A. Administration recommends approval of the following new courses for the 2020-2021 school year. Board approval is requested so that administration may begin the process of planning for curriculum development, budgeting, and inclusion of the course in the student’s course guide.
NEW COURSES FOR SPRING-FORD SENIOR HIGH SCHOOL 2020-2021

1. **AP Microeconomics:**
   This major course will provide a rigorous course offering for those students interested in Global Studies and/or Social Studies and will enrich the curriculum of Spring-Ford’s Social Studies and AP Program. Currently, Spring-Ford offers AP Macroeconomics. AP Microeconomics would serve as a complementary course for students interested in a deeper study of economic systems. From College Board: AP Microeconomics is a college-level course that introduces students to the principles of economics that apply to the functions of individual economic decision-makers. The course also develops students’ familiarity with the operation of product and factory markets, distributions of income, market failure, and the role of government in promoting greater efficiency and equity in the economy. Students learn to use graphs, charts and data to analyze, describe and explain economic concepts.

   **Cost:**
   - Initial Curriculum Development (36.0 Hours) $1,440.00
   - AP Training (Current Staff Trained) $0
   - Textbooks (50 @ $200 ea.) $10,000.00
   - **TOTAL** $11,440.00

2. **Innovation Studio/Media/Communications Minor:**
   This course is designed to increase student understanding of software, equipment, and related techniques in the audio, broadcasting, and makerspace areas of the Innovation Center of the 10-12 Media Center. Once certified in each studio, students can work on larger, long-term products for both themselves and faculty/staff in the building.

   **Cost:**
   - Initial Curriculum Development (12.0 Hours) $480.00
   - **TOTAL** $480.00

Property                     Thomas J. DiBello 2nd Tues. 7:30 p.m.
Mr. DiBello reported on the Property Committee meeting that took place on October 8, 2019. The minutes from this meeting will be posted on the district-wide website once approved at the committee level.

Mrs. Zasowski arrived at 7:52 PM.
Asst. Superintendent Rpt.  Robert Rizzo

Mr. Rizzo provided an overview of the purpose of the Aevidum Club at the 7th-12th grade levels. He advised that on October 18th a group of Aevidum Student Leaders attended a day long program entitled “The Talk” where they learned about the components of a healthy community and working with other youth to develop “I’ve got your back” school across Pennsylvania where students are accepted, appreciated, acknowledged and cared for. He acknowledged the efforts of Mr. Reigner, Mrs. Cooper and Mrs. Nuneviller for empowering students to have each other’s backs here and at home”. Mr. Rizzo spoke about his experience attending the 7th Grade Center’s Unity Day Event. He next stated that on behalf of the School Board thanked the presidents of the parent organizations for their attendance at the recently held President’s Council Meeting. He commented that the meeting was a great way for him to learn more about what each organization is doing as well as for the individual organizations to collaborate with each other. Mr. Rizzo reported that the Breakfast Program rolled out today in grades 5-8. He added that the cafeterias were fully staffed and ready to receive eager young students. The Breakfast Program is scheduled to roll out to grades 9-12 on November 4th. Mr. Rizzo provided information on upcoming events such as ALICE Night on October 22nd at 6:30 in the High School Auditorium, an Anxiety Discussion on October 23rd at 6:30 PM in the 8th Grade Center, the Town Hall Meeting on October 24th in the High School Auditorium, the Spring-Ford Media, Messaging & Youth Night on November 7th in the High School Auditorium, Math and Literacy Night on November 4th at Upper Providence Elementary School, and the Fall Play on November 15th and 16th in the High School Auditorium. Mr. Rizzo added that additional information on district events can be found on the Spring-Ford website.

Dr. Goodin commented that he would like to bring something to the Board’s attention that he would like some direction on. He stated that he was recently contacted by some folks from Upper Providence Township concerning work that they would like to do on township roads, specifically concerning us would be the intersection of Lewis Road and Vaughn Road. He stated that they are looking for the school district to provide a letter of support for the project for a grant they are applying for. Dr. Goodin stated that we would sign this letter of support for the grant and by doing so we would be committing to matching funds for the portion of the grant should they be successful in getting it. Dr. Goodin stated that he does not know what the dollar figure would be but that a response from the district is being requested by October 31st.

The consensus from the Board was that the roads are township roads and as such this should not fall under the school district’s responsibility to provide any funding.

