**HIGH SCHOOL SPORTS**

**Athletic Director Mr. Mickey McDaniel presented on High School Sports**

- WINTER SPORTS: All teams (7-12) have started their respective seasons.
- League championships: PAC Champion for all winter sports will be crowned based on winning record percentage (same as fall)
- For league championship eligibility;
  - Wrestling you must wrestle at least 6 contests to be eligible for PAC Championship
  - In basketball (girls and boys) you must compete in 8 contests to be eligible for PAC Championship
- For District competition: district has not yet determined how many teams they will have in the tournament for basketball.
- Swimming has all away meets this year as Ursinus could not host us this year –they will not swim everyone.
- Winter track has had 3 meets rescheduled due to weather

**HIGH SCHOOL ACTIVITIES**

**Mr. Reigner presented on Clubs/Activities**

- Most clubs are still meeting virtually
- Some clubs have been using school facilities—larger rooms
- Spring Musical –will be Guys and Dolls –the practices have been creatively planned and scheduled for smaller groups
- The Fall Play is taking place in May
- Senior Events—awards—prob not looking like they could be held in person –at this point

**Other Business:**

**A: Presentations on Turf Fields**

(1) Mickey McDaniel:

- In 2006, Steve Parks & Associates (spent about \$22500) did a full assessment and evaluation for turf fields for the district—

NOTES

- Recommendation was the district, due to physical education and extra-curricular activities, needed several fields
  - For a variety of reasons, the district completed one –Coach McNelly Stadium
  - Since then, enrollment (hence usage in both physical education and extra-curricular programs have increased and the need is larger today
- (2) Kevin Czapor
- Presentation will be included in the notes
    - (read some highlights)
  - Adjourned at 7:39PM
  - Next meeting March 15, 2021 at 7:30 in high school principal conference room (or zoom!) –not like it is listed on district website
