that these are the types of nights that make him enjoy being a School Board Member as they have seen the full gamut of our students, their talent and their skills from high school all the way down to 8th grade. Mr. DiBello added that in looking at what the

students have done, he wishes he could have done half of that in 8th grade. Mr. DiBello agreed with Dr. Goodin's statement that for these students to get up and speak at a public meeting is a heck of an accomplishment itself. Mr. DiBello thanked them for coming out this evening.

H. **Dr. Michael Siggins**, Principal 8th Grade Center, **Dr. Robin Moyer**, House Principal, and **Rosy Abbas, Alex Craig, Aurora Ferguson, Ava Guarino, Conor O'Dea, Lydia Orme,** [REDACTED] **Olivia Payton, Aidan Pronchick, Ella Roche, Jonathan Seifarth, Kate Vossen** and **Joe Wisinski**, Students, to present on the **Special Area Classes at the 8th Grade Center.**

III. BOARD AND COMMITTEE REPORTS

Community Relations Colleen Zasowski 3rd Mon. 6:30 p.m.

Mrs. Zasowski reported that the Community Relations Committee met last week prior to the work session and discussed how they are going to implement the Spring-Ford Podcast. Mrs. Zasowski explained that there will be bi-weekly podcasts that will be recorded in the Makerspace sound room and examples of topics could include information about new curricular programs, staff spotlights, budget updates, school celebrations, parent organizations and more. Mrs. Zasowski stated that RCTV would use this time to make an accompanying spotlight video 2-3 minutes in length. She added that the committee is very excited about this project. Mrs. Zasowski reported that there will be a new opening format for the board work sessions beginning in January as there will be an announcement update video from RCTV with a recap of the past month. Mrs. Zasowski stated that for the work session and the board meeting the Pledge of Allegiance video featuring Spring-Ford students will also include directions for our residents who wish to speak to the Board. Mrs. Zasowski reported that Facebook livestreaming of School Board meetings began this evening.

Mr. DiBello asked who was doing the podcasts and Mrs. Zasowski replied that Erin Crew was doing some of them as well as RCTV collaborating on the spotlight videos. Mr. DiBello asked about the Makerspace venue and Mrs. Zasowski responded that it was just where the recording was taking place.

WMCTC Ciresi, Dressler, Heine 1st Mon. 7:00 p.m.

Dr. Dressler reported that the WMCTC Joint Operating Committee met on November 6th and Mr. Moritzen acknowledged Mr. Ciresi's 11 years of service to the WMCTC Board. Dr. Dressler commented that he has served 6 of those 11 years with Mr. Ciresi. It was also reported that the Girl's Night Out event had a good turnout of 40 students and was a very successful event. Mr. Moritzen reported to the JOC on the visit by a delegation from the Western Center to the SEMA event in Las Vegas in order to determine if it was an appropriate event for our students to be exposed to. Dr. Dressler advised that next year they plan on taking a delegation to the event including students. Dr. Dressler reported that the Western Center will hold an Open House on November 29th from 5-6 PM for perspective students and parents. There will also be a High Tea Event on Wednesday, December 13th with two seatings available. Dr. Dressler commented that the last thing was the Superintendent's report where Dr. Goodin had advised that Representative Bob McDermott from Hawaii came to look at the programs offered at the Western Center with the idea of introducing similar programs in the state of Hawaii.

Mrs. Heine asked if Dr. Dressler wanted to talk about the Tiny House Project and he advised that the tiny house had been taken to Penn State. Mr. Ciresi added that it was well received and there was an offer made on the house while it was there. He added that since the Board had put a caveat on it that it had to be auctioned off starting at

\$40,000 the offer made was not able to be accepted. Mr. Ciresi indicated that the tiny house will be auctioned in the coming weeks and bids will start at \$40,000. Mr. Ciresi stated that the house is valued at about \$62,000. He added that the hope is to get at least \$45,000 - \$50,000 for it. Dr. Dressler asked if people will be able to view the tiny house during the Open House event and Mr. Ciresi replied yes. Dr. Dressler added that it is a lovely little house with a lot of terrific features. Mrs. Zasowski commented that her husband had painted the house pro bono and had told her that it is quite the compact little area and that he would not mind moving into it.

PSBA Liaison Dr. Edward Dressler

Dr. Dressler advised that we are still looking for a volunteer from the Board to attend the National School Board Association Conference in the spring in San Antonio, Texas. Dr. Dressler stated that he hoped that someone would be able to attend the meeting. He next reported that the issue of school start times is still a hot topic and districts around the Pittsburgh area are now evaluating changing the start times. Dr. Dressler added that the North Allegheny School District has changed its start times. He stated that the question of sleep cycles for young people has been investigated by the medical community. Dr. Dressler pointed out that there are costs incurred with changing start times with regards to bussing issues. He added that the North Allegheny School District did not do this without first consulting the parents.

Mrs. Heine asked about the start time for the high school students in North Allegheny and Dr. Dressler replied 7:25 a.m. Mrs. Heine stated that Spring-Ford starts later than that. Dr. Dressler looked back through his paperwork and stated that the district was shifting the high school student's first period start time from 7:15 a.m. to 8:00 a.m. Mrs. Heine stated that it would be a 20 minute difference from where we currently are starting.

Property Joseph Ciresi 2nd Tues. 6:30 p.m.

Legislative Committee Joseph Ciresi 3rd Weds. 7:30 p.m.
There was no report.

MCIU Tom DiBello 4th Weds. 7:00 p.m.
Mr. DiBello reported that last week's MCIU meeting was held at the old facility which had been turned into an early intervention/pre-kindergarten learning facility. Mr. DiBello advised that the programs were very success with over 400 students enrolled in them. He stated that they are back at the starting gate with utilizing the building as when they originally moved out of the building the hope was to sell it. He added that now with these programs off and running very successfully they have decided to get some bids and ideas on certain aspects of the building that will need to be remodeled to accommodate the programs and bring it up to current standards as well. Mr. DiBello stated that there will be more to come on this in the near future.

Superintendent's Report Dr. David R. Goodin
Dr. Goodin commented that tonight is the last board meeting for two Board Members, Mr. Ciresi and Mr. Spletzer. He thanked them for the service they have rendered to the district on behalf of the community. He stated that they have both certainly done the yeoman's work in moving the district forward and making sure that things were happening in the district. Dr. Goodin expressed thanks for the time they have committed. He presented them with farewell gifts as tokens of the district's appreciation.

Mrs. Spletzer stated that it is bittersweet tonight. She commented that the 4 years she has spent serving the students and the community in Spring-Ford has been an honor and an experience that she will cherish forever. Mrs. Spletzer stated that she loves this district and she is glad to have been a part of this and seeing behind the scenes. She expressed that it has been a very humbling but great experience.

Mr. Ciresi advised that he will hold his farewell comments for the end of the meeting but wanted to thank Mrs. Spletzer for her service and sitting at the table as a Board Member, a community member and a parent. He added that serving on the Board takes a lot of time out of your life and changes your life in a lot of ways. He stated that he believes they grow from this experience but that it does not go without its pluses and minuses and you often hear that it is a thankless job. He added that the energy they give is far from thankless. He again expressed his thanks to her for her service as a Board Member.

XI. BOARD COMMENT

Dr. Dressler commented that things will not be the same on the Board without Mr. Ciresi and there be a void that will not be easily filled. He added that Mr. Ciresi always came up with good ideas for the betterment of the program here. Dr. Dressler wished him the best of luck.

Mr. Pettit expressed his appreciation for all of the hard work that Mr. Ciresi has done on behalf of the district, the board, the students and the community. Mr. Pettit stated that Mr. Ciresi is owed a strong debt of gratitude as he is one of the main reasons for

this district thriving and improving the way it has during the time he has been on the Board.

