Principal

Dear Parents/Guardians:

Dr. Jeffrey Kollar
House Principal

We had an excellent school opening thanks to your son's/daughter's cooperation and the staff's dedication. Your son/daughter is becoming acclimated to his/her new environment, lockers, schedule, and teacher expectations. The students will have completed one full six-day cycle by Wednesday, September 13, 2017.

We would like to invite all parents/guardians to our annual Open House on Wednesday, September 13, 2013, at 7:00 PM. Parents/guardians are to report to your son's/daughter's first period classroom at which time you will receive a copy of your child's abbreviated Day 5 schedule. Parents/Guardians will follow the abbreviated schedule where you will have the opportunity to briefly visit each class and hear each teacher's presentation of academic expectations for the school year. Stationed in the cafeteria will be light refreshments.

Individual teacher conferences will not be conducted this evening. If you desire a phone call or meeting with a teacher, please feel free to contact your son's/daughter's teacher directly so a conference may be arranged at a mutually agreeable time. To help your son/daughter transition to high school, two School Counselors work exclusively with 9th grade students. Mrs. Baker works with those students whose last names begin with the letters A through K. Mr. Rhodes works with the students whose last names begin with L through Z.

This evening will give you the opportunity to understand the academic expectations and requirements for 9th Grade and will help to alleviate some of the anxieties and concerns you may have in transitioning your son/daughter to high school.

Sincerely,

Theresa M. Weidenbaugh, Ed.D.
