**AMBLER SAVINGS BANK DONATES \$10,000 TO TWO SPRING-FORD AREA SCHOOL DISTRICT  
ELEMENTARY SCHOOLS**

*\$5,000 was donated to each school through the Pennsylvania Educational Improvement Tax Credit (EITC) program.*

ROYERSFORD — Ambler Savings Bank donated \$10,000 to the Spring-Ford Educational Foundation Jan. 15 as part of its commitment to supporting educational programming through the state's Educational Improvement Tax Credit (EITC) program.

The \$10,000 funding will be divided equally between two district schools — Evans and Limerick Elementary — which will use the donation to enhance curriculum and continue Spring-Ford's 21st century classroom initiative.

"We're a locally operated mutual savings bank", explained Roger Zacharia, Ambler Savings Bank Executive Vice President and Chief Operating Officer. "As we have no shareholders, our complete focus is serving our customers, bettering the lives of our employees, and supporting charitable and non-profit organizations within our communities. At a time when all public schools are dealing with difficult fiscal issues, we think it's important that private businesses support our children's education."

Superintendent of Schools Dr. David Goodin said the additional funding will move curriculum at the two elementary schools in a positive direction by helping to enhance existing programs and potentially create new ones.

"We very much appreciate the support from Ambler Savings Bank, and commend their focus and dedication to education," Goodin added.

Ambler Savings Bank is located at 438 West Ridge Pike in Limerick.