Solicitor’s Report  Mark Fitzgerald

Mr. Fitzgerald reported that last week the PSBA Leadership Conference in Hershey took place during which solicitors met and one surprising topic to note was in regards to the chaos that has surrounded Act 67. He stated that Act 67 was the law that enhanced, changed and created a whole lot of fuzzy areas regarding school resource officers, school police officers, security guards and the like. He added that all school districts are doing things differently and really without much focus or guidance. Mr. Fitzgerald advised that the other issue, which has been an issue for many years but was a hot topic, surrounds prevailing party legal fees with special education due process hearings. Mr. Fitzgerald explained that when a special education due process hearing occurs parents are often represented by a counsel and fees for this counsel can be upwards of $80,000 which comes out of the school district budget. He advised that there is a lot of initiative in all parts of the state right now to push this issue at the federal level. Dr. Goodin questioned if this is something that would curb the prevailing fees and Mr. Fitzgerald replied yes and that it would most likely be done through case law, court action and litigation.
Mr. DiBello announced that the Board met in an Executive Session prior to tonight’s meeting to discuss a legal matter and no action was taken.

IV. PRESENTATIONS

Dr. Murray stated that she will be presenting the many ways that students have to earn college credit while still being a high school student. Dr. Murray explained the differences between Advance Placement and Dual Enrollment. She advised that the district currently offers 26 AP Courses with additional courses being offered via the Virtual High School. She provided information on the number of AP Exams that were taken last year and how our students scored on those exams. Dr. Murray stated that the Senior High School has made the AP Honor Roll 8 out of 9 times. She next provided information on Project Lead the Way which is a nationally recognized curriculum where students have the opportunity to take rigorous honors-weighted courses where they could potentially be awarded scholarships, admission preference and possibly course credit from post-secondary institutions. Dr. Murray advised that students enrolled in 11th or 12th grade have the opportunity to enroll in dual credit courses offered by Arcadia University and Montgomery County Community College. She added that the district is currently working with West Chester University on the provision of additional course offerings. Dr. Murray spoke about the considerations and limitations that students must be aware of when exploring dual enrollment options such as the colleges requirements, the schedule for those classes, the potential of a student having to pass a placement exam and the cost of the course that the student/family must assume. She next explained the criteria for students to take a dual enrollment courses as specified in Board Policy 217. Dr. Murray advised that approximately 300 students are participating in dual enrollment courses for the 2019-2020 school year with approximately 40 students taking more than one dual enrollment course and several students also being enrolled in AP courses.

Mrs. Benner presented information on how all of these opportunities are communicated to students and families. She provided a month by month listing of how information is disseminated by the Future Planning Center.

Dr. Murray summarized the opportunities that exist for students to earn college credit including the next steps that the district is looking at considering for our students. Also included as part of the discussion were some of the cons that students and families must also consider when contemplating taking dual enrollment courses. The closing message was that there are options for students if they want to be able to take a jump start on their college education.

Julianna commented that she currently is taking a Speech and Communications dual enrollment course and it is one of her favorite courses. She stated that the course helps expose her to what it is going to be like when she goes onto college.

A. Dr. Kelly Murray, Director of Curriculum and Instruction, Dr. Patrick Nugent, High School 10-12 Principal, Tricia Benner, College Career Coordinator, to present on “Opportunities to Earn College Credit”.

Mrs. Ritter and Mrs. Korchowsky thanked the Board and Administration for inviting them here this evening and for their support of the AP Capstone Program. They also thanked Dr. Nugent for seeing the value of the program and bringing it to Spring-Ford as well as the entire district including high school faculty and staff as the endeavor to implement this type of program is quite an undertaking which could not succeed without the help of a large number of people. They explained what the AP Capstone Program entails which involves an incredibly fast-paced and rigorous curriculum over the course of the two year program and includes AP Seminar in year 1 and AP Research in year 2. Mrs. Ritter and Mrs. Korchowsky spoke of the advantage of the co-teaching opportunity saying feedback
and mentoring students need for success in this program would not be possible with a single teacher in the room. They spoke about the QUEST Model which students involved in the program know quite well and explained that QUEST stands for Question and explore, Understand and analyze, Evaluate multiple perspectives, Synthesize ideas, and Team, transform and transmit. This is the 3rd year of the program’s inception and last year the first group of students completed the 2 year program and there were 15 students who earned AP Diplomas and 10 earned AP Certificates which could be turned into diplomas upon the completion of additional AP credits. Mrs. Ritter invited students who are involved in the program to come forward and speak about their experiences. Students each provided an overview of their how their involvement in this program has impacted them and the benefits they have received as a result of participating in this rigorous program. Mrs. Ritter introduced videos that were sent from 3 recent Spring-Ford graduates who experienced the advantages of this program and they spoke about how the skills they learned through the program have helped them thus far in their freshman year of college.

Dr. Nugent thanked Mrs. Ritter and Mrs. Korchowsky for all their work in preparation of the program and in getting the program up and running. He also thanked the students for coming out and providing their perspective.

The Board expressed their appreciation to Mrs. Ritter, Mrs. Korchowsky, Dr. Nugent and the students for coming out tonight and providing information on this program.

B. **Jaclyn Ritter** and **Julie Korchowsky**, Gifted Teachers, **Dr. Patrick Nugent**, High School 10-12 Principal, to present an “Update on the AP Capstone Program”.

