Spring-Ford Area School District Participates in Engineers Week ***Photo/Media Opportunity***

ROYERSFORD, PA – The Spring-Ford Area School District will participate in Engineers Week from February 23-27, 2015. Engineers Week—the only event of its kind—is a time designated to:

- Celebrating how engineers make a difference in our world;
- Increasing public dialogue about the need for engineers; and
- Bring engineering to life for kids, educators, and parents.

As part of Spring-Ford's STEM initiative, teachers are encouraged to highlight at least one STEM related activity a day.

Contact Kim Bast, Assistant Director of Curriculum and Instruction, for more information about SFASD's STEM initiative at 610-705-6210 or kbast@spring-ford.net.

Photo/media opportunities are available upon request. Contact Erin Crew, School and Community Engagement Consultant, at 610-705-6206 or ecrew@spring-ford.net.
