How Your Contributions to H & S give back

Home & School hosts lots of fun events for our UPE community. It also allows for field trip transportation, assemblies, teacher/staff appreciation meals and so on. Here are few big things that were made possible due to YOU as Home & School: the outdoor pavilion, movie screen, the Roving Media Studio, Glass Mosaic Art and lighting, large mobile in the library, Tower Gardens in several classroom, Laptop or Ipad carts for each classroom, and more. We want to Thank everyone who has donated time, money, supplies, etc. It wouldn't be possible without each one of you!