The High School Softball Program and staff will conduct fundraising events to help defray the costs. Student-athletes will miss three school days and will be responsible for any missed work. The total cost to the district is $1,728.00 for three days of substitute coverage for the three coaches.

XI. BOARD COMMENT
Mr. Dehnert thanked the SFEA for providing the picnic after the Homecoming Parade saying they once again did a nice job.

The Board discussed the responsibilities of the district and a student’s family to provide guidance on college funding, student loans, the future financial impact of those loans,
career paths and potential income in those chosen careers. It was also stated that the student's themselves have to take the initiative and be proactive in looking for and researching information on the career path that they wish to pursue and that there is much help and information available through the Future Planning Center.

Dr. Murray spoke about the District's 339 Plan with the whole purpose of this being to help promote college and career readiness after high school. She explained that this starts as early as elementary school with assessments that help students determine some potential career paths and build a portfolio so the discussion and guidance is part of the curriculum as early as elementary school.

Discussion also included the extent of guidance the district should provide versus a student's personal choice for their post-secondary plans and careers.

Mr. DiBello spoke about his experience at the PSBA Conference that he along with Linda Fazzini and Colleen Zasowski attended. He encouraged all Board Members to consider attending even for one day. He commented that he is happy to report that Spring-Ford is ahead of many school districts in Pennsylvania when listening to what other districts are thinking about doing or are just starting to implement compared to what we already have in place.

Mrs. Zasowski reported on a session she attended that included a presentation by Siemens regarding a STEM Program where they co-op with high schools to help enhance STEM Programs. Mrs. Zasowski stated that she brought back some information with her that she is happy to share with Dr. Goodin. Mrs. Fazzini added that there are a lot of large companies that do initiatives with high schools. Mrs. Zasowski spoke of a program entitled SWAT that is in place in the Hollidaysburg School District regarding actions and programming they implemented following an unfortunate suicide event. The initiative meshes their safety and mental health programs together. She commented that what they had in place was not as set up or established as what Spring-Ford has in place which is a credit to our district.

Mrs. Fazzini reported that a big part of the what she experienced was that everyone in Pennsylvania is looking at the ESL (Emotional Social Learning) and because of Safe to Say, which Spring-Ford has already been doing previously under a different name, over 80% of those reports involve mental health issues or suicide issues. She advised that Pennsylvania Government is astonished at this figure as they thought it would be violence issues or other issues. Mrs. Fazzini stated that there is a big campaign to address this in schools and once again we are doing very well in this area and are ahead of a lot of schools.

A suggestion was made that Spring-Ford do a future presentation at future meetings on a variety of subjects including safety, health, modernized learning, Avidum, unity days and the parent speaker series.

Mr. DiBello reminded everyone that the Town Hall Meeting will take place on Thursday, October 24th with a lot of information being shared. He encouraged everyone to attend and stated that he knows Ms. Crew has been promoting the event. He asked how we get information out to those members of the public who are not on Facebook and Ms. Crew replied that there was a press release that went out which the Mercury has not yet run but that she reached out to them several times and is waiting to hear back. Ms. Crew added that the advertisement did run in The Patch as well as on Montcotoday.org. She stated that she has also reached out to the Borough Council in Royersford and asked that they publish it on their scrolling sign located on Main Street. Ms. Crew advised that the meeting is also being advertised on the High School sign.
reported that topics planned for discussion included school police, vaping, and school start times.

III. **BOARD AND COMMITTEE REPORTS**

**Student Rep. Report**

Julianna Lelli/Eshika Seth

Eshika reported on what happened this past month which included book fairs, school store, spirit days and picture days at the elementary and middle school level. At the high school level activities included spirit week, a pep rally, Powderpuff game, homecoming parade and game, homecoming dance, homecoming football game and multiple PAC Championships and Band Championship. Julianna and Eshika showed pictures that highlighted the various days and activities from Spirit Week. Eshika reported on what is coming up which included Halloween festivities, book fairs, the middle school musical, the high school fall play and Thanksgiving break. They next reported on a new initiative entitled “Student of the Quarter”. It was explained that this is a new program that will
recognize a student that does not typically get the recognition for the great things they do for the high school. They spoke about the nomination process, the criteria for being chosen and what the chosen student receives. The goal is to begin this at the start of the 2nd marking period.

**Policy**
Colleen Zasowski 2nd Mon. 7:30 p.m.
Mrs. Zasowski reported on the meeting that took place on October 14, 2019. The minutes from this meeting will be posted on the district-wide website once approved at the committee level.

Mrs. Melton referenced House Bill 1902 which was referred to the House Education Committee and pertains to excused absences and unexcused absences. Mrs. Melton suggested that the Policy Committee take a look at this bill while they are working on updating the district’s policy on the use of electronic excuses.