Mr. DiBello thanked Mrs. Spletzer for being on the Board and said he agrees with Dr. Dressler that when you lose Board Members it is very difficult to fill a seat. Mr. DiBello stated that he knows there are new members coming on and the Board is excited that they will be joining them. He added that when Mrs. Spletzer came onto the Board four years ago she hit the ground running and never looked back. He stated that she helped them accomplish many achievements, have lots of successes, provided guidance and support. Mr. DiBello expressed his appreciation for everything Mrs. Spletzer has done and stated that she hopes she comes back in the future. Mr. DiBello commented that Mr. Ciresi was the driving force behind many initiatives in the district such as the Strings Program, the Limerick to Limerick Exchange Program, the Board Back to School Program, the Administrators with Class Program and the Arboretum Project. Mr. DiBello spoke of the success of each of those programs. He stated that he hoped that Mr. Ciresi comes back to School Board meetings. He stated that both Mr. Ciresi and Mrs. Spletzer will be missed as they were strong Board Members and he wished them success in whatever they may do.

Mr. Ciresi thanked everyone for their comments. He stated that he has had the honor to sit at the board table for 12 years and serve with some great people; some who still sit at the table and some who have moved on and those who have passed on. He commented that he has often said that he did not grow up here but chose to live here and raise a son here. He added that he has loved every minute as a Board Member but the time has come to move on. Mr. Ciresi stated that he has aspirations to move onto a new position within the state. He commented that he will miss the fun times, the bad times and added that they have disagreed at times but out of that came great resolution. Mr. Ciresi stated that he wants to say thanks to Mr. Pettit who was the first Board President he served with and was a great leader and mentor to him. Mr. Ciresi thanked Mr. McDaniel, Mr. Cooper and Mr. Ziegler for being someone that he could go to for advice on multiple topics even if it was not in their areas and for always being honest with him. Mr. Ciresi acknowledged Mrs. Fern saying she has served as the Board Secretary for all those years. He stated that she is more to them than a secretary as she has been an adviser to him and a friend. Mr. Ciresi thanked her for all she has done and being able to tell him when he has been out of line. Mr. Ciresi stated that Mr. DiBello has been a partner he was worked with for 8 years and nothing ever became political between them. He commented that they came from different political parties but never brought politics to the board table. Mr. Ciresi added that while they may not agree on different subjects in politics they showed that when you are working for a goal and a purpose it does not matter as they worked as a team for 8 years. Mr. Ciresi expressed that he cannot thank Mr. DiBello enough as together at the board table they were a great team and he said he will miss that a lot. Mr. Ciresi addressed Dr. Goodin and Dr. Roche saying to keep up the good work as they were both great hires and knows that they will lead the district. He added that even though he is leaving the board he is not leaving Spring-Ford. Mr. Ciresi stated that he will now take his seat with two great people sitting in the audience; Mrs. Pettit and Mrs. DiBello. He stated that he has appreciated and has loved every minute sitting at the board table and is grateful for everything the staff has done for him and his son. He commented that he and his wife will continue to be a big part of Spring-Ford and everything that happens in this district as this will not be the last of him being involved. Mr. Ciresi congratulated the new incoming Board Members and thanked them for the work they are about to do as the job is far from thankless. Mr. Ciresi said he would like to quote Carol Burnette in

saying "I'm so glad for the time we had together" that was very short and he knows their paths will cross again and he looks forward to the opportunity to work with each of them again. He invited everyone to come out and support the arts from December 1st through the 14th to see him at the Steel River Playhouse in the show "A Christmas Carol" where he plays the part of Scrooge. Mr. Ciresi announced that there was cake in the back of the room and invited everyone to have some.

XII. PUBLIC TO BE HEARD

There were no comments from the public.

XIII. ADJOURNMENT

Mr. Pettit made a motion to adjourn and Mr. DiBello seconded it. The motion passed 8-0. The meeting adjourned at 8:37 p.m.

On October 16, 2017 the Work Session of the Board of School Directors of the Spring-Ford Area School District was called to order at 7:30 p.m. in the cafeteria of the Spring-Ford High School with the following in attendance:

Region I: Dr. Edward T. Dressler and Bernard F. Pettit
Region II: Dawn R. Heine and Colleen Zasowski
Region III: Mark P. Dehnert and Thomas J. DiBello
Presiding Officer: Joseph P. Ciresi
Assistant Superintendent: Dr. Allyn J. Roche
Chief Financial Officer: James D. Fink
Solicitor: Mark Fitzgerald, Esq.
Student Reps.: Taylor Stevens and Nandini M. Patel

The following Board Member was absent: **Kelly Spletzer**

ANNOUNCEMENTS

Taylor invited all Oaks Elementary teachers, parents, students and friends to save the date for the Oaks 50th Anniversary Celebration. This event will be held at Oaks Elementary School on November 5th starting at 1:00 p.m. She advised that more information can be found by visiting the Oaks Elementary School 50th Anniversary Facebook page.

I. PUBLIC TO BE HEARD ON AGENDA ITEMS ONLY

There were no questions or comments from the public.

II. ACTION ITEM

Mrs. Heine made a motion to approve Item A and Mr. Pettit seconded it.

Mr. Dehnert commented that he had talked with a Limerick Township Supervisor today regarding the transportation study. Mr. Dehnert felt the study did not make much sense to him since the expansion project did not add any additional traffic. Mr. Dehnert stated that the township supervisor had indicated that Spring-Ford could ask for a waiver for this and the Limerick Township Board may waive it. Mr. Dehnert felt the motion should be amended to reflect that we will ask for a waiver from the traffic impact study fee of \$32,000. Mr. Dehnert questioned why we would pay this if they possibly will be willing to waive it and he stated that we would not know unless we asked.

Mr. Fitzgerald replied that he was not under the impression that this was possible as his understanding is that we were presented with this resolution over the last week or so and we have to accept it. The township is going to take action on this tomorrow evening. Mr. Fitzgerald added that he has not heard anything to suggest that a waiver is possible under these circumstances.

Mr. Dehnert reiterated that he had asked one of the supervisors and that is what he told him today. He added that the supervisor cannot grant it as the Limerick Township Board has to but he had said if you ask it may be granted.

Mr. DiBello commented that there was a preliminary meeting held with the township and the waiver was discussed. He asked what said at that meeting.

Mr. Cooper indicated that both he and Mr. Ziegler were present for the meeting and were told that they would not and could not waive this for a couple of reasons. Mr. Cooper stated that the original traffic impact study that we paid for was done in 2008 when the high school addition was done and at that time we had also asked that this be waived and it was denied.

Mr. Dehnert asked who they was that Mr. Cooper was referring to and Mr. Cooper replied Limerick Township Supervisors, the township manager, their engineers and their solicitor. Mr. Dehnert asked if it was a public meeting and Mr. Cooper replied no that it was a private meeting. Mr. Cooper stated that he specifically asked for this to be waived and was told no.

The motion passed 5-2 with Mr. Dehnert and Mr. DiBello voting no.

Mr. Ciresi asked that if any Board Member was free tomorrow evening that they attend the Limerick Township meeting and ask again for this fee to be waived even though our Board has already approved it.

- A. The Board approved the Resolution for the Preliminary/Final Land Development Plan between the Spring-Ford Area School District and Limerick Township. **(Attachment A1)**

III. PRESENTATIONS

Mr. Moyer spoke about the Oaks Elementary 50th Anniversary saying it is Sunday, November 5th and will be an Open House from 1:00 PM – 4:00 PM. He added that the actual 50th anniversary of the Oaks School occurred as it opened during the 1966-67 school year so we are in fact in the 51st school year. Mr. Moyer provided some facts on the history of Oaks Elementary. He stated that one interesting fact was that the school which is on about 25 acres was built for \$1.2 million. Mr. Moyer added that the very first principal of the school happened to be his father and he will be attending the 50th anniversary celebration on November 5th. Mr. Moyer invited everyone to come out and attend the celebration.

Mr. Moyer stated that they are here tonight to highlight the Art Program at Oaks and he introduced Mrs. Karen Bollinger the Art Teacher.

Mrs. Bollinger thanked the Board for having them out tonight and stated that Picasso once said that every child is born an artist and the real work of an artist is to remain one as you grow up. She stated that the group of students here from Oaks are already artists, are hardworking and are excited to share what they have been doing in class. Mrs. Bollinger advised that the Art Program incorporates painting, drawing ceramics, printmaking, art history and sculpture. Mrs. Bollinger went through each grade level and explained what the students were working on at that level. Students from the various levels brought their art pieces forward and shared them with the Board and the public.

Mr. Ciresi thanked the students, Mrs. Bollinger and Mr. Moyer for coming out tonight and stated that all of the art work looks great.

