Spring-Ford Area School District Celebrates National School Counseling Week

ROYERSFORD, PA – Spring-Ford Area School District will celebrate National School Counseling Week, sponsored by the American School Counselor Association (ASCA), from February 2 to 6, 2015. National School Counseling Week focuses on the unique contribution of professional school counselors and how students are different as a result of what school counselors do. National School Counseling Week highlights the tremendous impact school counselors can have in helping students achieve school success and plan for a career.

More than 32,000 school counselors nationwide will be participating in the week's festivities. Many school counselors will be hosting special events and activities to call attention to the myriad benefits of a comprehensive school counseling program. Spring-Ford Area School District will feature school counselors as part of their "Meet Our Staff" Facebook campaign, introducing the Spring-Ford community to the talented school counselors. Individual schools within the district will hold their own celebration and recognition events. For more information contact Erin Crew at 610-705-6206.