**Community Relations**
Colleen Zasowski 2nd Mon. 6:30 p.m.(alt. months)
Mrs. Zasowski reported on the meeting that took place on October 14, 2019. The minutes from this meeting will be posted on the district-wide website once approved at the committee level.

**WMCTC**
Dehnert, Dressler, Heine 1st Mon. 7:00 p.m.
Dr. Dressler reported that there was no meeting of the Joint Operating Committee. He advised that he had received a call from Mr. Moritzen thanking him for all of his efforts while serving 8 years on the JOC Board. Dr. Dressler commented that Mr. Moritzen and a group of students were preparing to head out to Las Vegas to attend the SEMA (Specialty Equipment Market Association) Show. Dr. Dressler also sadly informed everyone that a new board member of the JOC from the Upper Perkiomen School District had suddenly passed away.

**PSBA Liaison**
Dr. Edward Dressler
Dr. Dressler reported that he did not attend the PSBA meeting this year and stated that he believed his 3 colleagues who attended would have a report on the conference. Dr. Dressler stated that when he first came onto the school board 10 years ago there were board members who wanted to drop the PSBA membership. He expressed his hope that as he comes to the end of his tenure on the Board that they will continue the membership and that board member participation would continue as well.

Mrs. Zasowski spoke of the PSBA Conference saying that Mrs. Fazzini attended the entire conference and that she and Mr. DiBello attended on Thursday as that was the full day of the conference. Mrs. Zasowski advised that following the conference she was contacted by someone from Siemens to talk to the district about STEM initiatives and potential co-op partnerships. She thanked Dr. Dressler for the time he has served and for his encouragement of others to attend this conference.

**Legislative Committee**
Christina Melton 3rd Weds. 7:30 p.m.
Mrs. Melton reported that the Legislative Committee met last week and discussed quite a number of legislative bills including those on graduation credit for courses in financial literacy, the ability of school police to make an arrest, school police training, restrictions on the ability for school districts to initiate appeals for properties that are under-assessed, professional development on cultural awareness, student transcripts, cardiac testing, school board elections, career and technical education regarding workforce development, the minimum age to purchase tobacco products, charter school reform, the educator evaluation system, referendum on school construction projects, and educational funding.
MCIU

Mr. DiBello reported that the MCIU Board met last month where a presentation on the Harrisburg School District was given. He reminded everyone that the MCIU has been charged with managing the failing Harrisburg School District. He reviewed the list of problems that had been discovered by the MCIU during the time that they have been overseeing the district.

Mrs. Melton stated that this has no impact on Spring-Ford as we are not financially responsible for the MCIU’s responsibility of overseeing the Harrisburg District. Mr. DiBello confirmed this was correct and said the reason why the MCIU has been charged with overseeing the Harrisburg District is because they are one of the top performing intermediate units in the state.

Mrs. Zasowski asked what will happen once the MCIU has gotten the Harrisburg District on the right path and Mr. DiBello advised that a lot of infrastructure and procedures are being put in place as well as a school board to oversee the operations. Mr. Fitzgerald stated that right now the district is technically under receivership and the superintendent at Norristown is the receiver. He added that it is likely that a receiver will be in place for the foreseeable future. Mr. DiBello added that the goal of the MCIU is to get the district to a point where they are self-sustaining and then turn over control.

Superintendent Report

Dr. Goodin reported that November 1st is the end of the first marking period with report cards being available on November 13th. He advised everyone that on November 16th beginning at 11:00 AM, the high school will have an open house for the community to show off the new additions. Dr. Goodin gave a shout out to all the fall sports teams and coaches. He added that he was proud of the sportsmanship that our teams display and he thanked all involved in these programs. Dr. Goodin thanked everyone who worked to make the Town Hall a success as there was a lot of coordination and work involved in pulling that event together. Dr. Goodin recognized the Girls’ Soccer Team who will be playing tomorrow night in a district playoff game. He also acknowledged the Boys’ Football Team who have advanced to the district playoffs. Dr. Goodin next recognized Alex Fink who was the lone qualifier for the state championship in cross country. Dr. Goodin acknowledged and wished Deb Devine who has been with the district 12 years and Cheryl Heiser who has been with the district over 20 years best wishes on their upcoming retirements and stated that they will be missed.

Mr. DiBello commented that the High School was awarded the National Band Association Program of Excellence Blue Ribbon Award for the Eastern Division. He added that this is a national award bestowed upon elementary school, middle school and high school band programs that exhibit quality programs at all levels. Mr. DiBello stated that Spring-Ford High School was the only high school in the Eastern Division from Maine through Maryland awarded this year. He added that this is the first time that Spring-Ford High School was recognized at the national level. He commented that this shows the excellence of our Music Program and he acknowledged the hard work of the students involved in the program.