- A. **Mark Moyer**, Principal, **Karen Bollinger**, Art Teacher, and students from Oaks Elementary to provide an overview of the “**Oaks Elementary Art Program**”.

Dr. Roche advised that he would be giving the back to school presentation due to Dr. Goodin being unable to make the meeting. Dr. Roche stated that he will be presenting information on how we open up a school year from the district's perspective. He began the presentation by talking about transportation which is a hot topic right now. Dr. Roche reported that they continue to work hard to deal with the current challenges and have been proactive with communicating with parents of those students impacted by those challenges. He gave the facts on the number of students transported on a daily basis, the number of busses and the number of bus routes. Dr. Roche stated the number one priority is safety and then getting the students home as quickly as possible. He next reported on the Technology Department saying they do a tremendous amount of work over the summer as well as during the school year. He added that they continue to do a terrific job deploying technology across the district and providing technical support to staff. Dr. Roche next spoke about the Food Services Department saying that it is always a topic of conversation especially with students. He commented that every survey from students list the #1 thing as school lunches and typically not positive in terms of having more choices amongst. Dr. Roche advised that there are rules and regulations regarding what we can and cannot serve. He added that as of this week our food sales are up 6% from last year at this time. Dr. Roche presented information pertaining to curriculum and instruction on Ram QUEST which will include student being able to work on robotics soon, the new math program in 5th-8th grades as well as for Algebra I and Geometry, Modernized Learning and the Hybrid Learning Projects. He added that he is happy to report that they continue to value and work on in-service opportunities for staff in order to continue to support the curriculum. Dr. Roche announced that parent-teacher conferences are set for Thursday evening, November 16th, all day Monday, November 20th as well as in the evening and then on November 21st there will be additional conferences for kindergarten and 5/6th grade teachers. Dr. Roche added that also on November 21st they are working on an additional professional development plan for those teachers in those grades not mentioned. He stated that the district is trying to empower teachers to take the information they have learned by attending conferences and teach their colleagues and peers during these in-service days. Dr. Roche next spoke about the Communication, Marketing and Media Department that successfully hosted the 2nd Annual Back to Spring-Ford Night, the 2nd First Day Verification which continues to be fine-tuned as we go through the process, new shows and programs on RCTV including Gridiron, Body Metrix and more. Dr. Roche addressed the efforts that have been made in the safety and security areas by providing an overview on the ALICE Training Program for grades K-12. He added that there was a parent presentation program held recently that was well attended and elementary teachers are working through the book, "I'm Not Scared I'm Prepared" with students. Students in grades 5-12 will participate in drills and get into some things that we hope we never have to address or work with such as barricading rooms and rendezvous points. He added that unfortunately with where we are in society, these are conversations we have to have and we are having them as delicately as we can with the younger kids and as straight forward as we can with the older kids. Dr. Roche explained that if an event occurs in Spring-Ford or anywhere in a student's life they will be ready to address it as best possible with the adults continuing to lead the way and provide guidance as best we can.

Mr. Dehnert asked about the bussing issues and if Custer's had given the district a corrective action plan with a timeline on what actions Custer's will be taking and when do they expect to have the problem resolved? Dr. Roche stated that he did not have this information as he has not been a part of that conversation in terms of an action plan or the exact resolution date. Dr. Roche added that he knows they are continuing to hire and continuing to have people come on board. Dr. Roche added that what he is hearing is that the market for bus drivers is extremely competitive. He commented that they will continue

to try and hire and we will continue to try and adjust things on our end. Mr. Dehnert stated that he would like to see the status on Custer's weekly or periodically.

Mr. Pettit thanked Dr. Roche and all of the staff for a smooth start to the school year and added that everyone did a great job.

Mr. Ciresi thanked Dr. Roche for the great presentation and commented on the bussing with regards to the number of miles the busses travel which total over 8600 miles per day. Mr. Ciresi asked if the Board will be seeing the PSSA's at the next meeting and Dr. Roche replied yes, they would be presented on October 23rd. Dr. Roche advised that as of now we still do not have the SPP numbers even though we were promised them several times.

B. **Dr. David R. Goodin**, Superintendent, to provide an update on the start of the 2017-2018 school year.

IV. BOARD AND COMMITTEE REPORTS

Student Rep. Report Taylor Stevens/Nandini Patel

Nandini reported that last week was spirit week and Spring-Ford's won against the Boyertown Bears. She advised that students and teachers all enjoyed dressing up and showing a great amount of school spirit which all led up to our annual powder puff game which raised \$10,000 for Camp Rainbow and the homecoming dance. Nandini reported that the SATs were held here on October 7th along with the PSATs which were held on October 11th for all sophomores and registered juniors. She advised that the 1st marking period will be ending on November 2nd.

Policy Colleen Zasowski 2nd Mon. 7:30 p.m.

Mrs. Zasowski reported that the Policy Committee met on October 9th where Dr. Patschke and Mrs. Germinario were present and suggested edits to Policy 246 on Student Wellness. Mrs. Zasowski stated that based upon recommendations that were received from the District Wellness Committee and as a result of changes from PDE related to school nutrition services, additional work was needed on some of the suggested changes. She added that administration will bring the changes and updates back to the November committee meeting. Mrs. Zasowski stated that the committee next reviewed Policy 204 Student Attendance due to revisions being made as a result of changes made by PDE and state laws regarding school attendance, truancy, school attendance improvement plans and petitions to court for students who are considered habitually truant. She added that the updated policy is on the agenda for a first reading tonight. Mrs. Zasowski reported that the committee reviewed the updates to Policy 484 Sick Leave which came as a result of the changes and new language added to the professional agreement. This revised policy is also on the agenda for a first reading tonight. The committee next moved onto Policy 103 Non-Discrimination in Participation-Employment-Contract Practices at the suggestion of the solicitor a revised draft of Policy 103 was considered and it was asked to be returned to the committee next month with further clarification of the policy based on a question asked. Mrs. Zasowski advised that the solicitor has provided a newer interpretation of the policy change which includes a revision to Policy 103 and the addition of a Policy 104. She stated that additional conversations will take place on both of these policies at the next meeting. The committee did talk about the Community Use of School Grounds and Playgrounds. Mrs. Zasowski commented that the policy was discussed and additional changes will be shared at the November committee meeting. The policy on the Use of the All-Weather Track was discussed and additional changes will be shared at the November committee

meeting. Mrs. Zasowski advised that the committee did not discuss the Use of Facilities policy as they are waiting on feedback from the Property and Finance Committees.

Extracurricular

Tom DiBello

2nd Mon. 6:30 p.m.

Mr. DiBello reported that the Extracurricular Committee met on October 9th and had a few presentations beginning with one from the High School Theater on their fall production of *A Christmas Carole* which will take place on November 17th and 18th. Mr. DiBello advised that all 36 students who tried out will be in the show and the goal is to get another 20-30 students involved in the production. The committee next had a High School Athletic update from Mr. McDaniel which indicated that there were 499 students participating in activities in the 2017-2018 school year which is up by 10 students from last year at the 9-12 grade level. Mr. DiBello reported that the overall records for fall sports have been pretty impressive. He provided the update on PAC Championships. Mr. DiBello provided an update on coach certification saying that PIAA has changed the recent certification requirements and the good news is that it will be zero cost to the school district as coaches will be able to utilize the Safe Schools Website, which Spring-Ford already participates in, as the necessary courses are on that website. Mr. DiBello spoke about the topic of expanding the 7th and 8th grade athletics to include 2 teams as many kids try out for spots on the teams and get cut due to us only being able to carry so many kids per team. Mr. DiBello reported that the recommendation from Mr. McDaniel and Mr. Racich is to do a pilot program in the fall of the 2018-2019 school year. He added that the anticipated costs for this will be around \$84,000. The committee asked that Mr. McDaniel come back to them with what programs the Athletic Department wants to start with in the fall of 2018.

Property

Joseph Ciresi

2nd Tues. 6:30 p.m.

