916. COMMUNITY VOLUNTEERS

1. Purpose
The Board values the unique contributions made by parent/guardian and community volunteers to the educational and extracurricular programs of the school district. Accordingly, the Board encourages the use of parent/guardian and community volunteers, subject to certain requirements and procedures as set forth below.

2. Definition
A volunteer is defined as any individual who performs a service for the school district without compensation, remuneration or other consideration and who otherwise meets the requirements of this policy. A volunteer must be at least eighteen (18) years of age. A volunteer need not be a parent/guardian of a student enrolled in the school district. A volunteer for purposes of this policy shall include but is not limited to the following opportunities:

- Serving as a daily classroom, library or office assistant
- Assisting with classroom or building special events/celebrations
- Chaperoning a single day field trip and/or overnight field trip/competition
- Volunteering with any of the district interscholastic athletic teams, musical performance groups, home and school organizations and/or parent organizations including booster clubs, S.N.A.P. and working in concession stands or similar roles.
- Advising or assisting an extracurricular activity
- Providing supplemental assistance to a student
Volunteer Status Based Upon Student Contact Category

Holding the position of a volunteer is not a right, but a privilege conferred upon the volunteer by the Board, acting through the building principal of each school within the school district. According to this policy, all volunteers will be placed into one (1) of two (2) categories.

1. **Limited Contact Volunteer** – A volunteer in this category is in the range of volunteers who may perform a role with little to no contact with students, indirect contact with students, direct contact with students up to roles with or in close proximity to a school district employee while performing his/her volunteer service and there is NO time when the volunteer is alone with a student or in a secluded, isolated or remote area with a student without a school district employee being present. Limited Contact volunteers include, but are not limited to, chaperones for single day field-trips, working events with home and school and other parent organizations, working in the concession stand or similar role, serving as a daily classroom, library or office assistant and/or assisting with classroom or building special events.

2. **Substantial Contact Volunteer** – A volunteer in this category may or will reasonably have direct contact with a student(s) while performing his/her volunteer service without direct supervision by a school district employee. Direct contact time may include, but is not limited to, coaching and/or assisting with an athletic team or musical performing group, advising an extracurricular activity, chaperoning an overnight field trip or competition, and/or providing supplemental assistance to a student, without direct supervision by a school district employee.

**Volunteer Requirements**

All volunteers have specific requirements differentiated by category (Limited and Substantial) that need to be completed PRIOR to participating in any volunteer experience.

- **For Limited Contact Volunteers** – each Limited Contact Volunteer shall be required to complete and sign on an annual basis the Spring-Ford Volunteer Registration and Disclosure Statement and the Tuberculosis Exposure Risk Assessment Questionnaire for Volunteers or provide documentation of a negative tuberculosis test within one (1) year of beginning volunteer service in the district. In addition, each Limited Contact Volunteer shall be required to complete and submit Act 34 – Criminal History Clearance Report, and Act 151 – Child Abuse Clearance Report. Finally, each Limited Contact
Volunteer must either complete and submit the Act 114 – FBI Criminal Clearance Report or if the volunteer has been a resident of the Commonwealth of Pennsylvania for the entirety of the previous ten (10) years, they must complete the Volunteer Affidavit swearing and affirming that they are not disqualified from volunteer service. All paperwork including the Spring-Ford Volunteer Registration and Disclosure Statement and the Tuberculosis Exposure Risk Assessment Questionnaire for Volunteers and all clearance documents and the signed Volunteer Affidavit, if applicable, will be submitted, recorded and coordinated at the district office level. The cost for obtaining these required background clearances shall be covered by the volunteer. Clearance documents for Limited Contact Volunteers are valid with the district for a maximum of five (5) years and must be updated and resubmitted in order to continue as a Limited Contact Volunteer.

For Substantial Contact Volunteers - each volunteer shall be required to complete and sign on an annual basis the Spring-Ford Volunteer Registration and Disclosure Statement and the Tuberculosis Exposure Risk Assessment Questionnaire for Volunteers or provide documentation of a negative tuberculosis test within one (1) year of beginning volunteer service in the district. In addition, each Substantial Contact Volunteer shall be required to complete and submit Act 34 - Criminal History Clearance Report, Act 151 - Child Abuse Clearance Report and the Act 114 - FBI Criminal Clearance Report. All paperwork including the Spring-Ford Volunteer Registration and Disclosure Statement and the Tuberculosis Exposure Risk Assessment Questionnaire for Volunteers and all clearance documents will be submitted, recorded and coordinated at the district office level. The cost for obtaining these required background clearances shall be covered by the volunteer. Currently enrolled students in good standing who are performing unpaid district sponsored services such as tutoring, mentoring or similar activities are here deemed to be participants in district curricular, co-curricular and extra-curricular activities and are not “volunteers” under the applicable law or this policy. Therefore, such students are not required to complete the paperwork and volunteer clearances otherwise required by this policy.
Under no circumstances shall a volunteer be considered an employee or independent contractor of the school district. A volunteer shall not receive wages, salary or other valuable consideration for the performance of his/her services; provided, however that, without altering a person’s status as a volunteer, the applicable building principal, in his/her sole discretion, may reimburse costs incurred by volunteers. A volunteer may not direct or supervise a school-sponsored program, group of students, or an individual student belonging to any such program outside the immediate supervision of a professional staff member. A volunteer is not permitted to impose or administer school discipline, though he or she may bring an individual’s actions to the staff or administration’s attention.

Volunteers shall follow all applicable administrative procedures established pursuant to this policy and shall follow all other rules, regulations and administrative guidelines concerning the conduct of the professional and paraprofessional staff of the school district; provided however that such rules, regulations and administrative procedures and guidelines shall not be deemed to expand the responsibility, authority or scope of activity applicable to volunteers under this policy. The local school administrator has the authority and sole discretion to dismiss a volunteer and direct that the volunteer leave district property when that administrator feels it is appropriate to do so.

The Board authorizes the district administration to investigate any allegations of impropriety involving a volunteer, and authorizes the district Superintendent to involve the solicitor and/or law enforcement authorities in any such investigation as deemed necessary and appropriate.