Solicitor’s Report

IV. MINUTES
Mrs. Melton made a motion to approve Items A-B and Mr. Dehnert seconded it. The motion passed 7-0.

A. The Board approved the September 16, 2019 Work Session minutes. (Attachment A6)
B. The Board approved the September 23, 2019 Board Meeting minutes. (Attachment A7)

V. PERSONNEL
Mr. Dehnert asked that Item G be separated. Mr. Dehnert made a motion to approve Items A-F and Mrs. Zasowski seconded it. The motion passed 7-0.

Mrs. Melton made a motion to approve Item G and Mr. DiBello seconded it.

Mr. Dehnert stated that he did not vote for this position when it was brought up several months ago and he is not against the individual on the agenda but rather the position. He stated that he believes in physical fitness but does not feel the taxpayers should pay strength and conditioning coaches that are primarily for athletes. He added that they always talk about tight budgets and trying to control costs and did not feel this was something that the taxpayers should bear. Dr. Goodin replied that he would tend to agree but this individual will be working with the physical education classes during the day.

Mr. DiBello pointed out that the expansion is also not just for athletes as the band is also looking forward to going in and using the cardio equipment as the routines they are doing are becoming such that more conditioning is required.

The motion passed 5-2 with Mr. Dehnert and Mr. Jackson voting no.

A. Resignations

3. Narcan® (Naloxone) shall be administered in accordance with Board Policy 823.

J. Extra-Duty or “Moonlighting”

1. It is the policy of the Spring-Ford Area School District Police Department (Department) to allow its personnel to engage in extra-duty employment that does not conflict with primary job assignments or obligations to the Department, and that does not discredit or embarrass the Department or diminish public confidence in law enforcement, or in the Department’s commitment to integrity.

2. A police officer engaged in any extra-duty employment is subject to call-out in case of an emergency, and may be expected to leave his/her off-duty or outside employment in such situations.

3. Approval for extra-duty employment may be withdrawn upon the discovery of any conflict of interest or any violation of the conditions for approval stated in this policy, when such employment interferes with the employee’s primary duties or if Department disciplinary standards are violated.

4. School Police Officers shall be permitted to work as police officers or security guards by employers other than the District only with the completion and approval of the required application by the Coordinator of Safety, Security, and Emergency Preparedness (CSSEP), the Superintendent, and the Director of Human Resources. (Attachment: Extra-Duty and/or Moonlighting application)

K. Media

1. The District is committed to operate effectively by obtaining support from
the public. In order to ensure public trust and support, the District is committed to informing the community, through the news media, of events within the public domain that are handled by, or involve the District. The District will, however, control the dissemination of public information to protect the constitutional rights of an accused, to avoid interfering with a Department investigation, or because it is legally privileged. All District correspondence with the media shall comply with Board Policy 911 News Media Relations.

# 818. CONTRACTED SERVICES

## 1. Purpose

In its effort to provide cost-effective programs, the Board uses outside independent contractors for a variety of purposes. The district is required to ensure that such contractors comply with certain legal requirements regarding contractor employees involved in the delivery of services to the district. This policy is adopted to outline those requirements and the manner in which the district shall direct and monitor contractor compliance.

## 2. Definitions

For purposes of this policy, **contractor employee** shall include an individual who:

1. Is employed or offered employment by an independent contractor or a subcontractor of an independent contractor, or is an individual independent contractor; and

2. Has or will have direct contact with children.

**SC 111**  
**Direct Contact with Children** - the possibility of care, supervision, guidance or control of children or routine interaction with children.[1]

For purposes of this policy, **independent contractor** shall mean an individual or entity that contracts with the district to provide services.

## 3. Authority

The district is required by law to ensure that independent contractors and contractor employees comply with the mandatory background check requirements for criminal history and child abuse certifications, the employment history review requirement, and the arrest and conviction reporting requirements.[2][3][4]

## 4. Guidelines

Prior to using contracted services, a written contractual agreement shall be entered into between the district and the independent contractor and maintained centrally by the district in a manner similar to that for other contracts. Requests for proposals, bid specifications for proposals and resulting contracts shall specify the following:

1. Mandatory requirements for criminal history background checks, child abuse certifications, employment history reviews, and arrest and conviction declarations.
reporting for contracted services involving direct contact with children, as mandated by law and set forth in this policy.[5]

2. A requirement that all contracted transportation providers provide a program of drug and alcohol testing for covered drivers. A covered driver shall include any contractor employee who drives, operates or is in the actual physical control or movement of a school bus or a commercial vehicle owned, leased or operated by the independent contractor in connection with school district services.[6][7][8][9][10]

3. That failure to comply with this policy and the requirements for criminal history background checks and child abuse certifications, employment history reviews, and required reporting of employee arrests, convictions or other misconduct by an independent contractor or contractor employee shall be grounds for termination of the contract.

The Superintendent or designee shall review all information provided pursuant to this policy and determine if information is disclosed that precludes employment or continued service of an independent contractor or contractor employee.[2][3][4][5][11]

Information submitted by an independent contractor or contractor employee in accordance with this policy shall be maintained centrally in a manner similar to that for school employees.

