# 205. POSTGRADUATE STUDENTS

## 1. Purpose

The Board of School Directors will consider the extension of the privilege of postgraduate study in the regular educational program to high school graduates resident in this district upon proper application and the satisfaction of the following condition(s):

## 2. Authority

Requests from residents of the school district who have graduated from high school or attained age 21 to engage in part-time study of subjects included in the curriculum of the senior high school may be accommodated subject to regulations established by the Superintendent.

## 3. Regulations

1. Enrollment of residents to part-time study in senior high school shall be authorized by the superintendent upon receipt from principal of a statement in writing which:

   a. recommends approval of the request for enrollment;

   b. certifies that the student can reasonably be accommodated within the limits imposed by existing staff, facilities, and budgetary provisions;

   c. asserts that the purpose of the enrollment is associated with a career or formal educational goal which cannot be attained through enrollment in adult evening school offerings of the school district or area vocational-technical school;

   d. acknowledges acceptance in writing by the applicant of the following responsibilities as conditions for continued enrollment:

      - prompt and regular attendance
      - daily preparation and class participation
      - personal standards of scholarship, behavior, and personal grooming which serve as models worthy of emulation by regular