Mr. DiBello reported that the Property Committee met on October 10th and received an update from Mr. Cooper on the Crabtree and Limerick Township approval that the Board just voted on at the beginning of the meeting. Mr. DiBello clarified that the reason he voted no on the resolution earlier tonight was because he was not sure why our Board was being asked to vote on a resolution before Limerick Township approved it. He added that he was in agreement with Mr. Dehnert that we should not have to pay a traffic impact fee. The committee received an update on the high school auditorium lighting project. It was also discussed that the district through its participation in the EnerNOC Program will be looking at a savings of \$53,000 for last year. The committee received updates on the 9th grade roof repairs which have been completed, the Brooke Elementary fire panel which is in its final stages of testing, and the reconfiguration of the conference room and some offices at the district office which Crabtree has agreed to take a look at the drawings and provide us with some recommendations pro bono. Mr. DiBello reported that approximately 700 feet of fencing will need to be replaced at the 9th Grade Center Baseball Field at a cost of \$8,800. He advised that all of these projects are part of Mr. Cooper's planned budget for 2018. Mr. DiBello stated that everyone appreciates all that Mr. Cooper is doing. He next commented that Mrs. Zasowski on behalf of the Policy Committee to speak about the Use of Facilities Policy as she is in the process of gathering information in order to modify and update the policy. Mr. DiBello stated that it needs to be clear that these are recommendations and that everything that is recommended will not necessarily be included in the policy but the Board needs to see everything all of the recommended information.

Mrs. Zasowski commented that in the meeting when they discussed the traffic impact fee, she believes we said we would consider it but at no point did we say that we were in agreement with all of this.

Mr. DiBello responded that the conversation was that they felt this is not something we should do and Bruce talked to the Township at the preliminary meeting that is part of the normal land development process and was told by the Township Engineer and Township Solicitor that they would not waive the traffic impact fee. Mr. DiBello stated that there is a township meeting tomorrow night and he felt that someone should attend and ask again that the fee be waived.

Finance

Tom DiBello

2nd Tues. 7:30 p.m.

Mr. DiBello reported that the Finance Committee met on October 10th and went through the executive monthly reports and some of the highlights are that the current assessments are up \$2.9 million, real estate transfers are slightly better than expected and earned income taxes are up as well. He added that as part of the first few months into the budget we are projecting to be on or a little better than our target for the 2017-2018 budget. Mr. DiBello cautioned that this could change and each month they will provide an update as far as how we are trending. Mr. DiBello reported that the committee did talk about the 2018-2019 budget timeline and the goal is to have a budget presentation at the November Work Session, approval of the preliminary budget at the November Board Meeting and the adoption of the preliminary budget at the January 22nd Board Meeting. Mr. DiBello stated that there is a very good chance that we will be finishing our preliminary 2018-2019 budget before the state passes their 2017-2018 budget. He urged everyone to be cautious and pay close attention to what is going on as they are over \$2 billion short and they have to make up the money somewhere by finding additional funding, making cuts or borrowing money which is what they are doing now to get them through. Mr. DiBello reported that the state just borrowed \$700 million but in reality what they are doing is just digging the hole deeper. Mr. DiBello commented that Mrs. Zasowski was present for the Finance Committee meeting on behalf of the Policy Committee to speak about the Use of Facilities Policy and gather information in order to modify and update the policy.

Dr. Dressler commented that our budget is based on what we anticipate we are going to get from the state but how do we know where our budget is for this year let alone what is going to happen with next year's budget when the state does not have a budget as of yet. Mr. Fink replied that the good news is that we have experience with this from two years ago and we have adequate reserves so we are good for now. He added that the question is the state's budget shortfall and how they will make it up. Dr. Dressler asked if we knew what we were getting from the state and Mr. Fink responded that the state told us what we were getting and that is what is in the budget. Dr. Dressler stated that the state just doesn't know how they are going to pay for it and Mr. Fink confirmed this was correct.

Mr. Ciresi commented that the district has done a great job with budgeting and forecasting so we do not just have money sitting in an account as a slush fund. He stated that he did not want the state to come back and say that Spring-Ford has money so they do not need our money. He added that we have properly budgeted and put money away. Mr. Ciresi expressed that he thinks it is a shame that we are at the end of October and the state still does not have any idea of how they are going to fund the budget and now they are once again attacking public education and higher education. He urged everyone to get on their state representatives and senators. Mr. Ciresi spoke about the referendum question that is on the ballot and stated that no one understands the question.

Mr. DiBello commented that the information being put out there about this is inaccurate and it is being pushed as a property tax reduction which it is not. Mr. DiBello stated that you cannot fight the propaganda that is being put out there.

Asst. Superintendent Rpt. Dr. Allyn J. Roche

Dr. Roche provided a PowerPoint presentation for his report tonight. He advised that he wanted to provide an overview of some of the work that he does which mainly involves pupil services. Dr. Roche gave a summary of all of the departments that he oversees as the Assistant Superintendent which include Special Education, School Counselors, Psychologists, Nurses, Home and School Visitor and all the related services providers for these areas such as Speech and Language, Hearing Specialists, Occupational Therapists and Physical Therapists as well as overseeing all homebound instruction, homeschooling, and providing support for homeless students. Dr. Roche stated that many of these departments provide support to students who are struggling and the population in these areas continues to grow. Dr. Roche provided an overview of the supports provided in the areas of a student being deemed homeless and stated that there are laws that govern how a district deals with this. He provided an example of a student who is a Spring-Ford student and may find themselves homeless but is able to find a place to live in Bensalem then it is up to Spring-Ford to transport that student on a daily basis to and from Bensalem every day. Dr. Roche shared a video on a professional development program concerning suicide prevention that he said he is very proud of that all teachers in grades K-4 were able to participate in as well as support staff. Dr. Roche next provided a summary of on-going work that will take place in 2017-2018 and beyond.

Mr. Ciresi asked about the Spring-Ford Virtual Academy and how many students are enrolled and Dr. Roche replied 19-20. Mr. Ciresi asked if the district picks up a few more students year after year and Dr. Roche advised that it is an ebb and a flow as not all students are successful in a cyber-program. He commented that the program was initially designed to bring students back from outside cyber program. Dr. Roche added that they get requests also from parents who want to move their students from our school into the cyber program and he indicated that the district does not immediately honor that request as they try to exhaust all other possibilities at the building level first and the goal is to make parents and students take time before jumping into this type of educational program.

Dr. Dressler asked about the example Dr. Roche gave regarding transporting a student from and to Bensalem and if he heard him correctly and Dr. Roche confirmed that if a student is deemed homeless under the McKinney-Vento Act then we must transport from wherever the student is staying to Spring-Ford as the most important thing in that type of situation is stability for the student. He added that at times we are able to work in conjunction with the school district where the student may be staying to share the costs with us for transportation.

Dr. Roche walked everyone with iPhones through the process to download the Spring-Ford School District app and then select allow push notifications. He provided a short tutorial on how to download the app and how to customize it for your preferences.

Mr. Ciresi asked that as part of next year's budget the district purchase the most state of the art technology we can for this room and have everything that we could possibly need in order to run the meetings more efficiently and in time with technology. Mr. Ciresi asked that when they look at the budget they look at the high school cafeteria as a corporate presentation room. He stated that they have had issues over the years with presentations and he would like to see them buy what they need to have and not beat around the bush.

Solicitor's Report Mark Fitzgerald

Mr. Fitzgerald commented on Policy 103 saying he had sent it over to Dr. Roche for his review regarding some concern about some language in it. Mr. Fitzgerald stated that a day or two after receiving a response from Dr. Roche, he had heard from another client that PSBA is planning on merging their non-discrimination policy and their harassment-sexual harassment policies. Mr. Fitzgerald stated that from a legal perspective these are two of the most active policies that any district uses as it involves students and employees. Mr. Fitzgerald indicated that he had shared with the Policy Committee the potential to merge Policy 103 and Policy 104 with the 248, 348, 448 series of policies which are all the harassment policies. He added that this may take a bit more time to digest what is approximately 12 pages or so per policy but this is something that the Policy Committee will more than likely be digesting over the next few months.

Dr. Dressler appealed to the Board Members to consider attending the NSBA Conference in April in San Antonio, Texas. He stated that he does not believe he can attend at this time but though it would be encouraging to see some other Board Members attend and possibly do a presentation there on some of our school initiatives. He expressed that he felt it was important that we have representation there and he would like to encourage someone to attend this meeting.

