More about the Spring-Ford Future Planning Center (FPC): The Future Planning Center is a college and career resource center for both Spring-Ford Area High School students and parents. The FPC provides information on the following items: colleges/universities, the college admissions process, standardized tests (PSAT, SAT and ACT), financial aid, majors, careers and military options. College Career Coordinators, Mrs. Bhalla and Miss McNeill, serve as the primary resource to provide assistance to both students and parents to help prepare for life after high school while working with the Guidance Counselors to ensure students are being supported and heading in the direction of their goals.
