Important Message to Parents and Students Drivers

This correspondence is intended to highlight recent revisions to School Board Policy #223.

Policy: 223 USE OF BICYCLES/MOTOR VEHICLES/SKATEBOARDS

Student Parking:

Student parking on school grounds is a privilege granted by the District and is subject to the rules and regulations as adopted by the District.

In an effort to allow those students who have not yet secured a parking permit to do so, this policy will not go into effect until Monday, January 12, 2015. Students violating Policy 223 will be subject to the following measures.

Parking on campus without an authorized parking permit. Vehicles without a parking decal placed on the rearview mirror will result in the following actions:

- 1st Offense: A warning notice will be placed on the student's vehicle, and the vehicle information will be entered into a data base.
- 2nd Offense: A "boot" will be placed onto the vehicle, and five (5) demerits will be assigned to the vehicle operator when the "boot" is removed. Parents/Guardians will be contacted and discipline information will be recorded.
- 3rd Offense (and all subsequent offenses): A "boot" will be placed onto the vehicle and a \$15 parking ticket will be issued to the vehicle's owner when the "boot" is removed. The ticket must be paid within fifteen (15) days or a state citation will be issued to the vehicle owner from Spring-Ford's police officer

Please note that parking permits must be displayed on the rearview mirror of your vehicle. Again, we encourage all student drivers who have not secured a parking permit to do so throughout the current week.

Questions should be directed to the appropriate House Office.