II. PRESENTATIONS

Mr. Currie introduced himself and said it was his pleasure to introduce the McNutt Family. Mr. Currie reported that every year for the past 10 years in April the McNutt's, owners of Rita's Water Ice in Royersford and Colledgeville, have run the "Ice for Autism" fundraiser. He stated that during that event funds are raised to benefit students with Autism across the district. Mr. Currie stated that this event is definitely a highlight of their year as district personnel have the opportunity to go in and scoop water ice on two Wednesdays in April. He expressed his appreciation for the funds that are donated and stated that they have benefitted hundreds and hundreds of students over the years.

Mrs. McNutt introduced herself and said she wanted to first thank and recognize the students at the 5th/6th Grade Center for their contribution this year from the sale of the puzzle pieces. She also thanked the teachers from Oaks Elementary and the 5/6/7 Grade Centers for their donation from funds raised during dress down days. Mrs. McNutt reported that they have been doing this event for 10 years now and over those years have raised a cumulative total of between \$40,000 and \$50,000. She stated that "Ice for Autism" would not be possible without the help of all of the teachers who scooped, the special education supervisors who scooped, Dr. Roche who scooped and a few others who have scooped in the past. Mrs. McNutt spoke about her son Justin who has been in

the Special Education Program since kindergarten and will be 21 years old in January so this will be his last year attending Spring-Ford. Mrs. McNutt stated that she and her husband Greg are extremely grateful for all of the help, guidance and support they have received over the last 15 years. She added that her son, Justin, has received speech therapy, physical therapy, occupational therapy, has been in learning support and is now in the STEP Program which is a work training program to ensure he will have the skills he needs for a paid position out in the workforce. She added that Justin currently is doing data entry for the ARC Alliance and has been recommended for a paid internship until he officially graduates. Mrs. McNutt advised that Justin did walk at graduation with his twin sister in 2015 so that they graduated together and this year he will receive his diploma. She expressed hope that Justin will be offered a full-time position at the ARC. Mrs. McNutt on behalf of her family thanked the district for providing Justin with an appropriate education that has prepared him for the next step in his life. She added that they have met the most caring and supportive people along the way and they will forever be in their hearts. Mrs. McNutt presented the district with their check for \$4,238.68 to be used for the special needs and autistic support fund at Spring-Ford.

Mr. Ciresi thanked them for doing this every year and for their commitment to Spring-Ford Programs. He stated that it is really a tribute to see them every year and we look forward to seeing them every year.

- A. **Daniel Currie** and **Christine Raber**, Special Education Supervisors, to accept a donation from **Beverly McNutt** on behalf of **Rita's Water Ice** sponsorship of the "**Ice for Autism**" fundraiser which benefits the Spring-Ford Area School District's Autism Program.

Dr. Colyer introduced the commended students in the 2018 National Merit Scholarship Program. He stated that these 7 students were among the 34,000 highest performers out of the 1.6 million students in the country who took last fall's PSATs. Dr. Colyer stated that the high school is very proud of these students and he asked each student to come forward so they could be presented with a certificate in recognition of their achievements.

- B. **Dr. Robert Colyer**, 12th Grade House Principal, to recognize the following 7 students on being named as "Commended Students" in the 2018 National Merit Scholarship Program.

Dr. Goodin reported that each year the state releases various assessment results and we take time at the October Board meeting to review those assessments both for our buildings and for our individuals. Dr. Goodin advised that the state in looking at the assessments assigns a School Performance Profile (SPP) score and has done this for the past 5 years but this will be the last year for that. He stated that the state is changing this and will now give out a Future Ready PA Index. Dr. Goodin stated that SPP scores have not been made public yet so we are not able to compare with other districts but should be by the end of the week. He advised that we did have our scores but cautioned that the scores as they become public have been known to change but normally they have changed on the uptick and we would be notified if the scores were going to be lower. Dr. Goodin reminded everyone that the PSSA Test did change two years ago and they came up with a new test and that test is once again going through a change. Dr. Goodin provided the results for the 2016-2017 PSSA Test for our buildings which included the scores from 2016, the scores from 2017, the state average of advance and proficient and the comparison of Spring-Ford to the state.

Mrs. Bast provided an overview of the action steps the district planned to take based on the data. She stated that once they receive this information, normally in late July, they begin to dig in and then her office starts to look for the gap curricularly. They determine what things they can do as they look at different strands and standards that may have been weak areas or strong areas overall. Mrs. Bast reviewed the steps that they have identified, already started and put into place for this year. She added that they also look at more than just PSSA Tests and Keystone Exams as they also look at F&P scores, AIMS web scores, and curriculum based assessments which are very strong.

Mr. Ciresi asked Mrs. Bast to explain what the sharing of strategies between teachers and administrators was as he was concerned that this needed to be listed as he felt that this should be taking place all of the time. Mrs. Bast replied that this was not new and it is something that they are truly doing all of the time. She added that the building principals hold data meetings and when they see a teacher with students who may have done really well they inquire as to how the teacher provided the lesson so as to share with others.

Mrs. Spletzer expressed her concern over the math scores saying it looked like a “D” across the board in math. Mrs. Bast clarified that the numbers shown were the percent proficient so a 76% means that 76% of the students were proficient as this was not the grade so it is better than a “D”. Mrs. Spletzer commented that this also means that there are a lot of kids who are not proficient in math. She added that we have great resources, great administration, great teachers, great parents and great kids and there is so much available to us that we need to use it to the best of our ability so that we do not allow kids to be average or below average. Mrs. Bast responded that one thing that they cannot show due to time constraints is the cohort growth. She indicated that one of the best data analytics that we have is the emetric system which just became available on October 9th. She commented that traditionally when they look at the cohort

growth it is very healthy. Mrs. Bast also pointed out that state scores in math are abysmal.

Mrs. Heine asked what they believe the root cause is for this as they have talked about a lot of things such as test changes. She added that the district has put resources in place to improve the upper grades but this obviously does not address the lower grades which they chose not to do so as to not overwhelm them. Mrs. Heine felt the scores were dismal. Mrs. Bast replied that she felt our scores in a lot of cases were pretty good but the fact is that they do continue to change the test and they are asking students to do a lot more writing to show their mathematical thinking and some students still do not have that quite down. Mrs. Bast stated that we are also learning how the state scores the writing and as we learn more we are able to help the students understand how to show their work or attempt to show it.

Mr. Dehnert commented that he noticed that some of the schools from 3rd to 4th grade scores went down and the 7th to 8th grade scores went down from 72% to 61% in math. Mr. Dehnert felt that students should be tracked from year to year in order to see how kids progress. Mrs. Bast stated that this would be the cohort analysis. Mr. Dehnert said he did not feel the tracking of 3rd grade this year to 3rd grade last year was telling him much. He also added that the scores from 7th to 8th grade saw a significant drop. Mrs. Bast pointed out that when looking at 7th to 8th grade math it is important to understand that many of the 8th grade students are getting Algebra I as math but yet they have to take the PSSA math test which is a very different test than what they are preparing for all year long. She added that the students are taking the Algebra I Keystone Exam as well as the PSSA math test and may not perform as well because they have not done that kind of math. Mrs. Bast advised that they have taken steps to work on this. Mrs. Bast commented that she can break down the data and provide the Board with the cohort data.

Mr. DiBello commented that all of this is changing again for next year so all of this work and analysis does not mean much. He added that in order for us to do a true analysis we should have historical data going back several years but we do not have this as the tests keep changing. Mr. DiBello questioned how many school districts are using everyday math and Mrs. Bast replied that she did not have that information. He expressed that he would like to see how the schools who do not use it are scoring. Mr. DiBello stated that he has been against everyday math from the beginning. He relayed a story of how the Quakertown School District did away with it saying it was the worst thing they had put in place. Mr. DiBello asked how much time teachers and students spend gearing up and preparing for the test and Mrs. Bast replied that it was tough to answer that question as we spend a lot of time aligning our standards. She added that she did not feel we spent an inordinate amount of time preparing for the tests just for tests sake.

Mr. Pettit expressed his concern over everyday math and seeing scores drop rather than go the other way. He asked if there was some way Mrs. Bast could provide the data on the schools who use everyday math compared to ours. Mrs. Bast indicated that she can certainly look into this and prepare it for the Board.

Mr. Dehnert felt it might be better to look at the schools that are successful around us and above to see what they use rather than worry about those that are not successful.