Pre-Employment Requirements

Employment History Review -

Independent contractors shall conduct an employment history review, in compliance with state law, prior to assignment of a contractor employee to perform work for the district in a position or assignment involving direct contact with children. The independent contractor may use the information for the purpose of evaluating an applicant’s fitness to be hired or for continued employment of a current contractor employee and may report the information as permitted by law.[4]

Independent contractors shall inform the district, in writing, upon receipt of an affirmative response to any of the abuse and sexual misconduct background questions for a contractor employee. If the district objects to the assignment, the independent contractor may not assign the contractor employee to the district.[4]

Independent contractors shall, upon request, provide the district to which a contractor employee is assigned access to the employee’s employment history review records.
### Criminal History -

Prior to assignment of contractor employees to perform work for the district in a position or assignment involving direct contact with children, contractor employees shall submit an official child abuse clearance statement and state and federal criminal history background checks (certifications) as required by law.[2][3]

Contractor employees shall report, on the designated form, all arrests and convictions as specified on the form. Contractor employees shall likewise report arrests and/or convictions that occur subsequent to initially submitting the form. Failure to accurately report such arrests and convictions may subject the individual to denial of employment/contract, termination if already hired/contracted, and/or criminal prosecution.[3]

### Tuberculosis Test -

Contractor employees providing services for students shall undergo a test for tuberculosis in accordance with the regulations and guidance of the Pennsylvania Department of Health.[12][13]

### Arrest and Conviction Reporting Requirements

All independent contractors shall adopt policies and procedures that require their employees, who are providing services to the district and who have direct contact with children, to notify the independent contractor, in writing, within seventy-two (72) hours of the occurrence, of an arrest or conviction required to be reported by law. Contractor employees shall also be required to report to the independent contractor, within seventy-two (72) hours of notification, that the employee has been named as a perpetrator in a founded or indicated report pursuant to the Child Protective Services Law. The policies and procedures shall also include the provision that the failure on the part of contractor employees to make such a timely notification shall subject them to disciplinary action, including termination.[3][11]

If the independent contractor receives notice of such arrest or conviction or that the contractor employee has been named as a perpetrator in a founded or indicated report, from either the contractor employee or a third party, the independent contractor shall immediately report, in writing, that information to the Superintendent or designee.

The independent contractor shall immediately require a contractor employee to submit new certifications when there is a reasonable belief that the employee was arrested for or has been convicted of an offense required to be reported by law, was named as a perpetrator in a founded or indicated report, or has provided written notice of such occurrence.[3][11]
Contractor employees who provide transportation services shall immediately notify the independent contractor and the district’s transportation supervisor of any traffic citations or the suspension, revocation or cancellation of operating privileges.\[14\]

**Educator Misconduct**

If the Superintendent reasonably suspects that conduct being reported involves an incident required to be reported under the Educator Discipline Act, the Superintendent or designee shall notify the Pennsylvania Department of Education, in accordance with applicable law, regulations and Board policy 317.1.\[15\][16]

**Training**

Independent contractors shall provide their employees who have direct contact with children with mandatory training on child abuse recognition and reporting. The training shall include, but not be limited to, the following topics:\[1\]

1. Recognition of the signs of abuse and sexual misconduct and reporting requirements for suspected abuse and sexual misconduct.

2. Provisions of the Educator Discipline Act, including mandatory reporting requirements.\[17\]

3. District policy related to reporting of suspected abuse and sexual misconduct.\[18\]

4. Maintenance of professional and appropriate relationships with students.\[19\]

Employees of independent contractors who have direct contact with children are required to complete a minimum of three (3) hours of training every five (5) years.\[1\]

Contractor employees shall attend orientation and training sessions, as appropriate to the nature of their service. When training is provided for school employees relating to the legal obligations of employers and educational institutions, consideration shall be given to which contractor employees should also receive that training.

**Child Abuse Reporting**

All contractor employees who have reasonable cause to suspect that a child is the victim of child abuse shall make a report of suspected child abuse in accordance with applicable law, Board policy and administrative regulations.\[18\][20]
Confidentiality

No contractor employee shall be permitted access to confidential student information unless the district has determined that such access is necessary for the contractor employee to fulfill his/her responsibilities. Contractor employees with access to confidential student information shall maintain the confidentiality of that information in accordance with Board policies and procedures and applicable law. If a contractor employee has questions about the confidentiality of student information, the contractor employee should consult with the building principal.[21][22]

830. REPORTING USE OF FORCE

1. Purpose
It is the purpose of this policy to provide Spring-Ford Area School District Police Officers with guidelines for reporting use of force.

