

A SCHOOL BUS **DANGER** ZONE

ANY TIME AND ANY WHERE

PLEASE REVIEW THIS SAFETY TIP WITH YOUR CHILDREN!

Students should only enter and exit their school bus according to the diagram shown (the **green** area).

The **gray area** (the Danger Zone) around the school bus indicates a **10 feet** area. Students should **not** stand, wait or walk closer than 10 feet of their bus. This DANGER ZONE is a blind area for the driver and they may not be able to see you. **NEVER RUN TOWARDS OR AFTER A BUS** even when it is stopped. **NEVER** assume a driver can see you.

The **red area** indicates **extreme danger**. Students should **NEVER** enter these extremely dangerous areas around the school bus.