Mrs. Spletzer stated that she did not feel that this was a good news story and said the results did not give her a good feeling. Mrs. Bast replied that every year when they get the scores they are nervous as its good news and bad news. She stated that she is always very proud of our results as she felt we do really well and they constantly think about how we can do better.

Mrs. Heine stated that based on the information they received she feels they should look at the curriculum being used by those districts that are higher performing so that when we are doing our curriculum review we can make sure we are using a successful program.

Mr. Dehnert requested that the information be provided to the Board in advance so that they have time to review it and prepare for the presentation.

Mrs. Bast spoke about moving away from the School Performance Profile. She stated that Pennsylvania will continue to calculate but not publicize each school's SPP score as they will still be used for the purpose of teacher evaluations but not as a comparison tool. Mrs. Bast advised that Future Ready PA Index will be used as it will provide a holistic look at school performance. Mrs. Bast reported that once they get more information from the state on the Future Ready PA Index they will provide a presentation to the Board with this information.

Mr. Ciresi asked if the district had its own formula to measure ourselves year after year as he felt the state was never going to get this right. He added that every year it is another change and we spend millions on a stupid idea that someone came up with. Mrs. Bast replied that the district has common curriculum based assessments in K-12 and we continually work on those.

Mr. Dehnert asked Mr. Fitzgerald whether the SPP score was calculated if it would not be subject to a Right to Know Request to get the information and Mr. Fitzgerald replied that if it was something that we possessed as a record then there certainly would be an opportunity for someone to request it from the district. Mr. Dehnert clarified that he was asking about the information state-wide and Mr. Fitzgerald replied absolutely and he would not be surprised if it was not someone's motivation to get a full composite of scores. Mrs. Bast advised that there is a SPP website and that is what is not yet public so we do not know the scores of anyone else.

Dr. Nugent gave an overview of the Keystone Exams saying we currently give exams in Algebra I, Literature and Biology. He added that originally there were supposed to be 10 exams and students would be required to pass 6 out of the 10 exams in order to graduate but they have only developed 3 exams to date. He advised that the Keystone scores do contribute to the SPP score. Dr. Nugent stated that the biggest thing they want to look at is % proficient and he provided this data for 2016-2017. Dr. Nugent reminded the Board that the scores are banked until the students 11th grade year so if students take the exams and are not proficient they receive remediation and then retake the test. If they still do not test proficient then they receive remediation again and are able to take the test again.

Mrs. Spletzer asked about Dr. Nugent's report of 60-70 students testing at basic or below basic range and wondered what this number equates to and if it included special needs students. Dr. Nugent replied that it includes all students taking the Keystone Exams. Mrs. Spletzer questioned if the 1.4% meant that we were graduating students that cannot read

at a basic level and Dr. Nugent stated that the 1.4% equated to less than 10 students. He added that a lot of the students are IEP students. Dr. Nugent spoke about the state coming up with project based assessments for those students who are struggling. He commented that the project based assessments have diminished significantly as they do not have the resources at the state to provide to school districts even to grade these projects. Dr. Nugent stated that they are up against it continually at the school level to keep up with the changes to get our students where they need to be. He advised that working with the lower level students is a major focus for the staff as they do not want any student leaving the high school who cannot do Algebra or read and write.

Mr. DiBello commented that over the years since they have been talking about the Keystones, the district has spent probably millions of dollars. He added that the state keeps pushing these requirements and districts are forced to spend lots of money not knowing if this is going to work or even stay in place. Dr. Nugent acknowledged that the Future Ready PA Index would be the 4th change since he has been principal at the high school.

Mr. Dehnert asked what the weight was of the Keystone Exams in calculating SPP scores and Dr. Nugent replied that he would have to find out but it was a significant piece although there are a lot of factors used in this calculation.

Mr. DiBello commented that demographics play into the scoring as well and Dr. Nugent confirmed this was correct.

Mr. Ciresi asked Dr. Nugent about the district not being invited to the stakeholder table and wondered who all is invited. Dr. Nugent advised that the district has gotten themselves invited because they barked so much about it. Mr. Ciresi said that if we were not invited then we need to start making a scene as we are one of the top districts around and one of the higher performing districts. Dr. Nugent stated that we got there but it was very frustrating. He spoke about a group of administrators going to the Educational Congress and voiced their opinion.

Dr. Nugent next reported on the AP Exams showing scores from 2012 through 2017. The report revealed that the district's number have steadily grown over the years. He advised that there has been a big push by the high school and the Board over the years to increase AP courses and students taking AP Exams. Dr. Nugent stated that in 2012 there were 378 AP Exams taken and in 2017 there were 1,191. Mr. Dehnert asked how many different students that involved and Dr. Nugent replied 672 students. Dr. Nugent commented that he would love to see every high school student take an AP course as he feels it is very beneficial and is a college level course but students still can receive a lot of support at the high school level. Dr. Nugent spoke of his daughter taking the AP Exam and scoring a 2 but felt that taking an AP course and the exam was one of the best experiences she has ever had. Mr. Ciresi asked if she had passed the course and if students scoring 1 and 2 are passing the course. Dr. Nugent indicated that she had passed the course. Mr. Ciresi asked where we were failing if students passed the course but not the exam and Dr. Nugent stated that we were not failing as students are getting a great experience. Dr. Nugent stated that by putting kids in these courses it raises the expectations for students to perform at a higher level. Mr. Ciresi asked if we knew why kids were able to pass the course but not score high on the exam and Dr. Nugent replied that they do a lot of research and that the AP teachers take it personally and want their students to excel. Mr. Ciresi stated that he just wanted to make sure that we are putting a lot of effort into determining why students who do well in the course are

not doing well on the exams. Mrs. Heine commented that the exam is a one-day thing and a student may just not test well on any given day.

Dr. Nugent advised on the difference between the ACT and the SAT tests. He then presented the results of the ACT and SAT Exams which revealed that Spring-Ford was in line with the state averages or above in most instances. He commented that there is a lot of testing taking place at the high school level. Dr. Nugent thanked Mrs. Bast and the Curriculum Department, Dr. Weidenbaugh, the teaching staff and most importantly the students.

Mr. Ciresi thanked Dr. Nugent. He agreed with Mr. Dehnert's comment that the Board needs prior to the presentation so that they have time to review and formulate their questions. Mr. Ciresi asked about the instructional coaching positions that were hired at the elementary level and what they were doing with regards to those schools that saw significant drops in scores. Mrs. Bast responded that the Instructional Support Teachers (IST) took over the role of the Child Find and kids who are struggling so they are doing a lot of that plus interventions with students. She added that this year they are focused a lot more on math as there is a reading specialist in every building so the IST can take on a little bit more of the math and work with the teachers to build some strategies for students who might be struggling. Mr. Ciresi asked that the scores for the buildings be brought back up and questioned some of the larger drops in scores. Mrs. Bast asked that the Board keep in mind when looking at SPP scores that the calculation for K-8 is largely derived from PSSA and points are given for achievement, for growth and then points are likely given against those historically underperforming groups which is where the sub groups are listed. She stated that when you see the SPP it is for overall achievement but when you see the dashboard which is more in line with what the PA Index will look like you will get to see each category and how we did. Mrs. Bast added that those schools where their scores went up did well with the historically underperforming population but those that went down did not as that is where we see the variance.

Mr. DiBello stated that in looking at the overall scores, 8 years ago we were at one level and we worked extremely hard to raise the bar and we set the bar very high. Mr. DiBello said overall as a district we are doing well. He commended everyone on their hard work but as a Board we always want to do better. Mrs. Bast thanked Mr. DiBello for the praise and said that they always want to do their best but it was nice to hear the praise.

D. **Dr. David Goodin**, Superintendent, **Mrs. Kimberly Bast**, Director of Curriculum and Instruction, **Dr. Patrick Nugent**, Principal 10-12 Grade Center and **Dr. Theresa Weidenbaugh**, Principal 9th Grade Center, to present an overview of the 2016-2017 Spring-Ford Area School District Assessment Data.

III. BOARD AND COMMITTEE REPORTS

Community Relations

Colleen Zasowski

3rd Mon. 6:30 p.m.

There was no report.