2. Authority
The authority to use force carries with it the need for accountability in order to safeguard the rights of the public and preserve the integrity of the Spring-Ford Area School District Police Department. As such, it is the policy of the Spring-Ford Area School District that use of force, as designated herein, shall be reported in a timely, complete, and accurate manner by involved Spring-Ford Area School District Police Officers and as prescribed by this policy. Police use of force shall be recognized as physical force as defined in Board Policy 834 Use of force by police shall not include handcuffs when used as a restraint in arrest and transport activities, transport by vehicle, physical removal of peacefully resisting demonstrators, display of weapon (un-holstering or brandishing of firearm), presence of police officers, horses or canines, or policy issuance of tactical commands (verbal judo).

3. Guidelines

A. Responsibility for Reporting

2. All Use-of-Force Reports shall specify the actions of the subject person that necessitated the use of force, the reason why the officer used force, as well as any subject person complaints of injury, medical treatment received, or refusal of medical treatment.

3. The officer shall notify any assisting officer if force was used on the subject person, or if the subject person has an injury or complaint of pain.

4. Supervisory officers shall investigate and report on uses of force directly to the Superintendent.

B. Subject Persons in Custody or Detention and Medical Attention
1. Spring-Ford Area School Police Officers shall seek immediate medical treatment for any Subject Person in custody or detained (Investigative Detention) for any of the following reasons:
   a. If the Subject Person requests medical attention.
   b. Upon the Officer’s observation, the subject person has an apparent injury.
   c. If there is a question of an injury, the officer shall ask the Subject Person if they are injured or ill.

2. Spring-Ford Area School Police Officers shall complete a report on any person who has been injured or who reports being injured in a manner designated by the Spring-Ford Area School District.

C. Supervisory Responsibilities

1. For any use of force, an officer’s immediate supervisor shall be summoned and shall respond to the location on a priority basis.

2. In any instance of use of force, the supervisor shall prepare a Use of Force Report that shall include:
   a. The officer’s and subject person’s description of the incident, statements of actions taken, injuries sustained and medical treatment provided.
   b. Identification and interview(s) of witnesses as appropriate.
   c. Documenting, as necessary, the scene of the incident.
   d. Interviews of any health care provider concerning the injuries sustained and their consistency with uses of force.
   e. Statements (including tape recordings) of witnesses, subject person(s), and medical personnel.
   f. Copies of medical reports.
   g. Photographs or videotapes of injuries.
   h. Any other information or material pertinent to a complete understanding of the incident.

3. The immediate supervisor shall notify the Coordinator of Safety, Security,
and Emergency Preparedness (CSSEP) and/or the Superintendent in cases involving injury or complaint of injury, hospitalization, or death of a person resulting or allegedly resulting from an officer’s use of force.

4. The CSSEP shall review all Use-of-Force Reports to determine their adherence to policy and procedures, and completeness of the report. Where further documentation or investigation is warranted, the CSSEP shall continue with the investigation.

5. The CSSEP shall submit his findings and conclusions to the Superintendent.

6. In any incident that involves serious bodily injury or death from an officer’s use of force, the involved officer may be reassigned pending the outcome of the investigation and any possible administration adjudication.

### 4. Definitions

**Use of Force** - For purposes of this policy, Use of Force is the amount of effort required by police to compel compliance from a person. Except as noted below, this includes any use of force occurring while the officer is acting in an official law enforcement capacity.

**Physical Force** - Use of any part of the officer’s body to compel compliance.

**Police Presence** - Mere police presence can resolve some situations making further escalation of force unnecessary.

**Dialogue** - Dialogue used by an officer can serve to diffuse potentially violent confrontations. The manner and form in which an officer speaks to a person can be an effective means of exerting control over the situation. The use of profanity or disrespectful or argumentative conduct on the part of the officer is unacceptable.

**Taser** - A Taser is intended to temporarily incapacitate a person or an animal. Officers attempting to perform an official function and meeting resistance are authorized to use a Taser. Tasers can be used before or after empty handed control depending on the type and degree of resistance being encountered. An officer is not permitted to use a Taser unless qualified in its proficient use as determined by Spring-Ford Area School District training procedures.

**Empty Handed Control** - This type of force can be as little as a hand on the arm of a person or could escalate to a higher level of physical force. The purpose of this level of force is to gain control and compliance while minimizing the risk of injury to the officer, the person being controlled, and innocent bystanders. The use of choke holds (vascular or otherwise) or similar control techniques are prohibited unless the use of lethal force is authorized.

