More about Spring-Ford SNAP: Students Need an Alternate Party (SNAP) is a group of Spring-Ford Area School District parents and community members working with the Spring Ford Education Foundation in an effort to provide a spectacular *FREE* post-prom event for all Spring-Ford Area High School juniors and seniors, whether they attend the prom or not. The annual post-prom party provides a safe post-prom alternative, focusing on the safety of SFASD students and the Spring-Ford community.

Prom night is statistically one of the most dangerous nights of the year for high school students. SNAP is committed to keeping the Spring-Ford community safe and free from drug and alcohol-related tragedy.