WMCTC

Ciresi, Dressler, Heine

1st Mon. 7:00 p.m.

Dr. Dressler reported that the Joint Operating Committee met and he wanted to remind the public of the upcoming event, Girl's Night Out on November 15th. He commented that this event is being held in order to introduce girls to non-traditional career opportunities. Dr. Dressler next advised that on November 29th there will be an Open House held at the Western Center.

PSBA Liaison

Dr. Edward Dressler

Dr. Dressler reported that last week both he attended the PSBA Conference from Wednesday through Friday and heard 9 talks in all for a total of 15 hours. He advised that the talks covered topics from transgender laws to public education funding to mindfulness in the classroom. Dr. Dressler stated that there are 2 discussions that he would like to report on with the first being one by John Couch the VP for Educational Programming at Apple and the other one by Ralph Martire on how to fund education. Dr. Couch had advised that now there are so many jobs available through programming starting at over \$150,000 per year. Mr. Martire made an important point by saying that statistics show that the United States is not performing well compared to other countries. He said that if you take our best school districts and compare them with the rest of the world, we outperform everyone in the world. Mr. Martire also reported that in the last 10 years teachers' salaries have gone down 1.67% throughout the country. Dr. Dressler added that he is sorry to say but we are not funding education properly in this country. Dr. Dressler stated that while at the conference he spoke to people about class start times and he wanted to report that this is something that appears to be taking hold. He advised that the better districts are looking at this because they have found that there are fewer sports injuries and better performing students when they change class times. Dr. Dressler stated that he also asked about class rankings and found that many did away with this years ago as well as weighted grades. Dr. Dressler stated that he will give a more in-depth report on all that he learned at the conference at next month's meeting.

Legislative Committee

Joseph Ciresi

3rd Weds. 7:30 p.m.

There was no report.

MCIU

Tom DiBello

4th Weds. 7:00 p.m.

Mr. DiBello reported that the MCIU Board met on September 27th and went through all of the business and operational reports. He reported that they did apply for a grant to help improve the building where they are running the Head Start Program. He advised that with regards to the state budget, they did approve the revenue plan and he read some of the bullets from that plan. He expressed concern over the state taking money from the tobacco settlement fund to cover the \$2 billion deficit in the amount of \$1.5 billion. Mr. DiBello stated that as they have discussed at the Finance Committee meetings, you do not balance a budget with one-time disbursements. He advised that next year they will have to come up with \$1.5 billion or more. Mr. DiBello advised on the other ways the state had proposed for balancing the budget. He cautioned that 1/3 of the state educational funding is tied to all of this and we must continually prepare ourselves knowing that at some point in the near future there will be some type of takeback of state educational funding to school districts. He urged parents to get involved and understand what is going on and to contact their legislators.

Dr. Dressler asked if there was any movement on taxing the nitrogas extraction and Mr. Ciresi said no that it was pushed back for a votes so they are waiting for it to be put back on the floor.

Superintendent's Report Dr. David R. Goodin

Dr. Goodin thanked everyone who helped to make the homecoming week and weekend successful. He added that they also dedicated a new mural in the arboretum thanks to the efforts of Mrs. Wellington which is very much appreciated. Dr. Goodin recognized the fundraiser that SNAP held this past weekend to raise money for the after prom. He

added that the Harlem Wizards event was well done and he expressed his appreciation for all of the work that SNAP does.

RE: PLANCON PART J: PROJECT ACCOUNTING BASED ON FINAL COSTS

PROJECT NO.: 3438
PROJECT BUILDING NAME: Spring-Ford Area High School
TYPE WORK: Additions/Alterations
COUNTY: Montgomery
BOARD ACTION: June 25, 2015

Dear Ms. Fern:

The materials for PlanCon Part J, "Project Accounting Based on Final Costs," have been reviewed and approved. This approval is based on a limited review of the documents submitted. If information reviewed subsequent to this approval violates law, policy or procedure, the department reserves the right to rescind any and all approvals materially affected.

Please note reimbursement will not occur until funding is established in accordance with Act 25 of 2016.

Based on our review of the final cost data for the above-referenced school construction project, the lease number(s) and reimbursable percent(s) are as follows:

<u>Lease Number</u>	<u>Bond Issue</u>	<u>Method of Financing</u>	<u>Reimbursable Percent</u>	<u>Temporary or Permanent</u>	<u>Effective Date</u>
073438	\$36,000,000	GOB Series A of 2007	12.24%	P	7-1-2007
153438	\$44,705,000	GOB Series of 2015	18.71%	P	7-1-2015

Ms. Fern

The retroactive reimbursement, if any, will be calculated by the Comptroller's Office and a lump sum payment will be forwarded to the school district. There is no need for the school district to file form PDE-2071, "Application For Reimbursement For School Construction Project," in order to receive the retroactive reimbursement on the financing for this project. **However, the school district must file form PDE-2071, if cash is a Method of Financing for this project.**

This document and appended materials should be entered into the minutes of the next board meeting. If you have any questions, please contact Jason Drayer at 717.787.5993.

Sincerely,

Danielle Mariano, Director
Bureau of Budget and Fiscal Management

<p>24 P.S. 1332 24 P. S. 1339</p>	<p>The Superintendent or designee shall:</p> <p>1. Govern the maintenance of attendance records in accordance with</p>

10. College or postsecondary institution visit, with prior approval.

11. Other urgent reasons. Urgent reasons shall be strictly construed and do not permit irregular attendance.

12. Adult-Sponsored Tours and Trips

Upon receipt of a written request from the parents of the pupils involved, pupils may be excused from school attendance to participate in a family trip provided during the school term at the expense of the parents when such trip is evaluated by the district Superintendent or the Superintendent's designee(s). Pupil participants therein are subject to direction and supervision by an adult acceptable to the district Superintendent or the Superintendent's designee(s) and to the parents of the pupils concerned.

The following regulations are applicable:

- 1. Absences for non-school trips shall not be excused unless a written request by the parent has been approved by the building principal. Such requests are to be submitted in a format developed by school officials ten (10) days prior to the date of the trip.**
- 2. Only ten (10) days of absence for non-school trips during any school year will be classified as excused. If a student already has a number of excused days (cumulative of sick, previous non-school trip or other excused reason) for that school year, only the difference between the number of accrued excused days up to ten (10) will be approved as excused. The remaining days will be considered unexcused. Additional days will be classified as unexcused and/or unlawful and will be subject to the legal procedure prescribed by attendance regulations.**
- 3. Coursework missed during a period of excused absence to participate in a trip must be completed satisfactorily after return to school within fourteen (14) calendar days subsequent to the last approved day of absence. Given adequate notice of planned absences, teachers are requested, insofar as such is possible, to provide an outline of assignments for completion during the period of absence. Work submitted by students in conforming with this requirement is to be evaluated, without penalty, for late submission.**

<p>24 P.S. 1327 22 PA Code 11.22 Pol. 116</p> <p>22 PA Code 11.21 24 P.S. 1546</p>	<p>4. Absences from school to participate in adult-sponsored tours and trips may not be approved for students who are failing two (2) or more subjects; for students who are identified as habitually truants and/or, for students for whom a physician's excuse is required.</p> <p>5. Students who participate in non-school trips of educational merit shall, at the discretion of the teacher, give an oral or submit a written report concerning the highlights of the trip. At the discretion of the teacher, such report may be accepted in lieu of comparable course requirements.</p> <p>6. Family or non-school sponsored trips that exceed ten (10) school days will result in the student being disenrolled from the school district. Upon return from the family or non-school sponsored trip, a parent or guardian will need to re-register with the District by first scheduling and attending an appointment with the District Office.</p> <p><i>Temporary Excusals –</i></p> <p>The following students may be temporarily excused from the requirements of attendance at district schools:</p> <ol style="list-style-type: none">1. Students receiving tutorial instruction in a field not offered in the district's curricula from a properly qualified tutor approved by the Superintendent, when the excusal does not interfere with the student's regular program of studies.2. Students participating in a religious instruction program, if the following conditions are met:<ol style="list-style-type: none">a. The parent/guardian submits a written request for excusal. The request shall identify and describe the instruction, and the dates and hours of instruction.b. The student shall not miss more than thirty-six (36) hours per school year in order to attend classes for religious instruction. The Board shall not provide transportation to religious instruction.c. Following each absence, the parent/guardian shall submit a statement attesting that the student attended the instruction, and the dates and hours of attendance.
--	---

22 PA Code 11.34

d. All absences from school for religious holidays or for religious instruction shall be excused, and no student so excused shall be deprived of an award or eligibility to compete for an award or the opportunity to make up a test given on the religious holiday.