**Deadly Force** - An officer is not permitted to use lethal weapons unless qualified in
their proficient use as determined by Spring-Ford Area School District training procedures. Officers should be aware that, while commonly related to the use of a firearm, deadly force could be realized through a variety of measures, such as impact and less lethal weapons.

| **2. Authority** |
| The Spring-Ford Area School District recognizes and respects the value and special integrity of each human life. In vesting police officers with the lawful authority to use force to protect the public welfare, a careful balancing of all human interests is required. Therefore, it is the policy of the Spring-Ford Area School District that police officers shall use only that force that is reasonably necessary to effectively bring an incident under control, while protecting the lives of the officers and others. Further, Spring-Ford Area School Police Officers are trained to a higher level of care when interacting with our students, staff, and visitors. The District expects the highest form of professionalism and care from all School Police Employees. |

| **3. Guidelines** |
| **A. Parameters For Use of Deadly Force** |
| 1. Police Officers are authorized to use deadly force in order to: |
| a. Protect the students, staff, visitors and other officers from what is reasonably believed to be a threat of death or serious bodily harm, or |
| b. Prevent the escape of a fleeing felon whom the officer has probable cause to believe will pose a significant threat to human life should escape occur. |
| 2. Before using a firearm, police officers shall identify themselves and state their intent to shoot, where feasible. |
| 3. A Police Officer may also discharge a weapon under the following circumstances: |
| a. During range practice. |
| b. To destroy an animal that represents a threat to public safety, or as a humanitarian measure where the animal is seriously injured. |
4. Police Officers shall adhere to the following restrictions when their weapon is exhibited:

   a. Except for maintenance or during training, Police Officers shall not draw or exhibit their firearm unless circumstances create reasonable cause to believe that it may be necessary to use the weapon in conformance with this policy.

   b. Officers are prohibited from firing warning shots under any circumstances.

   c. Officers shall not discharge a firearm at or from a moving vehicle except under the following conditions:

      1) As a last resort measure of self-defense when the actor is using deadly force by means other than the vehicle.

      2) As a last resort measure of self-defense when a vehicle is being driven in a manner deliberately intended to kill or injure an officer or other person.

      3) As a last resort to prevent the escape of a fleeing felon when the use of deadly force is otherwise justified.

B. Parameters For Use of Non-Deadly Force

   1. Where deadly force is not authorized, officers shall use only that level of force on the force continuum that is reasonably necessary to de-escalate the incident and bring it under control.

   2. Police Officers are authorized to use Department approved non-deadly force techniques and issued equipment for resolution of incidents as follows:

      a. To protect himself/herself or another from physical harm.

      b. To restrain or subdue a resistant individual.

      c. To bring an unlawful situation safely and effectively under control.

C. Use of Force Continuum – The following is a use of force continuum that will serve as a guideline for officers when deciding the appropriate level of force to be used. Nothing in this continuum will require that officers use all lower levels of force before using the appropriate level. Circumstances and reasonableness will determine what level of force on the continuum that an officer will employ.

   1. Police Presence – Mere police presence is not considered a use of force.
Mere police presence may resolve some situations making further escalation of force unnecessary.

2. Dialogue/Verbal Commands – Dialogue used by an officer is not considered a use of force. Dialogue used by an officer can serve to diffuse potentially violent confrontations. The manner and form in which an officer speaks to a person can be an effective means of exerting control over the situation. The use of profanity or disrespectful or argumentative conduct on the part of the officer is unacceptable.

3. Taser (Physical Force) – Tasers are intended to temporarily incapacitate a person or an animal. Officers attempting to perform an official function and meeting resistance are authorized to use the Taser. They can be used before or after empty handed control depending on the type and degree of resistance being encountered. An officer is not permitted to use the Taser unless qualified in their proficient use as determined by Spring-Ford Area School District training procedures.

4. Empty Handed Control (Physical Force) – This type of force can be as little as a hand on the arm of a person or could escalate to a higher level of physical force. The object of this level of force is to gain control and compliance while minimizing the risk of injury to the officer, the person being controlled, or innocent bystanders. The use of choke holds (vascular or otherwise) or similar control techniques are prohibited unless the use of lethal force is authorized.

5. Deadly Force – An officer is not permitted to use lethal weapons unless qualified in their proficient use as determined by Spring-Ford Area School District training procedures. Officers should be aware that, while commonly related to the use of a firearm, deadly force could be realized through a variety of measures, such as impact and less lethal weapons.

D. Reporting Requirements

1. The Coordinator of Safety, Security, and Emergency Preparedness (CSSEP) shall investigate all Use of Force incidents on or off campus involving Spring-Ford School Police Officers.

2. The CSSEP will collaborate with the local jurisdiction if a School Police Officer has a Use of Force incident off campus.

3. In the event that the CSSEP is involved in a Use of Force incident the local jurisdiction having authority will be notified. The local jurisdiction will investigate and report to the Superintendent per Memorandum of Understanding with the local jurisdiction.
### 4. Definitions

**Deadly Force:** Any use of force that is likely to cause death or serious bodily harm.

**Non-Deadly Force:** Any use of force other than that which is considered deadly force.

**School Police Officer (Peace Officer):** Any person who by virtue of his office or public employment is vested by law with a duty to maintain public order or to make arrests for offenses, whether that duty extends to all offenses or is limited to specific offenses.