3. School age children unable to attend school upon recommendation of the school physician and a psychiatrist or school psychologist, or both, and with approval of the Secretary of Education.

Parental Notice of Absence

Absences shall be treated as unlawful until the district receives a written excuse explaining the absence, to be submitted within three (3) school days of the absence. Failure to submit a written excuse signed by the parent, legal guardian or attending physician within three (3) school days of the student's return to school will be recorded as an unexcused and/or unlawful absence. Messages left on the district absentee hot line are not accepted in place of the written excuse note.

A maximum of ten (10) days of cumulative lawful absences (including excused days for non-school trips) verified by parental notification shall be permitted during a school year. All absences beyond ten (10) cumulative days will require an excuse from a licensed practitioner or physician. An absence or period of absence shall be deemed unexcused if a physician's statement is not submitted as required under the provisions of this policy.

Unexcused/Unlawful Absence

For purposes of this policy, absences which do not meet the criteria indicated above shall be considered an unexcused/unlawful absence.

An out-of-school suspension may not be considered an unexcused absence.

TITLE: SICK LEAVE

ADOPTED: March 25, 1991

REVISED:

REVIEWED: October 9, 2017

<p>1.Purpose SC 1154</p> <p>2.Guidelines SC 1154</p>	<p style="text-align: center;">434. SICK LEAVE</p> <p>There shall be a sick leave policy for professional employees that ensures that such employees will receive no less than the minimum sick leave provided under law. Such policy shall be in accordance with the following guidelines.</p> <p>The district will provide up to ten days annually for sick leave (must be ten minimum) of which all shall be cumulative and is intended for non-work-related use only.</p> <p>The Board reserves the right to require of any employee claiming sick leave pay sufficient proof, including a physician's certification, of the employee's illness or disability. The Board shall consider the application of any eligible employee for an extension of sick leave, pursuant to law where applicable, when the employee's own accumulated sick leave is exhausted.</p> <p><u>Sick Leave Bank</u></p> <p>Within thirty (30) days of any September 1 included in the term of the collective bargaining agreement, any member of the bargaining unit who has not already done so may contribute one (1) day of sick leave entitlement to the common bank to be administered by the Spring-Ford Area Education Association. When the balance of the bank is below 150 days, members may contribute an additional day. A member of the bank may apply during each year of the collective bargaining agreement, after all other sick leave provisions are exhausted, for a maximum of sixty (60) days at 65% of the employee's per diem salary.</p> <p>The administration of the bank is subject to the following regulations as the Association may adopt, subject to concurrence by the school district.</p> <p>1. Donations to the bank are to be authorized and substantiated by a properly executed form of assignment approved by the school district.</p>
--	---

SC 1154

2. The bank is to be administered according to rules which are to be applied in a uniform fashion in relation to each member of the bargaining unit who contributed to this bank.

The following conditions shall be part of this policy.

A. Eligibility

A sick leave shall commence when the employee or agent, if the employee is sufficiently disabled reports the absence. A sick leave day, once commenced, may be reinstated as a working day only with the approval of the Superintendent or designee.

Whatever the claims of disability, no day of absence shall be considered to be a sick leave day on which the employee has engaged in or prepared for other gainful employment, or has engaged in any activity which would raise doubts regarding the validity of the sick leave request.

B. Proof Of Disability

Any employee absent on sick leave may be required to submit a physician's written statement certifying his/her disability.

Such statements, in and of themselves conclusively, may not be presumed to establish the employee's disability.

C. Duration Of Leave

Upon the expiration of all then currently earned and accumulated sick leave, **upon request of the employee**, the Board may grant unpaid leave for the remainder of the school year.

Should leave be required beyond the end of the school year, an employee may request that the Board grant a one year extension. If granted, the Board may provide a position of like responsibility upon the employee's return.

D. Records

Attendance records shall be maintained electronically and shall be available to the employee to access.

<p>School Code 1154</p>	<p><u>Benefit for Unused Sick Leave</u></p> <p>Professional employees who retire from service within the Spring-Ford Area School District shall receive a non-elective contribution to one or more annuity contracts described in Code Section 403(b) the dollar amount derived from the application of the following schedule payable on the 10th day of the month following the month of retirement.</p> <p>Accumulated sick leave will be compensated at a rate of 50% of the maximum per diem substitute rate per day.</p> <p>The Collective Bargaining Agreement with the Spring-Ford Education Association provides for procedures that may differ from this policy. In the event that such a condition exists, the procedures must be adapted to the Collective Bargaining Agreement for the bargaining unit personnel.</p>

TITLE: USE OF ALL-WEATHER TRACK BY DISTRICT RESIDENTS

ADOPTED: April 22, 2013

REVISED:

REVIEWED: November 13, 2017

SPRING-FORD AREA SCHOOL DISTRICT

	<p style="text-align: center;">707.2. USE OF ALL-WEATHER TRACK BY DISTRICT RESIDENTS</p> <p>1. Purpose The Spring-Ford Area School District is an integral part of the community. The members of the Board of School Directors restate their belief that, because the school buildings and facilities belong to the people of the community, they should be made available for community purposes, provided that such use does not interfere with the educational programs of the schools-</p> <p>2. Authority The school district will, through appropriate administrative procedures, make available to the community the all-weather track at Coach McNelly Stadium during established times and as appropriately determined by the school administration. The members of the Spring-Ford Area School District Board of School Directors shall reserve the right to deny the use of the all-weather track at Coach McNelly Stadium based on this policy.</p> <p>3. Guidelines</p> <ol style="list-style-type: none"> 1. An initial cost will be charged to a district resident in order to obtain an access card. To apply for a card, one must be 18 years of age and a current resident of the Spring-Ford Area School District. An annual renewal fee will be charged on the original issue date of the access card. Access cards are obtained by completing the <i>Agreement and Release of Liability Form</i> and the <i>Track Registration Form</i> by contacting the District Office to-set up an appointment to obtain an access card. 2. The loss of an access card must be reported to the District Office upon discovery to deactivate the card. In the event of a lost access card, the individual will be charged a fee for a replacement card. Upon receipt of payment, a replacement access card will be issued by the District. 3. The track facility will be opened from dawn to dusk, every non-student day, weekend day and during all school breaks, to district residents who have approved access with certain restrictions. Access to the track is for the running/walking lanes and not for use of the turf field, areas between the end-zone and the running/walking track, bleachers, bathrooms or other areas.

	<ol style="list-style-type: none">4. Track usage is prohibited during the school day and/or if there is a Home sporting event, practice (sports, band, event or rental) utilizing the track and/or turf field.5. Residents who have obtained an access card are not permitted to share their access card with others. Any child(ren) under the age of 18 may enter with their parent or legal guardian and must be accompanied at all times by their parent or legal guardian who has obtained their access card from the district office. Sharing or using the access card multiple times to allow others into the running/walking area is strictly prohibited. Violations of this type of access card misuse shall result in a six (6) month suspension of the access card.6. Licensed vehicles may be operated only on driveways and parking lots. Unlicensed motor vehicles, including but not limited to mini-bikes, snowmobiles, ATV's and the like, shall not be operated on district property.7. Residents are NOT permitted to use the turf field, high jump pads, and pole vault pads. The access card is for use of the all-weather track only. Use of other areas or and/or equipment shall result in a six (6) month suspension of the access card.8. Maintain proper conduct. The use of obscene language is not permitted9. Users of the all-weather track will respect the personal property of others.10. No bikes, skateboards, roller skates or rollerblades are allowed on the track area.11. No high heeled shoes are permitted on the track, only footwear with rubber soles is permitted.12. No strollers of any type are permitted inside the track fence.13. Items that may cause damage to the synthetic surface are not permitted inside the track perimeter fencing. These items include, but are not limited to: Food, Gum, and Sunflower Seeds14. No pets are permitted on school district property (all campuses) including all buildings, playing fields, playgrounds, stadiums and walking pathways.
